**4. ADDITIONAL TERMS AND CONDITIONS**

**4.1 Emergency Calling/E911**

**4.1.1. Emergency Calling from Canada.** Country-specific 911 and E911 service advisories and limitations are found at this link and apply the Solution -- <https://www.corp.att.com/worldwide/att-you-Canada/>. By signing this Pricing Schedule, Customer acknowledges that it has read and understands and agrees to abide by such advisories and limitations.

**4.2. Additional Terms**

**4.2.1.** The Solution includes services and Software provided directly to Customer by Cisco (Vendor) under the terms of the separate agreement identified above. Customer execution of this Pricing Schedule is an agreement by Customer to comply with such separate agreement. AT&T will pass through to Customer warranties available from the Vendor. Vendor, not AT&T, is responsible for any warranty terms and commitments.

**4.2.2.** AT&T has no defense, settlement, or indemnification obligations to Customer, Customer Affiliate, User or Customer personnel arising from the actual or alleged infringement or misappropriation of intellectual property by or in connection with the use of the Solution, Software, or Professional Services provided under this Pricing Schedule.

This Pricing Schedule is part of the Agreement between AT&T and Customer referenced above.

Customer acknowledges that emergency calling (e.g., E911 or its equivalent outside the United States) may not be available with the Solution. If Customer has not provisioned PSTN access, emergency calling will not be available. If Customer provisions PSTN access, emergency calling may be limited if: a User's CPE is relocated; 911 is dialed from a location other than the Registered Location; an underlying broadband or WAN connection, or data service or application riding on the connection, is terminated, disrupted or impaired; electrical or battery power is lost; a Registered Location is not updated timely; a non-native telephone number is used; or the device is located outside of the United States, Puerto Rico, U.S. Virgin Islands, Guam, CNMI or American Samoa.
