Please approve the plans for Life Plan Humboldt. I am a senior living in a house that would be better suited to a family. I am staying in my home because there are few other options for a nice place to live. There are many seniors in my neighborhood living in their family home because they little choice.

Life Plan Humboldt sounds like a great option for seniors of many incomes, and would free up homes for families.

To whom it may concern:

Please do what you can to facilitate the Life Plan Humboldt project *Humboldt Commons*, this county needs this facility ASAP.
