- c) Pursuant to any separate permit or written agreement between the parties not contained herein;
- d) Pursuant to any ordinance, resolution or minute order of County that is generally applicable to any property Licensed from County at the Airport; or

be needed absent the late payment. If the maximum charge permitted by law is less than the foregoing amount, then the rate shall be such amount determined to be the maximum legal amount. This late charge will be calculated and posted on a monthly basis and shall be prorated by the number of days in the month.

The Licensed Premises is permitted for use and accepted by Licensee in its "as is" condition. Licensee shall, at its sole cost and expense, maintain the Licensed Premises during the Event in accordance with all applicable laws and regulations, whether now or hereafter enacted, and the terms of this Agreement. 2.08 Improvements or Alterations

No improvements or alterations of any kind, shall be erected, placed, assembled, constructed, or permitted on the Licensed Premises without a prior written submittal of the proposed project to the Department. Upon review of the proposal, the Department will provide Licensee a written response and direction for the proposed project.

Licensee shall pay for all contractor services and all materials for any approved alteration of, or improvement to, the Licensed Premises, and shall permit no lien or claim to be filed or prosecuted against County on account of such labor and materials furnished.

2.09 Insurance

Throughout the Term of this Agreement, Licensee for itself and its officers, representatives, agents, employees, guests, patrons, volunteers, contractors, subcontractors, consultants, sub-consultants, subtenants licensees, invitees, customers, and suppliers shall maintain, or cause to be maintained, in full force and effect the forms of insurance specified in Exhibit C – Insurance Requirements, which is attached hereto and incorporated herein by reference as if set forth in full.

Licensee must provide the Humboldt County Risk Manager, or a designee thereof, with certificate(s) of insurance and required endorsements two weeks prior to the commencement of any Event. Insurance and required endorsements shall cover the period two weeks before and one week following the event.

In the event Licensee does not have the required certificate(s) and/or binder(s) evidencing proper insurance coverage or the required insurance

coverage(s) lapses, this Agreement may be terminated at County's option by the Director giving written notice to Licensee; provided that in the case of failure to deliver required certificate(s) and/or binder(s), County shall provide Licensee with a second written notice of such failure and an additional five (5) business days to cure such failure. No such second notice shall be required in the event of any lapse in required insurance coverage(s).

2.10 Notice Address

County makes no representation or warranty that the Licensed Premises are suitable for the uses to which Licensee shall be restricted pursuant to this Agreement.

3.02 Accord and Satisfaction

No payment by Licensee, or receipt by County of a lesser amount than the fees and/or charges due to be made by Licensee hereunder, shall be deemed to be other than on account of the fees and/or charges due, and no endorsement or statement on any check or in any letter accompanying any check or payment as fees and/or charges shall be deemed an accord and satisfaction, and County may accept such check or payment without prejudice to County's right to recover the balance of such fees and/or charges or to pursue any other remedy provided in this Agreement.

3.03 Airport Regulations

In the use of the Licensed Premises, Licensee agrees to observe, obey and abide by all ordinances, Airport rules, and other local, State, and federal regulations applicable thereto. In addition to the foregoing, Licensee shall comply immediately with any and all directives issued by the Director.

3.04 Amendment Required by FAA or TSA

This Agreement may be amended without further consideration for the purpose of satisfying TSA or FAA requirements or any federal agency succeeding to its respective jurisdictions. Should any such amendment have a material adverse impact on Licensee's, or its subtenant's, ability to use, occupy, or access the Licensed Premises for the Authorized Uses(s), Licensee shall be entitled to terminate this Agreement upon not less than thirty (30) days prior written notice to County.

3.05 Assignment and Subletting

Licensee shall have no right to assign, mortgage, pledge, or otherwise transfer this Agreement, either voluntarily or by operation of law, in whole or in part without prior written consent of the Director. Likewise, Licensee shall not subcontract any rights authorized hereunder or License any or all of the Licensed Premises. The foregoing notwithstanding, Licensee may, with prior written consent of the County, which consent will not be unreasonably withheld, assign or sublet the Licensed Premises or any part thereof: (a) to any entity controlling, controlled by, or under common control with, Licensee, or to any corporation resulting from the merger or consolidation with Licensee; (b) to any person or entity which acquires all (or substantially all) of the assets of Licensee as a going concern; (c)

to any third party doing business with Licensee or any Licensee affiliate, including vendors, consultants, contractors, service providers or joint venture partners; or (d) to an entity that will provide the same or substantially similar services on the Licensed Premises to any of Licensee’s business partners or customers.

