Record Number: PLN-12856-CUP

Blocksburg area

A Conditional Use Permit for 3.1 acres of new mixed-light commercial cannabis cultivation, and the development of ancillary structures for cultivation activities, including a 6,000 square-foot dry barn/nursery for drying, curing, and plant stock propagation, and a 1,280 square-foot commercial building for processing product grown on site. Water would be sourced from three wells on the parcel and will be stored in hard tanks totaling 250,000 gallons.
