DISCUSSION:

The Humboldt County Department of Health and Human Services – Mental Health has contracted with Transitional Residential Treatment Facilities (TRTF), Inc. since prior to 1992 to provide local transitional living services for mental health clients. This program serves chronically mentally ill adults and allows for transition from inpatient care to outpatient care and ultimately to independent living. TRTF operates one six-bed short-term residential treatment facility (Meridian), one six-bed adult residential care home (Hestia), and twenty-five Satellite beds. The facilities are co-ed and serve ambulatory clients aged 18 to 59.

The Satellite program is the final step before independent living. Here clients are responsible for all aspects of daily life. Staff meets with residents of the Satellite facilities on a weekly basis to facilitate house meetings and help resolve any problems that may arise from communal living.

The DHHS-Mental Health requests the Board to approve this Agreement between Humboldt County and Transitional Residential Treatment Facilities, Inc. (TRTF) for Fiscal Year 2013-2014.

FINANCIAL IMPACT:

The maximum value of this Agreement for the one year term period is not to exceed a total of Three Hundred Seventy-Four Thousand, Seven Hundred Thirty Dollars (\$374,730). Fiscal Year 2012-13 expenditures are \$395,252. TRTF contract expenditure has been included in the adopted budget for FY 2013-14, DHHS- Mental Health Adult Services budget unit 1170-496. Total contract value includes \$323,422 for licensed beds, and \$51,308 for unlicensed satellite beds. Source of funding for these expenditures is State Realignment and Mental Health Services Act (MHSA) revenue. There is no impact to County General Fund.

This Agreement supports the Board’s Strategic Framework by protecting vulnerable populations, supporting self reliance of citizens and improving the safety and health of our communities.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board can choose not to approve this Agreement; however the DHHS – Mental Health does not recommend this alternative. These placements are a cost effective alternative to locked placements and placement out of county. The transitional component offers clients the ability to become self sufficient through eventual development of permanent housing opportunity with assistance from the DHHS-Mental Health staff.

In no event shall any payment by COUNTY constitute a waiver of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR. Neither shall such payment impair or prejudice any remedy available to COUNTY with respect to the breach or default. COUNTY shall have the right to demand of the CONTRACTOR the repayment of any funds disbursed to the CONTRACTOR under this Agreement, which in the judgment of COUNTY were not expended in accordance with the terms of this Agreement. 13. SUBCONTRACTING:

CONTRACTOR shall not subcontract for any services without prior written approval of COUNTY.

14. RELATIONSHIP OF PARTIES:

It is understood that this is an Agreement by and between two independent contractors and is not intended to, and shall not be construed to, create the relationship of agents, servant, employee, partnership, joint venture, or any other similar association. Both parties further agree that CONTRACTOR shall not be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, retirement benefits, worker's compensation and injury leave or other leave benefits.

15. NUCLEAR FREE HUMBOLDT COUNTY ORDINANCE COMPLIANCE:

CONTRACTOR certifies by its signature below that CONTRACTOR is not a Nuclear Weapons Contractor, in that CONTRACTOR is not knowingly or intentionally engaged in the research, development, production, or testing of nuclear warheads, nuclear weapons systems, or nuclear weapons components as defined by the Nuclear Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR becomes a Nuclear Weapons Contractor.

16. COMPLIANCE WITH LAWS:

CONTRACTOR agrees to comply with all applicable local, State and Federal laws and regulations, including but not limited to the Americans with Disabilities Act. Compliance with the Americans with Disabilities Act, includes, but is not limited to, the following areas:

- A. Whatever written information is provided regarding its programs will also be provided in alternate formats, including Braille, large print audio recording, and electronic formats, upon request.
- B. Enter into contracts or make other arrangements with qualified sign language and oral interpreters to ensure their availability when required for effective communication with persons who are deaf or hard of hearing. The type of aid that will be required for effective communication will depend on the individual's usual method of communication, and the nature, importance, and duration of the communication at issue. In many

circumstances, oral communication supplemented by gestures and visual aids, an exchange of written notes, use of a computer or typewriter, or use of an assistive listening device may be effective. In other circumstances, qualified sign language or oral interpreters are needed to communicate effectively with persons who are deaf or hard of hearing. The more lengthy, complex, and important the communication, the more likely it is that a qualified interpreter will be required for effective communication with a person whose primary means of communication is sign language or speech reading.

- C. If CONTRACTOR operates a hotline to take telephone calls of an emergency nature, the Contractor shall ensure that it provides equivalent service for persons who use TTY's including providing direct-connection service for TTY users with hotline operators, without requiring TTY users to call through a third party operator, such as through the State or local Telecommunication Relay procedures, and provide the training necessary to ensure effective communication by Hotline staff with direct-connection callers using TTY's, as well as the training necessary to respond to callers who use the Telecommunication Relay Services.
- D. Survey facilities used as shelters or designated as potential shelters – or for counseling, job training, education, clothing or household provisioning, or other aspects of programs- to ensure that adequate arrangements are available for potential clients and family members with disabilities,

including adults and children who have mobility impairments, who are blind or have low vision, and who are deaf or hard of hearing.

