Dear Mrs. Ambrose,

The Humboldt Alcohol Recovery Treatment Driving-Under-the-Influence Program ("HART DUI Program") is in the process of changing their legal entity name. As of January 1, 2026, they will operate under the legal entity name "Humboldt Addiction Recovery Treatment Program." This change will reflect the removal of the HART DUI Program from the Northern California Conference of Seventh Day Adventists.

The HART DUI Program has submitted a new application for licensure to the California Department of Health Care Services ("DHCS"), Licensing and Certification Division to update their legal entity name. The County of Humboldt recommends that DHCS approve this application.

The HART DUI Program has provided a variety of driving-under-the-influence programs for the County of Humboldt since 1991, and has been the only driving-under-the-influence program operating within Humboldt County for more than twenty (20) years.

The County of Humboldt has enjoyed a long-standing relationship with the HART DUI Program. The HART DUI Program has consistently demonstrated a high level of programmatic and fiscal integrity.

Thank you,
