I do not wish to speak at the meeting, but I would like my opinion recorded on the Allpoints Outdoor, Inc. appeal.

The Planning Commission did the right thing and its vote should be affirmed.

These "grandfathered" signs have been a terrible eyesore and negative advertisement for the County for many years. Nature has finally acted sensibly with respect to the Allpoints sign. The only way you could approve this sign is if you took seriously the old song, "So I'm my own grandpa."