3.06 Airport Processing Fee

In the event that Licensee requires or requests County’s review, investigation, processing, recordation, validation or any other consideration of Licensee’s proposed License, assignment or other transfer of estoppel certificates. Licensee agrees that as a condition precedent to the County’s review, Licensee shall reimburse County for all of County’s reasonable costs, including, but not limited to, all of County’s staff labor incurred therefrom. Said costs shall include any reasonable consultant and attorney fees, all postage (both first class and express mail), other communication and reproduction fees and all materials and services used or expended in completing County’s review.

Licensee shall make said reimbursement to County within thirty (30) days after County’s written request is received by Licensee. County may terminate this Agreement should Licensee not reimburse the County as described in this Section within thirty (30) days of receipt of demand.

3.07 Authority of Agreement

Licensee warrants and represents that it has the right, power, and legal capacity to enter into, and perform its obligations under this Agreement, and no approvals or consents of any persons are necessary in connection with it. The execution, delivery, and performance of this Agreement by the undersigned Licensee representatives have been duly authorized by all necessary corporate action of Licensee, and this Agreement will constitute a legal, valid, and binding obligation of Licensee, enforceable in accordance with its terms.

3.08 Authority of the Director

The Director shall administer this Agreement on behalf of County. Unless otherwise provided herein or required by applicable law, the Director shall be vested with all rights, powers, and duties of County herein. With respect to matters herein subject to the approval, satisfaction, or discretion of County or the Director, the decision of the Director in such matters shall be final.

3.09 California Law

This Agreement shall be interpreted and enforced in accordance with the statutory and decisional law of the State of California. In the event of a dispute between the parties as to the language of this Agreement or the construction or meaning of any term hereof, this Agreement shall be deemed to have been drafted by the parties in equal parts so that no presumptions or inferences concerning its terms or interpretation may be construed against any party to this Agreement.

Any litigation filed by Licensee or County against the other regarding the terms of this Agreement, performance of a party’s obligations under this Agreement, or any other reason related in any way to this Agreement, shall be

filed in a federal or State court of competent jurisdiction located in Humboldt County, California.

3.10 Consent

Whenever the consent or approval of either party hereto is required or authorized hereunder, such consent or approval shall not be unreasonably withheld, unreasonably conditioned, or unreasonably delayed.

Signatures scanned and transmitted electronically shall be deemed original signatures for purposes of this Agreement and subsequent amendments, with such scanned signatures having the same legal effect as original signatures. This Agreement and any amendments hereto may be executed through the use of an electronic signature and will be binding on each party as if it were physically executed.

3.12 County's Remedies

- a) In the event this Agreement is terminated for any reason whatsoever, County shall be entitled to any and all applicable fees and charges incurred pursuant to the terms and conditions set forth herein through and including the effective date of such termination.
- b) Nothing in this Section shall limit or reduce any damages owed to County due to breach of this Agreement by Licensee.
- c) Nothing in this Section affects the right of County under this Agreement to indemnification for liability arising prior to the termination of this Agreement for personal injuries or property damage, as herein provided.

3.13 Cumulative Remedies

No remedy or election herein shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

3.14 Damage or Destruction of Licensed Premises

A. Licensee Repair and Restoration

If at any time during the Event, any or all of the Licensed Premises, or any part thereof, shall be damaged or destroyed by fire or other occurrence, including, without limitation, occurrences for which insurance coverage was not obtained, or unobtainable, of any kind or nature, ordinary or extraordinary, foreseen or unforeseen, Licensee, at its sole cost and expense, and whether or not the insurance proceeds, if any, shall be sufficient for the purpose, shall proceed with reasonable diligence, subject to a reasonable time allowance for the purpose of adjusting the insurance loss, to repair, alter, restore, replace or rebuild the same as nearly as possible to its value, condition and character immediately prior to such damage or destruction, including, but not limited to, temporary repairs and work

necessary to protect the Licensed Premises from further damage, subject to such changes or alterations as may be approved by County in conformity with the provisions of this Agreement (collectively referred to below as "the work").

B. Condition of Work

Except as otherwise provided in this Section 3.14, the conditions under which the work is to be performed and the method of proceeding with and performing the same shall be governed by the provisions of Section 2.8, as applicable. The cost of the work for which Licensee shall be responsible under this Section 3.14 shall include reasonable fees of an architect or engineer, if any, employed by County for the purpose of examining and passing upon Licensee's plans and specifications and seeing that the work conforms therewith, and such other reasonable costs as may be incurred by County in connection with the work.