- E. Have written procedures and modify, as appropriate, eligibility criteria, to ensure that no person with a disability is turned away from a shelter or otherwise denied the opportunity to benefit from the services of CONTRACTOR'S program on the basis of disability.
- F. Have written procedures to ensure that persons with disabilities who use service animals are not denied or discouraged from participating in CONTRACTOR'S program, are able to be housed and served in an integrated environment, and are not separated from their service animals while participating in the program even if pets are normally not permitted in the facilities where such programs are conducted. The procedures will not unnecessarily segregate persons who use service animals from others but may take into account the potential presence of persons who, for safety or health reasons, should not be in contact with certain types of animals.
- G. Have written procedures to ensure that reasonable modifications are made to the CONTRACTOR'S program when necessary for a client or family member with a disability to participate in such programs, unless doing so would fundamentally alter the nature of the program.
- H. Have written policies to ensure that despite any "drug-free" policy of the CONTRACTOR'S program, persons with disabilities who use medication prescribed for their use are able to continue using such medication while participating in such Programs or being housed in a shelter.

CONTRACTOR agrees that all professional level persons employed by CONTRACTOR have met applicable professional licensure requirements pursuant to the Welfare and Institutions and Business and Professions Codes.

CONTRACTOR further agrees to comply with any applicable Federal, State or local licensing standards, any applicable accrediting standards and any other applicable standards or criteria established locally or by the State or Federal governments.

17. VENUE AND APPLICABLE LAW:

This Agreement shall be construed in accordance with the laws of the State of California. Any dispute arising hereunder or relating to this Agreement shall be litigated in the State of California and venue shall lie in the County of Humboldt unless transferred by court order pursuant to Code of Civil Procedure Sections 394 and 395.

18. REFERENCE TO LAWS AND RULES:

In the event any law, regulation or policy referred to in this Agreement is amended during the term hereof, the parties agree to comply with the amended provision as of the effective date of such amendment.

19. NONDISCRIMINATION:

A. Consistent with the requirements of applicable Federal or State law, CONTRACTOR will not engage in any unlawful discriminatory practices in the admission of patients, assignments of accommodations, treatment, evaluation, employment of personnel, or in any other respect on the basis of race, religion or religious creed, color, age (over 40), sex (including

gender identity and expression, pregnancy, childbirth and related medical conditions), sexual orientation (including heterosexuality, homosexuality and bisexuality), national origin, ancestry, marital status, medical condition (including cancer and genetic characteristics) mental or physical disability (including HIV status and AIDS), military service, or any other classifications protected by federal, state, or local laws or ordinances.

- B. During the performance of this Agreement, CONTRACTOR and its subcontractors will not unlawfully discriminate against any employee or applicant for employment because of race, religion or religious creed, color, age (over 40), sex (including gender identity and expression, pregnancy, childbirth and related medical conditions), sexual orientation (including heterosexuality, homosexuality and bisexuality), national origin, ancestry, marital status, medical condition (including cancer and genetic characteristics) mental or physical disability (including HIV status and AIDS), military service, or any other classifications protected by federal, state, or local laws or ordinances. This policy does not require the employment of unqualified persons. CONTRACTOR and its subcontractors will comply with the Disabilities Act of 1990, the Fair Employment and Housing Act (Government Code, Section 12900 et seq.) and the applicable regulations promulgated thereunder (Title 2, CCR, Section 7285 et seq.). CONTRACTOR will ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. The applicable regulations of the Fair Employment

and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5, Division 4 of Title 2, CCR, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. CONTRACTOR and its subcontractors will give written notice of their obligation under this clause to labor organizations with which they have a collective bargaining or other agreement.

C. CONTRACTOR will comply with the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, pertaining to the prohibition of discrimination against qualified handicapped persons in all federally assisted programs or activities, as detailed in regulations signed by the Secretary of Health and Welfare Agency, effective June 2, 1977, and found in the Federal Register, Volume 42, No. 86, dated May 4, 1977.

D. CONTRACTOR will include the nondiscrimination and compliance provisions of this Agreement in all subcontracts to perform work under this Agreement.

20. RECORDS:

CONTRACTOR shall maintain statistical, clinical and financial records in the manner provided by the State Health and Welfare Agency and make such records available to COUNTY as required by the DHHS-Mental Health Director, and the California State Health and Welfare Agency.

A. Fiscal Records -- if applicable, CONTRACTOR shall maintain accurate records of its costs and operating expenses. Such records of costs, expenditures and reimbursements shall be maintained for at least five (5)

21. CONFIDENTIALITY OF RECORDS:

In the performance of this Agreement, CONTRACTOR may receive confidential information. 31. COST REPORT:

CONTRACTOR shall submit an unaudited end of the fiscal year final cost report summarizing all costs incurred providing services for COUNTY-linked patients during the fiscal year. This will occur no later than ninety (90) days following the close of the fiscal year. Final Cost Report shall meet the specifications of the mandated cost reporting requirements of COUNTY, pertaining to that fiscal year.

If so directed by the DHHS-Mental Health Director, CONTRACTOR shall, determine clients share of cost using the State's Uniform Method of Determining the Ability to Pay, relaying to COUNTY the results of such determination. This shall be done any time there is a demonstrable change in patient/clients financial status but no less than annually. CONTRACTOR avers that inability to pay shall be no bar to CONTRACTOR's services. However, CONTRACTOR further agrees that unwillingness to pay may bar services (except in emergencies) following consultation with COUNTY. COUNTY agrees to provide training in the determination of ability to pay.

33. AMENDMENT:

This Agreement may be amended at any time during the term of this Agreement upon the written mutual consent of both parties.

- B. The final admission decision shall rest with CONTRACTOR.
- C. If admission is denied, the DHHS-Mental Health Director or designee shall be immediately notified and shall be informed of the reasons leading to the denial.
- D. Policies and procedures for admission shall be written by CONTRACTOR
