Defunding of Humboldt County;  
This is based upon "Public Perception"

How; President Trump/Musk/Senate/Congress

Why; We are in California.

- We are a Sanctuary County.

- We have the worst ACES Scores in the Country.

- We have the highest # of Drug dealers, Money Launderers, and Sex traffickers per population in the Country.

- We have a "Horse Thief" with no moral compass, Who turns over indigenouness Children to sex traffickers controlling approx. ½ the County Budget.

- We are perceived to "Cook the Books" regarding DHHS expenditures. \$ from "Fat Grants" used to cover lack of \$ in "Skinny Grants".

- We do not follow the requirements of ICWA.

- We are part of the California Offshore Windmill project.

We disrespected President McKinley. The 25<sup>th</sup> President is perceived to be President Trumps Mentor.  
(Google President McKinley/Tariffs)

Mike Wilson pissed-off Elon Musk.  
This is more than three strikes...