C. Payment of Insurance Proceeds

All insurance money paid on account of such damage or destruction under the policies of insurance required by this Agreement, less the cost, if any, incurred in connection with the adjustment of the loss and the collection thereof, referred to below as the "insurance Proceeds," shall be applied to the payment of the cost of the work to the extent that the insurance proceeds shall be sufficient for the purpose, and shall be paid out to or for the account of Licensee from time to time as such work progresses.

D. Deficiency

If the insurance proceeds shall not be sufficient to pay the entire cost of the work, Licensee shall supply the amount of any such deficiency and shall apply the same to the payment of the cost of the work, unless the cause of the damage or destruction was caused by County, in which case County shall supply the amount of any such deficiency. Except as otherwise provided in this Agreement, County shall not be obligated to make any payment, reimbursement or contribution towards the cost of the work.

E. Failure to Commence Repairs

County may terminate this Agreement pursuant to Section 3.15 herein if the work shall not have been commenced within one hundred eighty (180) days after the damage or destruction has occurred or if the work, after commencement, shall not proceed expeditiously. Provided, however, that any delay resulting from a Force Majeure Event or a County delay shall extend the time for commencement or completion of the work. On any such termination, the insurance proceeds received by or payable to Licensee shall first be paid to Licensee, and County as their respective interests may appear.

F. License Obligation Continues

In no event shall Licensee be entitled to any abatement, allowance, reduction or suspension of consideration because part or all of the Licensed Premises shall be untenable or unusable owing to the partial or total damage or destruction thereof. No such damage or destruction shall affect in any way the obligation of Licensee to pay the consideration and other charges herein reserved or required to be paid, nor release Licensee from any obligation imposed upon Licensee herein, except as otherwise provided in this Agreement. The foregoing notwithstanding, fees, charges, or other required payments shall abate proportionally for the partial or total damage or destruction of the Licensed Premises if the damage or destruction is due to the actions, inactions, negligence or willful misconduct of the County or any third party not under the direct or indirect control of the Licensee.

G. Uninsurable Risk

In the event the cause of the damage or destruction is by a risk which is or was uninsurable, then Licensee shall have the same responsibility to provide the funds necessary to pay the cost of the work as set forth in this Section.

3.15 Early Termination by County

Notwithstanding the termination rights set forth in Section 2.01 C, County may terminate this Agreement prior to expiration of the Term hereof upon the happening of one or more of the following events if Licensee:

- a) Fails to make any payment of any applicable fees, charges, or other required payments, as and when due herein, where such failure continues for a period of thirty (30) days following service of notice thereof upon Licensee by County;
- b) Fails to obtain or maintain any of the insurance coverage required by this Agreement; in this case, the Director may immediately terminate the Agreement;
- c) Makes a general assignment for the benefit of its creditors; and
- d) Files a voluntary petition, or becomes the subject of an involuntary petition, in any proceedings in Bankruptcy Court;
- e) Breaches the covenants of "Airport Sponsor Assurances," and fails to cure such breach within thirty (30) days after receipt of written notice from County or other public agency;
- f) Fails to timely repair any damage to the Licensed Premises which occurred during the Event, within one hundred twenty (120) days from the date of such destruction subject to reasonable delay due to a Force Majeure Event; and
- g) Defaults in performance of any promise, term, condition, or covenant required of it herein, other than those expressly set forth in Subsections (a)

through (g) above, wherein no further default notice is required, provided Licensee fails to cure such default within thirty (30) calendar days following receipt of written notice of such default from County. However, if the nature of such default is such that it cannot reasonably be cured within such period, Licensee shall be deemed to have cured such default if within such period Licensee commences performance thereof and thereafter diligently prosecutes the same to completion.

Early termination by County pursuant to this Section shall be upon not less than thirty (30) days advance written notice to Licensee (the "Licensee Notice"), which notice shall state the basis of such termination and the effective date thereof, subject to any other notice and cure rights set forth in this Agreement (the "Licensee Cure Period"). Upon the effective date of such termination, County may take possession of the Licensed Premises, without further notice or demand to Licensee. For the avoidance of doubt, the County may not terminate this Agreement without first providing Licensee at least thirty (30) days' advanced notice and opportunity to cure the violation; provided that if the violation cannot be reasonably cured within the Licensee Cure Period, this Agreement may not be terminated by the County if Licensee commences to cure the violation within the Licensee Cure Period and diligently pursues completion of such violation identified in the Licensee Notice.

Failure to serve notice of termination upon the happening of any of the events described in this Section shall not operate to bar or destroy County's right to thereafter declare such termination upon any subsequent happening of any such event.

