Humboldt County Board of Supervisors

My name is Phyllis Coy.

I don't know if any of you have received a notice from A T & T regarding in-person public participation hearings in regards to the California Public Utilities Commission Rulemaking 24-06-012.

This is regarding land line telephones, and it is understanding the desire to eliminate them. There are locations in Humoldt County where cell phones have no reception so are useless.

There are no in-person participation hearings scheduled in Humboldt County.

The two closest in-person public participation hearings are in Roseville (near Sacramento) on April 23 and in Santa Rosa on April 30.

There are three remote public participation hearings scheduled. Those dates are April 17, May 4 and May 13.

It would only seem fair to all counties involved in a decision of this magnitude that in-person public participation hearings be scheduled in each and every County Seat of the affected Counties.

A copy of the notice I received is attached for your information. I have deleted my name and address for my own privacy.

I have copies for each of you.

Thank you for listeing to me today.
