Hello Jared,

This will serve as notice that I am terminating car rental operation on January 11, 2019.

At the time, Enterprise will be taking over my lease and operating National Car Rental and most likely Alamo.

I am leaving due to health reasons. My physician informed me in December, 2017 that I must not be in this environment due to the Epstein-Barr virus that I have.

The jet fumes and air quality in this airport are intolerable and only getting worse with more jets operating here.

It has been a pleasure doing business here, and I am so sorry to be leaving.

Warm regards,

Denise D. McNulty
National and Alamo Rentals