3.16 Early Termination by Licensee

Notwithstanding the termination rights set forth in 2.01 C, if Licensee is not in default of its payments or any other obligations under the License (beyond any applicable notice and cure periods) to the County herein, Licensee may terminate this Agreement prior to expiration of the Term under the following terms and conditions:

- a) Permanent abandonment of Airport by County;
- b) Assumption by the United States Government, or any authorized agency thereof, of the operation, control or use of Airport, or any substantial part thereof, in such manner as to substantially restrict Licensee in its operations herein for a period of ninety (90) consecutive calendar days;
- c) Issuance by a court of competent jurisdiction of a permanent injunction which in any way prevents or restrains use of Airport in a manner substantially restricting Licensee's operations at Airport herein;
- d) Default by County in the performance of any promise, term, condition or covenant required of it to be performed herein, provided County fails to cure such default within sixty (60) calendar days following receipt of written

notice of such default from Licensee. However, if the nature of such default is such that it cannot reasonably be cured within such period, County shall be deemed to have cured such default if within such period County commences performance thereof and thereafter diligently prosecutes the same to completion.

In the event of early termination by Licensee pursuant to this Section, Licensee shall pay any fees, charges, or other required payments to County pursuant to this Agreement, to and including the date of such termination.

3.17 Entire Agreement

This Agreement, together with all exhibits attached hereto, constitutes the entire agreement between the parties hereto, and all other representations or statements heretofore made, verbal or written, are merged herein. This Agreement may be amended only by written instrument duly executed by the parties hereto, except as stipulated in Section 3.05 herein.

3.18 Environmental Requirements

A. Licensee's Compliance with Environmental Laws

Licensee shall at all times in all respects comply with all environmental laws, and any amendments thereto affecting Licensee's operation on the Airport, including, but not limited to, all federal, State and local laws, ordinances and regulations relating to Hazardous Material; provided that Licensee shall not be responsible for remediating any pre-existing Hazardous Materials located on the Licensed Premises, or to Hazardous Materials brought onto the Licensed Premises by the County or any third party not under the control or direction of Licensee, during the Term of this Agreement. The meaning of the term "Hazardous Material" includes, without limitation, any hazardous or toxic substance, material or waste, which is or becomes regulated by any local governmental authority, the State of California or the United States Government. Licensee is held to the highest level of legal knowledge concerning current and applicable environmental law.

B. Hazardous Material Storage Permit

Licensee shall be required to obtain all applicable Hazardous Material storage permits from all appropriate government agencies if it, at any time, places or stores Hazardous Material liquid, solids, compressed gas, or any other regulated substances on the Airport.

C. Director's Consent Required

In addition to any permit requirement and except as provided otherwise in this Section, Licensee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Airport by Licensee, its agents, employees, contractors or invitees in violation of all local, State and federal environmental laws without the prior written consent of the Director (which the Director shall not unreasonably withhold as long as Licensee demonstrates to the Director's reasonable satisfaction that such

Hazardous Material is necessary or useful to Licensee's business and will be used, kept and stored in a manner that complies with all laws regulating any such Hazardous Material so brought upon, used or kept in or about the Airport). With respect to Hazardous Materials normally and routinely used in Licensee's operations, the Director's approval shall not be required.

D. Indemnification by Licensee

Licensee shall indemnify, defend and hold County harmless from any claims, judgments, damages, penalties, fines, costs, liabilities or losses which arise during or after the Term of this Agreement as a result of Licensee's handling or transporting of Hazardous Materials or as a result of Licensee's use or storage of Hazardous Materials. In no instance shall Licensee's indemnity obligations as set forth herein apply to any pre-existing Hazardous Materials located on the Licensed Premises, or to Hazardous Materials brought (including migration) on to the Licensed Premises by the County or any third party not under the control or direction of Licensee, during the Term of this Agreement. This indemnification of County by Licensee includes, without limitation, costs incurred in connection with any investigation of site conditions or any clean up, remedial, removal or restoration work required by any federal, State or local governmental agency or political subdivision due to the presence or impact of Hazardous Material caused or permitted by Licensee. Without limiting the foregoing, if the presence of any Hazardous Material on the Airport caused or permitted by Licensee results in any contamination of the Airport, Licensee shall promptly take all actions at its sole expense to remediate impacts caused or permitted by Licensee as are necessary to render the Licensed Premises in compliance with all applicable environmental laws; provided that County's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the Airport.

Licensee shall also indemnify the County as provided for in Exhibit E – Indemnity Agreement, which is attached hereto and incorporated herein by reference as if set forth in full.

