PLEASE WRITE A BRIEF STATEMENT DESCRIBING WHY YOU'RE INTERESTED IN SERVING ON THE McKinleyville Municipal Advisory Committee (MMAC).

As a Humboldt Native—both a citizen of the Yurok Tribe and a lifelong resident—it has always been interesting to observe how each community in the County defines itself. From the time my grandparents lived here, McKinleyville has been known as both a "horse town" and a bedroom community. While these identities hold true today, population and business growth is adding new dimensions to its identity. Now that I have purchased a home and raised my daughter here, finding a way to ensure that both longtime and newer community members all feel a sense of belonging is my top priority.

Part of holding space for community growth involves identifying ways for residents to feel heard in public forums. The MMAC has gotten a lot of attendance recently despite its very specific scope. The MMAC is arguably the most visible body that residents turn to for direction on a variety of issues, so when relevant matters come up (such as the Town Center discussion) I am interested in using my public engagement skills and project management skills to ensure these members feel heard and that the Board of Supervisors can feel confident that policies reflect community needs.

Thank you for your consideration.

PLEASE ATTACH A CURRENT RESUME.
