Contractor shall provide restoration of competency treatment services to felony IST Patient Inmates participating in the JBCT program.

6. PROGRAM REPLENISHMENT FUNDS:

7. PROGRAM RENOVATION FUNDS:

- A. The DSH shall reimburse Contractor for program area renovation costs incurred under this Agreement. The renovations costs shall include, but are not limited to:
 - i. Renovation of patient rooms as well as treatment and office space.

8. CONTRACTOR RESPONSIBILITIES:

- A. Contractor shall designate an area within the HCCF dedicated to the administration of a JBCT program and provide restoration of competency treatment services that, either directly or through contract, may restore trial competency for incarcerated felony IST Patient Inmates committed to the DSH under Penal Code section 1370. Contractor shall submit any proposed changes to the JBCT program’s designated area to the DSH for its prior written approval.
- B. In providing restoration of competency treatment services, Contractor shall adhere to the program outlines contained in Exhibit A-1, Program Elements and the DSH JBCT Policy and Procedures Manual, hereafter referred to as the “Manual.” Contractor acknowledges it has received a copy of the Manual and has had an opportunity to review the terms and conditions of the Manual and

consult with independent counsel. Contractor agrees to the terms and conditions of the Manual and that the terms and conditions of the Manual are incorporated into this Agreement by reference. The meanings of the terms and requirements in this Agreement, unless otherwise defined in this Agreement, are defined in the Manual. In the event of an inconsistency between the Manual, attachments, specifications, or provisions which constitute this Agreement, the following order of precedence shall apply:

- i. DSH JBCT Policy and Procedures Manual (the "Manual");
- ii. Standard Agreement, STD. 213;
- iii. This Exhibit A, Scope of Work, including specifications incorporated by reference; and
- iv. All attachments incorporated in this Agreement by reference.

The Manual, as referenced in this Agreement, may be amended by the DSH from time to time. Contractor shall operate the JBCT program in accordance with the Manual, including any future amendments to the Manual. From the effective date of any amendment, Contractor shall follow the amendments required by any change in California statute or regulation. For all other amendments, Contractor shall present any of Contractor's concerns to the DSH within 10 business days from the date of notification, which does not relieve Contractor from adhering to any amendment, unless agreed upon in writing by the DSH. The DSH and Contractor shall negotiate, in good faith, changes to the Manual.

- C. Contractor shall ensure that a preliminary evaluation of each potential JBCT Patient Inmate is conducted through, at a minimum, a review of the medical and mental health records of each prospective Patient Inmate, prior to admission into the JBCT program.
 - i. Contractor shall ensure that priority for admissions to the JBCT program shall be based on commitment date, regardless of the county of commitment, unless an exception is made based on one of the factors listed in California Code of Regulations (CCR), Title 9, Section 4710. In the event multiple felony IST defendants have the same commitment date, admission shall be scheduled based on the availability of the committing county to transport the defendants.
 - ii. Upon admission into the JBCT program, Contractor shall ensure that a more thorough assessment is conducted as indicated in Exhibit A-1, Program Elements, and the DSH JBCT Policy and Procedures Manual.
- D. Contractor shall provide a total of eight beds to Patient Inmates located in the JBCT designated area.

Contractor shall be paid in full for the minimum eight beds (**Allocated Beds**) at the per diem rate upon the first Patient Inmate admission, regardless of the number of Patient Inmates admitted.

Beginning 90 days from the first Patient Inmate admission, if, over the course of each quarter period during the term of this Agreement, a 90 percent occupancy rate is not maintained, the DSH and Contractor shall execute an amendment to this Agreement upon jointly developing a plan to reduce the minimum number of beds provided and the budget amount accordingly. This provision shall correspond to the standard quarter periods commencing annually on July 1.

- E. Patient Inmates housed at the HCCF shall remain under the legal and physical custody of Contractor.