E. Notices

Licensee shall promptly notify County, verbally and in writing, of: (1) any enforcement, clean up, removal or governmental or regulatory action instituted, completed or threatened pursuant to any Hazardous Materials laws; (2) any claim made by any person against Licensee relating to damage, contribution, cost recovery compensation, loss or injury resulting from or claiming to result from any Hazardous Materials in its operations; and (3) any reports made to any environmental agency arising out of or in connection with any Hazardous Materials in or removed from the Airport, including any complaints, notices, warnings or asserted violations in connection therewith, but excluding routine manifests, records or receipts that are submitted to

environmental agencies for purposes of documenting waste disposal or product receipt activities. Licensee shall also supply to County as promptly as possible, and in any event within ten (10) business days after Licensee first receives or sends the same, copies of all claims, reports, complaints, notices or warnings or asserted violations relating in any way to Licensee's operations at Airport thereof.

F. Environmental Audit

County shall have the right to conduct an environmental audit ("Audit") upon expiration or earlier termination of this Agreement. Said Audit shall be conducted at Licensee's expense, up to a maximum of five thousand dollars (\$5,000.00), according to procedures and by a person or entity approved by the Director. If contamination is found, Licensee shall be required to perform corrective action to remove contamination generated by Licensee or its representatives during Licensee's Term, if and to the extent required by any environmental agency, as approved by the County. Licensee shall, in consultation with County, determine the schedule, technique, method, and design of the mitigation and/or remediation, subject to the then current environmental requirements as identified in this Section. For the avoidance of doubt, Licensee shall, under no circumstances, be held responsible, under any provision of this Agreement, for Hazardous Materials that pre-date the execution of this Agreement or are brought (including migration) on to the Licensed Premises by the County or any third party not under the control or direction of Licensee.

G. Hazardous Materials Spill License Reporting and Cleanup Policies

At all times during the Term of the Agreement, Licensee shall comply with the County's policies for the reporting and cleanup of Hazardous Materials spills or Licenses.

3.19 FAA Requirements

A. Airport Sponsor Assurances

Licensee shall, at all times during this Agreement, comply with the provisions of the FAA Airport Sponsor Assurances ("Assurances"), and any subsequent revisions, updates, or amendments thereto, which are incorporated herein by reference and made a part hereof as if set forth in full. The provisions of the Assurances may change during the term of this Agreement, and those changes will be incorporated into this Agreement without the necessity of a formal amendment. County is not responsible for notifying Licensee of any changes to the Assurances. Licensee is required to contact the FAA for any updates or revisions. The Assurances document is available on the FAA's website. [See www.faa.gov/Aviation/aip/grant_assurances].

B. Contract Provisions

Licensee will, at all times, during the Term of this Agreement, comply with the provisions of the FAA Contract Provisions ("Contract Provisions"), and any subsequent amendments, applicable to the activities, rights and duties contemplated under this Agreement, which are attached hereto as Exhibit D – FAA Contract Provisions and incorporated herein by reference as if set forth in full. Licensee shall include compliance with the Contract Provisions in all other agreements it enters into with third parties, pertaining to, referencing or otherwise related to the activities regarding the subject matter of this Agreement.

3.20 Force Majeure

Neither County nor Licensee shall be deemed to be in breach of this Agreement if either is prevented from performing any of its obligations herein by a Force Majeure Event.

3.21 Headings

The headings of the Articles and Sections of this Agreement are inserted only as a matter of convenience and for reference, and do not define or limit the scope or intent of any provisions of this Agreement, and shall not be construed to affect in any manner the terms and provisions hereof or the interpretation or construction thereof.

3.22 Indemnification of County

To the fullest extent permitted by law, Licensee shall indemnify, defend, and hold harmless County, its governing Board, officers, directors, officials, employees, and authorized volunteers and agents, (collectively "Indemnified Parties"), from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "Claims"), including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including, without limitation, employees of either party hereto, and damage to or destruction of property or loss of use thereof, including, but not limited to, the property of either party hereto, arising out of, pertaining to, or resulting from the acts or omissions of the Licensee, its officers, employees, or agents, or the acts or omissions of anyone else directly or indirectly acting on behalf of the Licensee, or for which the Licensee is legally liable under law excepting only such injury, death, or damage, to the extent it is caused by the negligence or willful misconduct of an Indemnified party. Licensee shall not be liable for any Claims arising from the negligence or willful misconduct of an Indemnified party.

Nothing in this Indemnity shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

Licensee shall also indemnify the County as provided for in Exhibit E – Indemnity Agreement, which is attached hereto and incorporated herein by reference as if set forth in full.

