**~~[PROPOSED]~~ JUDGMENT ON
VERIFIED PETITION FOR WRIT OF
MANDATE AND DEMAND FOR
ATTORNEYS' FEES PURSUANT TO
CCP SECTION 1021.5**

[CCP §1085; CRC Rule 3.1590 (f); (l)]

23
24 The above-entitled matter came on regularly for trial before the undersigned on
25 July 26, 2023, attorney Kaitlyn Wilson appearing for Petitioners John Wilson and Cyndy
26 Day-Wilson, attorneys Thomas Chapin and Destinee Valeska appearing for Respondents
27 County of Humboldt (the "County") and Mario Kalson, and attorney Jeffrey Slack
28

1 appearing on behalf of Real Party in Interest Joel Geck-Moeller. The Court was presented
2 with oral and documentary evidence, and the matter was argued by counsel and submitted
3 for consideration by the Court.

4 Respondent County requested a Statement of Decision on the matters submitted.
5 The Court issued its Tentative Ruling, Proposed Statement of Decision, and Order on
6 October 18, 2023. Under California Rules of Court Rule 3.1590 (f), if a proposed
7 judgment is not served within 30 days of announcement or service of a tentative decision,
8 then any party who appeared at the trial may, within 10 days after the deadline, prepare,
9 serve, and submit to the court a proposed statement of decision and judgment. Pursuant to
10 California Rule of Court 3.1590 (l), "if a written judgment is required, the Court must
11 sign and file the judgment within 50 days after the announcement or service of the
12 tentative decision." Accordingly, this proposed judgment is being prepared, served, and
13 submitted to the Court for signing and filing by Real Party in Interest Joel Geck-Moeller.

14 The Court hereby adopts its Tentative Ruling, Proposed Statement of Decision,
15 and Order, which found the following:

16 1. The plain language of Health & Safety Code §115700 does not impose a clear,
17 present, mandatory and ministerial obligation on the County to close abandoned or
18 permanently inactive wells.

19 2. Pursuant to Humboldt County Code §631-1, the County has discretion in
20 deciding whether to issue permits to develop land on which an abandoned well is present,
21 and therefore the County does not have a clear, present, and ministerial duty to destroy
22 abandoned or permanently inactive wells and does not have a mandatory duty to
23 condition the granting of a development permit on the destruction of an abandoned well.

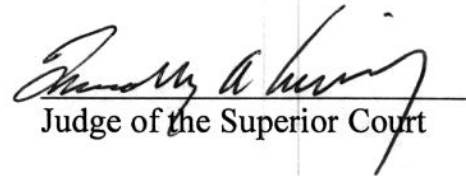

24 3. Pursuant to Humboldt County Code §631-18 and California Department of
25 Water Resources' Well Standards, Combined, Part I §3, the County has discretion in
26 determining what action to take with respect to a landowner maintaining an abandoned
27 well on their property, including whether to permit the use of an abandoned or inactive
28

1 well so long as the alternative requirements prescribed by the County are "equal to" the
2 standards for protection of the environment and human health prescribed by the
3 California Department of Water Resources' Well Standards.

4 IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

- 5 1. The Petition for Writ of Mandate is denied;
- 6 2. Petitioner's request for attorney's fees is denied; and
- 7 3. The temporary injunction enjoining the hearing of the Geck-Moeller project
8 application is dissolved, and any stay on those proceedings is lifted.
