Caution: This email was sent from an EXTERNAL source. Please take care when clicking links or opening attachments.

Hello Steven,

Please see the comment below regarding the referenced project -

Project Name: 4 Wheel Properties
APN(s): 210-054-008, 210-062-007, and 210-071-001

CDFW Comments:

1. The proposed pond has the potential to provide habitat for the American bullfrog (*Lithobates catesbeianus*). CDFW recommends, as a condition of project approval, that the applicant prepare and submit a Bullfrog Management Plan to CDFW, and implement the approved plan post pond construction, to address the mitigate the spread of the invasive bullfrog population.

To effectively disrupt the American bullfrog's life cycle and reduce reproduction, CDFW recommends including a drain in pond design plans. This drain, typically located at the base of the constructed dam's fill face, enables seasonal drainage of the entire pond.

Here is a link to the THP documents for Erik Sordal's property:

Eureka, CA 95501
E-mail: PlanningClerk@co.humboldt.ca.us Fax: (707) 268-3792

We have reviewed the above application and recommend the following:

Conditional Approval

Comments:

DEH recommends approval with the following condition:

Prior to reissuance of annual permit **provide an invoice, or equivalent documentation to DEH** to confirm the continual use of portable toilets or provide an approved means of sewage disposal to serve the needs of the cultivation staff.

*This review and recommendation is for the Land Use aspects of the planning project and does not include or imply compliance with all DEH programs. Although DEH recommends the approval of the Planning project, Solid Waste and HazMat Program requirements need to be addressed directly with staff from those programs.

Response Date: 5/18/2018 Recommendation By: Joey Whittlesey