The provisions of this Indemnity shall survive the expiration or termination of the Agreement.

3.23 Independent Contractor

Licensee is not an employee or agent of County by reason of this Agreement, or otherwise. Licensee shall be solely responsible for its acts and omissions arising from or relating to its operations or activities at Airport, or License of property herein.

3.24 Industrial Waste Disposal

All disposal of storm, sanitary sewage and industrial waste shall be in accordance with the Humboldt County Regional Sanitation District, the National Pollutant Discharge Elimination System (“NPDES”) and all federal, State and local laws. Licensee shall comply with all applicable federal and State regulations governing the NPDES, including, without limitation, all future amendments of said regulations, and procedures as may be adopted by federal, State or local agencies.

3.25 Interpretation of Agreement

Nothing herein contained shall be construed or interpreted, in any manner whatsoever, as limiting, relinquishing, or waiving any of the rights of ownership enjoyed by County in and to Airport property, or in any manner waiving or limiting County’s control over the operation and maintenance of the Airport property or in derogation of such governmental rights as County possesses, except as is specifically provided for herein.

3.26 Invalid Provisions

In the event of any covenant, condition or provision of this Agreement or the application thereof to any person, entity, or circumstances, shall to any extent be held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, covenants, conditions or provisions of this Agreement, or the application thereof to any person, entity, or circumstance, shall remain in full force and effect and shall in no way be affected, impaired or invalidated, provided that such invalidity, voiding or unenforceability of such covenant, condition or provision does not materially prejudice either party in its respective rights and obligations contained in the then remaining valid covenants, conditions or provisions of this Agreement.

3.27 Licenses and Permits

Licensee shall obtain, at its sole cost and expense, all necessary licenses and permits required for construction or installation of equipment on the Licensed Premises, and any other licenses or permits necessary for the conduct of Licensee’s operations at Airport.

3.28 Negation of Partnership

Nothing in this Agreement shall be construed to render County in any way or for any purpose, a partner, joint venture, or associate in any relationship with Licensee other than that of licensor and licensee, nor shall this Agreement be construed to authorize either County or Licensee to act as agent for the other.

3.29 Nondiscrimination

Licensee, for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree that:

- a) No person on the grounds of race, color, creed, national origin, sex, age or disability shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of Licensee's facilities pursuant to its operations hereunder;
- b) In the furnishing of services on Airport, no person on the grounds of race, color, creed, national origin, sex, age or disability shall be excluded from participation in, denied the benefit of, or otherwise be subjected to discrimination; and
- c) Licensee shall use Airport in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as such Regulations may be amended.
- d) Licensee shall not discriminate against any individual on the grounds of disability, nor in any way prevent disabled individuals from the full enjoyment of goods, services, facilities, privileges, or accommodations in violation of the ADA and its implementing regulations, 28 C.F.R. pt. 36 at the Rumble Over the Redwoods Airshow.

3.30 Nonexclusive Rights

Nothing herein shall be construed to grant or authorize the granting of any exclusive right or privilege within the meaning of Section 308 of the Federal Aviation Act for the conduct of any activity on the Airport. Provided, however, subject to the terms and provisions of this Agreement, Licensee shall have the right to exclusive possession of the Licensed Premises described by Section 2.02.

3.31 Nonwaiver of Rights

No failure by County to insist upon the strict performance of any covenant, term or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial fees, charges, or other required payments during the continuance of any such breach, shall constitute a waiver of any breach or of such covenant, term or condition.

No receipt of monies by County from Licensee after the termination of this Agreement, or after the giving of any notice of termination of this Agreement,

unless such receipt cures the event of default, which was the basis for the notice, shall reinstate, continue or extend the Term or effect any notice theretofore given to Licensee, or operate as a waiver of the right of County to enforce the payment of any applicable fees, charges, or other required payments payable by Licensee hereunder or thereafter falling due.

3.32 Notice of Claims and Suit

Licensee shall give the County prompt and timely written notice of any personal injury or other accident claims and of any lawsuit coming to its knowledge when either such claim or lawsuit arises out of or is in any way connected with the operations of Licensee herein, or the construction or operation of Airport by County, which in any way, directly, indirectly, contingently or otherwise, might reasonably affect the parties' relationship under this Agreement.

Such notice shall be deemed prompt and timely if given within thirty (30) calendar days following the date of receipt of such claim by an officer, agent, or employee of Licensee, and if given within ten (10) calendar days following the date of service of process upon Licensee with respect to any such lawsuit.

