DISCUSSION:

The Child Abuse Prevention Coordinating Council (CAPCC) would like to update the Board with their annual report presentation. CAPCC of Humboldt County is a broad-based nonprofit advocacy organization that works to eliminate child abuse and neglect in our community through (1) striving to assure coordinated services and policies for the prevention, intervention and treatment of child abuse among agencies and organizations, (2) actively promoting and supporting high-quality programs that successfully reduce child abuse and neglect and (3) increasing public awareness of resources to help prevent child abuse and decrease family stress.

The Board of Supervisors would also like to recognize the many community agencies that provide valuable services to raise awareness and prevent child abuse in our community and proclaim April 2019 as Child Abuse Prevention and Awareness Month.