- F. Contractor retains the right to exclude specific individual Patient Inmates from the JBCT designated area for security and classification reasons at the time of assignment or at any point during their incarceration at the HCCF.
- G. Should Contractor determine, based on clinical considerations, patient history, or other factors, that a current or potential Patient Inmate is, or likely shall be, violent and a significant danger to others participating in the JBCT program, Contractor shall inform the DSH Contract Manager immediately in writing, and by phone. Contractor agrees that the decision to remove such a Patient Inmate from the JBCT program is at the sole discretion of the DSH, and the DSH shall not unreasonably withhold such permission. In the event a Patient Inmate is removed from the JBCT program, the DSH shall arrange to have such Patient Inmate admitted to a state hospital forthwith as is permitted under the admission requirements set forth in CCR, Title 9, sections 4700, et seq. Contractor shall continue to treat the Patient Inmate in the JBCT program until such arrangements are made. Contractor shall notify the committing county of the Patient Inmate's removal from the JBCT program upon the Patient Inmate's admission to the state hospital.
- H. Notwithstanding Sections F and G, Contractor shall make every reasonable effort to ensure that the contracted eight Allocated Beds provided for treatment services under this Agreement are occupied by Patient Inmates at all times. This includes, but is not limited to, admitting Patient Inmates of increasing levels of acuity.
- i. The DSH shall make every reasonable effort to ensure adequate Patient Inmate referrals are sent to Contractor throughout the term of this Agreement.
 - ii. By mutual agreement, in writing, and at the request of the DSH, Contractor may admit Patient Inmates into the JBCT program above the eight Allocated Beds.

- i. Contractor shall provide all Patient Inmates, regardless of committing county, with the full range of Routine Medical Care available to other inmates of the HCCF and is financially responsible for such care. Contractor agrees that the cost of all Routine Medical Care is included in the per diem rate charged to the DSH.
 - ii. For the purposes of this Agreement, Routine Medical Care shall be defined as all medical, dental, and mental health care as well as the cost of medical supplies, prescription medications which are provided to Patient Inmates, and restoration of competency treatment services which are provided by the HCCF to Patient Inmates, including prescribed psychotropic medications. Non-formulary prescription medications may be provided to Patient Inmates in conjunction with either Routine or Non-Routine Medical Care. Minor Medical Procedures involve minimally invasive procedures. In most cases, these are performed laparoscopically or arthroscopically. Procedure is performed without damaging extensive amounts of tissue. Risk of infection is reduced, and recovery time is shorter. Some surgical procedures are superficial in that they only affect the outermost portions of the body. These shall be considered routine medical care.

- iii. For the purposes of this Agreement, Non-Routine Medical Care shall be defined as 1) major medical operations, surgeries, or procedures which would require admittance to a hospital longer than one day; 2) continuation of experimental medication; 3) critical life-saving services that cannot be provided onsite at the HCCF or via a county-contracted hospital; 4) dialysis service whether onsite or otherwise; and 5) emergency medical treatment that cannot be provided onsite at the HCCF. Major Medical Operations/Surgeries/Procedures involve opening the body allowing surgeon access to the area where the work needs to be completed. It involves major trauma to the tissue, a high risk of infection, and an extended recovery period. These shall be considered non-routine medical care. Emergency medical care are situations that pose an immediate risk to health and life and require immediate intervention to prevent a worsening of the situation. These situations shall be considered non-routine medical care.
- iv. If a Patient Inmate requires Non-Routine Medical Care, Contractor shall notify the DSH Contract Manager or designee immediately in writing and by phone for pre-approval. For such patients, the DSH further reserves the right to either admit them to a state hospital for treatment or require Contractor to provide Non-Routine Medical Care. In the event the DSH directs Contractor to provide Non-Routine Medical Care, the DSH shall either direct Contractor to instruct the facility providing care to invoice the committing county, or to invoice the DSH directly for the full cost of care provided by submitting the invoice to the attention of the DSH Contract Manager. Should the DSH elect to require Contractor to provide the Non-Routine Medical Care, Contractor shall ensure that the Patient Inmate is provided care at a facility designated by the DSH Contract Manager, in accordance with the preferences of the committing county. Contractor shall notify the committing county of the Patient Inmate's transfer to and from the JBCT program and the designated facility providing care.
- v. In the event of an emergency, and for Patient Inmates whose committing county is not Humboldt, Contractor shall proceed immediately with necessary medical treatment. In the event of such an emergency, the DSH shall either direct Contractor to instruct the facility providing care to invoice the committing county, or to invoice the DSH directly for the full cost of care provided by submitting the invoice to the attention of the DSH Contract Manager. In such an event, Contractor shall notify the DSH immediately regarding the nature of the illness or injury as well as the types of treatment provided. Contractor shall make reasonable efforts to ensure that Patient Inmates are treated at facilities preferred by the committing county or otherwise that, once the Patient Inmate is stable enough for transfer, is transferred to such a facility.
 - i. In the event a Patient Inmate requires Non-Routine Medical Care, Contractor shall instruct the facility providing care to invoice the Contractor directly for the full cost of care provided, which shall be offset by the Patient Inmate's Medicare or private health insurance plan when applicable, and then reimbursed by DSH. Contractor shall instruct the facility providing care to seek reimbursement from the Patient Inmate's Medicare or private health insurance plan, within any required timeframes, prior to invoicing the Contractor when applicable. Contractor shall instruct the facility providing care to submit the Explanation of Benefits, reflecting Medicare or private health insurance payments or denials, with an original invoice when billing the contractor for the remaining balance (i.e., deductible, copay, and coinsurance amounts).
- L. For all Routine and Non-Routine Medical Care, Contractor shall be responsible for the security and transportation, including emergency transportation. Contractor agrees that all such costs are included in the per diem rate charged to the DSH.