3.33 No Warranty

County does not warrant that the Airport will continue to be used as an airport during the Term of this Agreement. In the event that such airport use is terminated, whether temporarily or permanently, Licensee shall neither claim, nor have entitlement to, any damages whatsoever from County under this Agreement.

3.34 Nuisance and Waste

Licensee for itself and its officers, representatives, agents, employees, guests, patrons, contractors, subcontractors, licensees, subtenants, invitees, and suppliers shall not erect, nor permit to be erected, any nuisance on the Licensed Premises, nor permit any waste thereon.

3.35 Peaceable Use and Enjoyment

Licensee shall, subject to performance and compliance by Licensee of the covenants, conditions and permits on the part of Licensee to be performed and complied with herein, peaceably have and enjoy the rights, uses and privileges of the Airport, its appurtenances and facilities as granted hereby and by the Airport Rules and Regulations.

3.36 Prohibition of Liens

Licensee shall pay promptly, as due, all persons supplying labor and materials for any alteration of, or improvement to, the Licensed Premises, and shall permit no lien or claim to be filed or prosecuted against County on account of such labor and materials furnished.

3.37 Removal of Licensee's Property

If Licensee is not in default as to the payment of any applicable fees, charges, or other required payments to County herein, Licensee may remove its inventory, Trade Fixtures, and furnishings, but not including any Improvements, from the

Licensed Premises upon expiration or earlier termination of this Agreement. If Licensee does not elect, or otherwise fails to remove the same, or any part thereof, within thirty (30) days following County's regaining possession of the Licensed Premises, County may, at its option, either require such removal at Licensee's sole cost and expense, or keep such property, in which latter event, title to the same shall vest in County without any obligation to pay Licensee with respect thereto.

3.38 Reports

Licensee shall provide County with any reasonable statistical reports including, without limitation, attendance reports inclusive of attendance data from those residing outside of Humboldt County, customer satisfaction reports, and any other report which the Director may from time-to-time request by written notice to Licensee, to the extent such reports exist.

3.39 Restrictions and Regulations

This Agreement, and the rights herein granted, shall be subject to any and all applicable local, federal, State, and County rules, regulations, orders and restrictions which are now in force or which may hereafter be adopted by any duly authorized governmental agency with respect to Licensee's operation at Airport.

3.40 Right of Entry

Upon at least two (2) business days' written notice, except in the case of an emergency, Director shall have the right, throughout the Term of this Agreement, to enter the Licensed Premises for any lawful purpose not inconsistent with the terms and conditions of this Agreement, including, without limitation, the purpose of determining whether Licensee is complying with its obligations herein. In connection with any such entry, County shall not unreasonably interfere with the use and occupancy of the Licensed Premises by Licensee and its subtenants. Such entry by County shall not be deemed to excuse Licensee's performance of any promise, term, condition, or covenant required of it by this Agreement, and shall not be deemed to constitute waiver thereof by County.

3.41 Risk Reduction

Licensee shall neither use nor permit the use of the Licensed Premises in such a manner as to increase the County's exposure, which would affect the insurance premiums thereon in excess of that in existence at the commencement of the Term hereof.

3.42 Security

It is the responsibility of Licensee, at the direction of the Director, to maintain security of the entire Licensed Premises during the event. Consistent with Airport's Rules and Regulations, as may be amended from time to time throughout the Agreement Term, Licensee shall be responsible for the conduct and actions of Licensee's employees, subtenants, contract employees or other personnel conducting business on the Airport.

3.43 Signs

Licensee shall not erect, maintain, or display any Sign on the Licensed Premises, or elsewhere at Airport, without the prior written consent of the Director. Licensee shall submit drawings, sketches, designs, and dimensions of such signs to the Director when requesting such approval. All such Signs shall be consistent with County's general Sign policy for Airport. Any condition, restriction, or limitation as to use or appearance of such Signs as may be stated by the Director in writing shall become a part of this Agreement, as if specifically set forth herein.

3.44 Statement Regarding a Certified Access Specialist

Pursuant to California Civil Code Section 1938, the County states that the Licensed Premises:

- Have not undergone an inspection by a Certified Access Specialist (CASp).
- Have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Licensed Premises met all applicable construction-related accessibility standards and a disability access inspection certificate has been issued pursuant to California Civil Code §55.51 et seq.
- Have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Licensed Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq.

A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law.

Although state law does not require a CASp inspection of the subject premises, the commercial property owner or licensor may not prohibit the Licensee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the Licensee or tenant, if requested by the Licensee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

3.45 Successors and Assigns

The provisions of this Agreement shall be binding upon and inure to the benefit of the respective successors, assigns, heirs, and personal representatives of the parties hereto.

