STRATEGIC PLAN:

DISCUSSION:

The Humboldt County Sheriff Department's Boating Unit has kept a boat at the Woodley Island Marina since 2015. The Boating Safety Program is responsible for activities such as enforcement of state and local boating regulations, inspection of vessels, as well as search and rescue operations. The Marina is operated by the Humboldt Bay Harbor, Recreation and Conservation District. The Sheriff's Department is requesting approval to renew the rental of their slip. The rental sum total for the year is \$4,122. As stated in the Humboldt Bay Harbor, Recreation and Conservation District's Rental Agreement, "payment of advance monthly payments shall remain at all times a month-to-month tenancy."

A waiver of the Nuclear Free Ordinance is requested as the Humboldt Bay Harbor, Recreation and Conservation District's berthing permit and rental agreement does not contain the Nuclear Free Ordinance language.

This agreement comes before your Board after the start of the term due to inadvertent delays in receiving and finalizing the berthing permit and rental agreement.

Accordingly, staff recommends that the Board approve, and authorize the Chair of the Board to execute the attached berthing permit and rental agreement with the Humboldt Bay Harbor, Recreation and Conservation District regarding the use of moorage space located at the Woodley Island Marina for the period of July 1, 2024, through June 30, 2025.