- M. Upon Restoration of Competency:
Contractor shall be responsible for coordinating with the committing counties' behavioral health programs for the continued mental health care, crisis intervention, ongoing counseling and care, and psychotropic medication compliance for the Patient Inmates restored to competence and transferred from the JBCT program.
- N. Contractor and its subcontractors shall procure and keep in full force and effect during the term of this Agreement all permits, registrations, and licenses necessary to accomplish the work specified in this Agreement and shall give all notices necessary and incident to the lawful prosecution of the work. Contractor shall provide proof of any such license(s), permits(s), and certificate(s) upon request by the DSH. Contractor agrees that failure by itself or its subcontractors to provide evidence of licensing, permits, or certifications shall constitute a material breach for which the DSH may terminate this Agreement with cause.
- O. Contractor shall provide services as outlined in this Agreement. Contractor shall be responsible to fulfill the requirements of this Agreement and shall incur expenses at its own risk and invest sufficient amount of time and capital to fulfill the obligations as contained herein.
- P. Contractor and its subcontractors shall keep informed of, observe, comply with, and cause all of its agents and employees to observe and to comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws which in any way affect the conduct of the work of this Agreement. If any conflict arises between provisions of the plans and specifications and any such law above referred to, then Contractor shall immediately notify the State in writing.
- Q. This Agreement may be canceled at any time by Contractor, in writing, with 50 days' advance notice. The DSH may terminate this Agreement pursuant to section 7 of Exhibit C if Contractor or its subcontractors fails to comply with a federal, state, or local law and the noncompliance, based on the facts and circumstances, would constitute a material breach of this Agreement under California law.

9. DSH RESPONSIBILITIES:

- C. Rights of the DSH to Perform Quality Assurance and Financial Audits/Reviews
- i. The DSH may routinely evaluate the work performance of Contractor, Contractor's personnel, subcontractors, or other parties associated with Contractor to determine if the DSH standards and departmental policies and procedures are being maintained. If it is found that any party fails to perform or is physically or mentally incapable of providing services as required by this Agreement, then that party shall not perform services for the DSH.

- ii. The DSH may monitor and evaluate services provided in fulfillment of the requirements of this Agreement, as detailed in Exhibit A. Such monitoring and evaluation may occur on a regular cycle or as deemed necessary by the DSH Contract Manager. The DSH retains sole and absolute discretion in determining any such evaluation schedule.
- iii. Inspections may be conducted by the DSH staff at various times during the Agreement term to check on the quality of work. Payment shall not be provided for services deemed unacceptable by the DSH Contract Manager and/or their designee.
- iv. The DSH may audit and examine Contractor's records and accounts which pertain, directly or indirectly, to services performed under this Agreement. The DSH may hire third parties to perform the audit and examination, including but not limited to, accountants, consultants, or service providers in the applicable field. Contractor shall cooperate fully with the audits and examinations.
- v. If, as a result of an audit and examination, the DSH is informed of underpayments or overpayments, the DSH shall notify Contractor of the need for payment or reimbursement. Upon receipt of a final audit report, Contractor has 30 days to reimburse any overpayment or to dispute or challenge the report. Contractor and the DSH shall confer and negotiate in good faith with respect to any disputed portion of the final audit report to reach agreement with respect to adjustments, payments, and reimbursements.
- vi. The DSH shall submit its findings to Contractor and establish a deadline for correcting any deficiencies in fulfilling the obligations set forth in this section. Failure by Contractor to timely correct deficiencies shall be reason for termination of services under this Agreement.

10. PERFORMANCE MEASURES:

- ii. **Penalties:** Should Contractor not provide all services, including any and all required reports in a timely manner, the DSH may choose to terminate this Agreement. Additionally, the DSH may find Contractor to be not responsible in provision of services and evaluate this in future contracting opportunities.

11. AMENDMENTS:

- A. The parties reserve the right to amend this Agreement by extending its term for two additional terms of up to one year each, and to add funding sufficient for these periods at the same rates. This right to amend is in addition to the right to amend for other reasons contained in this Agreement or noted in the solicitation that resulted in this Agreement, if applicable. Any amendment shall be in writing and signed by both parties and be approved by the Department of General Services, if such approval is required.
