

# **COUNTY OF HUMBOLDT**

AGENDA ITEM NO.

For the meeting of: May 24, 2016

Date:

May 6, 2016

To:

Board of Supervisors

From:

Connie Beck, Director()

Department of Health and Human Services (DHHS)-Mental Health

Subject:

Mental Health Charge Rate Schedule

#### RECOMMENDATION(S):

That the Board of Supervisors:

Approve and adopt the attached charge rate schedule for the Department of Health and Human Services – Mental Health (Attachment I) as required by the State Department of Health Care Services. This schedule shall be effective January 1, 2016 until amended.

### SOURCE OF FUNDING:

Mental Health Fund

#### DISCUSSION:

Medi-Cal and Medicare regulations require the establishment of fees for services based on ability to pay, but not to exceed the actual costs incurred, as well as to ensure that a uniform rate is established for government and private payers. It also requires entities that receive this funding to establish systems for eligibility determination, billing, and collection. Both of these regulatory funding sources make payment to DHHS Mental Health based on interim rates, which are ultimately settled to cost in the cost report and audit processes.

Board Order NoC-8		and carried by those members present, the Board hereby approves the recommended action contained in this Board report.
Meeting of: 6/16/2015		
		Dated: May 24, 2016 1 11
		By:
		Kathy Hayes, Clerk of the Board

The Mental Health charge rates for Specialty Mental Health Services are based on the estimated and historical cost per unit of providing services to clients. Billing rates are further governed by Certified Public Expenditure (CPE) and the Uniform Method of Determining Ability to Pay (UMDAP) Schedule (Attachment II) for the billing of clients.

DHHS Mental Health has conducted a financial review of the impact of staffing costs, including salary and benefit costs and operating expense costs, professional & special services and medication costs. These costs have been compared to units of service for the provision of Specialty Mental Health services. Significant changes that have impacted cost per unit in this rate setting period include the implementation of an electronic health record and a restructure of DHHS-Mental Health medical staffing components.

In order to establish an interim rate for reimbursement, the State Department of Health Care Services (DHCS) requires that County mental health plans publish a schedule of usual and customary charges. Midyear financial review supports this request to amend current rates for Mental Health Services from \$3.60 per minute to \$3.78 per minute; Case Management/Brokerage from \$3.03 per minute to \$3.33 per minute; Medication Support Services from \$5.23 per minute to \$7.06 per minute and Crisis Stabilization from \$99.27 per hour to \$119.12 per hour. Rates will remain unchanged for Crisis Intervention at \$4.78 per minute and Inpatient bed day at \$1,485.75 per day.

The charge schedule does not affect the financial liability of clients. Persons receiving mental health services who are not covered by Medi-Cal and Medicare, are billed according to a sliding scale based on ability to pay (UMDAP), issued by the State Department of Mental Health.

#### FINANCIAL IMPACT:

This rate adjustment will support the per unit cost reimbursement of providing Specialty Mental Health Services. The proposed updated charge schedule will enable DHHS – Mental Health to be in compliance with Medi-Cal and Medicare requirements and to maximize revenues from Medicaid and Medicare. It is projected that with this rate adjustment DHHS-Mental Health will increase Medicaid Federal Financial Participation (FFP) revenues for FY 2015-16 by \$330,000.

Following FY 2015-16 mid-year financial review, DHHS-Mental Health financial services staff have conducted an evaluation of projected costs per unit of service in order to make a recommendation to modify rate schedule effective January 1, 2016. It is due to the time required for this evaluation that DHHS – Mental Health comes to the Board of Supervisors at this time with 2016 charge rate schedule.

This action will support the County of Humboldt strategic framework by managing our resources to ensure sustainability of services and to seek outside funding sources to benefit Humboldt County needs.

#### OTHER AGENCY INVOLVEMENT:

None

#### ALTERNATIVES TO STAFF RECOMMENDATIONS:

**Board Discretion**