3.46 Surrender of Licensed Premises

County is not required to give Licensee any notice to quit possession of the Licensed Premises upon expiration or earlier termination of this Agreement. Licensee shall peaceably surrender possession of the Licensed Premises upon

expiration or earlier termination of this Agreement in substantially as good order and condition as when received, excepting reasonable wear, destruction by lightning or other natural causes, or fire not caused by the acts or omissions of Licensee, its officers, agents, employees, subcontractors, customers, invitees, or other persons doing business with Licensee or on the Licensed Premises with the consent of Licensee.

3.47 Taxes

Licensee shall, at its sole cost and expense, pay any and all taxes for which it is responsible, or which may be assessed against it.

A. Possessory Interest and Property Taxation

Under this Agreement a possessory interest subject to property taxation may be created. Pursuant to California Revenue and Taxation Code Section 107.6 and California Government Code Section 53340.1, notice is hereby given that such possessory interest may be subject to property taxation and special taxation pursuant to Chapter 25, Division 2 of the California Government Code (Mello-Roos Community Facilities Act of 1982), and that the party in whom the possessory interest is vested may be subject to the payment of property taxes and special taxes levied on such interest. Licensee shall pay any and all taxes, assessments, and other charges of whatsoever character that may be levied or charged upon Licensee's interest as herein may be created, improvements, operations, or right to use of the Licensee's Licensed Premises.

B. Right to Contest Taxes

Licensee shall have the right to contest in its own name, or, to the extent reasonably necessary, in County's name, in good faith and by all appropriate proceedings, the amount, applicability, or validity of any tax assessment pertaining to the surface of Airport property and Licensee's operations thereon.

In the event Licensee initiates such contest, County shall reasonably cooperate with Licensee, provided that such contest will not subject any part of the surface of Airport property to forfeiture or loss; and provided, further, that if Licensee contests any assessment made by the Assessor of County, such contest shall not be initiated in the name of County, and County shall not be obligated to cooperate therewith. If at any time payment of any tax or assessment becomes necessary to prevent any forfeiture or loss, Licensee shall timely pay such tax or assessment to prevent such forfeiture or loss.

3.48 Time is of the Essence

Time shall be of the essence in complying with the terms, conditions and provisions of this Agreement.

3.49 Title to Licensed Premises Improvements

Title to all Licensed Premises Improvements made by Licensee shall at all times during the Term remain in Licensee. Upon expiration or sooner termination of this Agreement, title to all such Licensed Premises Improvements shall, at the written election of the Director, vest in the County without payment of any further consideration to Licensee; except that in lieu of taking title to such Licensed Premises Improvements, the Director shall have the option to require Licensee to remove any or all of such Licensed Premises Improvements, at Licensee's sole cost, within sixty (60) days after such expiration or termination. Director shall exercise the County's option to require Licensee to remove any or all of such Improvements, at Licensee's sole cost, by providing notice to Licensee within sixty (60) days of expiration of this Agreement. In the event of sooner termination pursuant to this Agreement, said exercise of such option shall not be required and Director may designate the disposition of the improvements.

3.50 Title to the Licensed Premises

Title to the Licensed Premises is and shall remain vested in the County.

3.51 Trash and Garbage

Licensee, at its sole cost and expense, shall provide a complete and proper arrangement for the adequate sanitary handling and disposal away from the Airport of all other trash, garbage, and other refuse resulting from, or in any way associated with, Licensee's operations herein.

3.52 Vehicular and Equipment Parking

Vehicular and equipment parking in areas other than the Licensed Premises by Licensee, its officers, representatives, agents, employees, guests, patrons, volunteers, contractors, subcontractors, licensees, suppliers or other invitees shall be restricted to such areas at Airport as are designated by the Director. Parking in areas other than Licensed Premises shall be subject to the payment of such parking fees and charges, as well as any time limitation or other legal restriction, which may from time to time be in effect for such designated areas.

3.53 Nuclear-Free Humboldt County Ordinance Compliance

By executing this Agreement, Licensee certifies that it is not a Nuclear Weapons Contractor, in that Licensee is not knowingly or intentionally engaged in the research, development, production or testing of nuclear warheads, nuclear weapons systems or nuclear weapons components as defined by the Nuclear-Free Humboldt County Ordinance. Licensee hereby agrees to notify County immediately if it becomes a Nuclear Weapons Contractor as defined above. County may immediately terminate this Agreement if it determines that the foregoing certification is false or if Licensee subsequently becomes a Nuclear Weapons Contractor.
