REQUEST FORM

Address of Affected Property: 6000 ELK RIV. RD. Eureka, CA 95503

Assessor's Parcel Number: 304 211-011

To: Humboldt County Code Enforcement Unit
3015 H Street
Eureka California, 95501

Pursuant to Humboldt County Code Section 352-9, I am requesting a hearing to contest the Humboldt County Code Enforcement Unit's determination that a violation has occurred or exists on the above-referenced property and/or the amount of the proposed administrative civil penalty.

[Brief statement setting forth the interest that the requesting party has in the Code Enforcement Unit's determination that a violation has occurred or exists on the affected property]: 371-2, definition of Debris, 331-28 no plumbing or electrical on property, 331-14 road grading was done w/ permit no. not for my parcel. 314-61.1 no development & its not a streamside Mgt Area. I maintain no permit needed.

[Brief statement of the material facts that the requesting party claims support the contention that a violation has not occurred, and/or does not exist, on the affected property, if applicable]: as early as mid 1950's the willows were harvested as firewood. we drove tractors thru there to harvest it, after a new house was built & not gas was more used the trees got cut & land periodically we sawed them down or pulled them out. Recently after the Dowsy ceased operation & the monure & master was cut off on

[Brief statement of the material facts that the requesting party claims support the contention that the amount of the proposed administrative civil penalty is inappropriate under the circumstances, if applicable]: I believe the \$ amount of penalty is excessive. What is it based on & how can I find out the computation of this amount?

These trees ceased to be controlled & become top heavy & were being blown over wrecking fencing, covering the road to the well & the equipment winter parking area. I pushed out almost all of the trees except in the "Pork" area in order to defend & pasture my livestock. I intend to plant some new trees around the "Pork area" to provide shade & ombiance & promptly remove old top heavy & dangerous trees.

[Address at which the requesting party agrees to accept service of any additional notices or documents relating to the Code Enforcement Unit's determination that a violation has occurred or exists on the affected property and/or the amount of the proposed administrative penalty]:
