Recommended Conditions of Approval

APPROVAL OF THE TENTATIVE MAP IS CONDITIONED ON THE FOLLOWING TERMS AND REQUIREMENTS WHICH MUST BE SATISFIED BEFORE THE PARCEL MAP MAY BE RECORDED:

Conditions of Approval:

1. All taxes to which the property is subject shall be paid in full if payable, or secured if not yet payable, to the satisfaction of the County Tax Collector's Office, and all special assessments on the property must be paid or reapportioned to the satisfaction of the affected assessment district. Please contact the Tax Collector's Office approximately three to four weeks prior to filing the parcel or final map to satisfy this condition. This requirement will be administered by the Department of Public Works.
2. The relevant conditions in the Department of Public Works referral responses dated **May 19, 2023 and March 15, 2024**, shall be completed or secured to the satisfaction of that department. Final signoff from the Department of Public Works will satisfy this condition. Prior to performing any work on the improvements, contact the Land Use Division of the Department of Public Works.
3. The Planning Division requires that two (2) copies of the Parcel Map be submitted for review and approval, said map to identify net and gross acreage for each parcel.
4. To better accommodate circulation and siting of future building sites, minor adjustments to the design of the tentative map (parcel boundaries, driveway & road locations, etc.) may be performed, subject to review and approval by the Planning Division and Public Works Land Use Division.
5. Prior to recordation of the Parcel Map, the applicant shall submit a letter from the Humboldt Community Services District indicating that the project conforms to its requirements dated **May 17, 2023**. This condition shall be administered by the Department of Public Works.
6. Prior to recordation of the Parcel Map, the applicant shall submit a letter from Humboldt Fire District No. 1 stating that the project meets their requirements. This condition shall be administered by the Department of Public Works.
7. Prior to recordation of the Parcel Map, the applicant shall submit a letter from Pacific Gas and Electric Company stating that the project meets their requirements. This condition shall be administered by the Department of Public Works.

8. The applicant shall reimburse the Planning Division for any processing costs that exceed the application deposit. The applicant is required to pay for permit processing on a time and material basis as set forth in the latest schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. The Department will provide a bill to the applicant after the decision and upon file close out. Any and all outstanding Planning fees to cover the processing of the application to decision by the Hearing Officer shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka.
9. Prior to recordation of the Parcel Map, the Applicant shall make payment for all outstanding Humboldt County Planning Department fees. A Cost report will be made available at the Humboldt County Planning Department.
10. A Condition & Mitigation Monitoring deposit as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$1000.00) shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka. This fee is a deposit, and if actual review costs exceed this amount, additional fees will be billed at the County's current burdened hourly rate. Please see Informational Note #1 below for suggestions to reduce the cost for this review.
11. The applicant shall submit at least three (3) copies of a Development Plan to the Planning Division for review and approval. The map shall be drawn to scale and give detailed specifications as to the development and improvement of the site, and shall include the following site development details:
 - A. Mapping
 - (1) Topography of the land in 1-foot contours.
 - (2) Proposed access, parking lanes and pedestrian ways
 - (3) Two (2) off-street parking spaces on both lots consistent with Section 314-109.1 Humboldt County Code.
 - (4) Building locations and easements
 - (5) Future on-site waste treatment locations

ON PROPOSED PARCEL 2

 - (6) The slope break (greater than 15%)
 - (7) Location of 50-foot wide no building or vegetation removal easement.
 - (8) The dripline of any riparian vegetation
 - (9) Delineation of the mapped areas of the property designated with Moderate Instability.

B. Notes to be Placed on the Development Plan:

- (1) "The project site is not located within an area where known cultural resources have been located. However, as there exists the possibility that undiscovered cultural resources may be encountered during construction activities, the following mitigation measures are required under state and federal law:
 - If suspected archaeological resources are encountered during the project: 1. Stop work within 100 feet of the find; 2. Call a professional archaeologist, the representatives from the Blue Lake Rancheria, Bear River Band of the Rohnerville Rancheria and the Wiyot Tribe, and the County Planning and Building Department; 3. The professional archaeologist, Tribes and County officials will coordinate and provide an assessment of the find and determine the significance and recommend next steps.
 - If human remains are encountered: 1. All work shall stop and per CA Health and Safety Code Section 7050.5: 2. Call the Humboldt County Coroner at (707) 445-7242; 3. The Coroner will determine if the remains are of prehistoric/historic Native American origin. If the remains are Native American Heritage Commission within 24 hours. 4. The NAHC is responsible under CA PRC 5097.98. (a) for identifying the most likely descendent (MLD) immediately and providing contact information. The MLD may, with the permission of the owner of the land, or his or her authorized representative, inspect the site of the discovery of the Native American human remains and may recommend to the owner or the person responsible for the excavation work means for treatment or disposition, with appropriate dignity, of the human remains and any associated grave goods. The descendants shall complete their inspection and make recommendations or preferences for treatment within 48 hours of being granted access to the site.
- (2) "Construction activities shall be restricted to hours between 7:00 a.m. and 6:00 p.m. Monday through Friday. All proposed uses must comply with the noise standards identified in Figure 3-2 of the General Plan."
- (3) LOW IMPACT DEVELOPMENT (LID) NOTE: This subdivision is approved as a small project and is required to comply with the County Code §337-13. Each lot within the subdivision is considered a small project. At the time of issuance of a building permit, the applicant shall demonstrate compliance with County Code §337-13.
- (4) All new development shall include the following mitigation measures:
 - 1) Not more than 25% of the lot surface shall be effectively impervious.
 - 2) The release rate of storm runoff to adjacent wetlands shall not exceed the natural rate of storm runoff for a 50-year storm of 10 minute duration.
 - 3) Storm water outfalls, culverts, gutters, and the like shall be dissipated.

- 4) Septic systems or alternative waste disposal systems must meet standards of the Humboldt-Del Norte Health Department and the Regional Water Quality Control Board.
 - 5) Areas disturbed during construction, grading, etc., within 100 feet of the mean high water line, shall be restored to original contours and sufficiently and promptly replanted with vegetation naturally occurring in the immediate area.
 - 6) Development and construction shall minimize cut and fill operations and erosion and sedimentation potentials through construction of temporary sediment basins, sediment basins, seeding or planting bare soil, diversion of runoff away from graded areas and areas heavily used during construction, and, when feasible, avoidance of grading during the rainy season (November through April).
- (5) To avoid impacts to vegetation and any sensitive wetland or riparian areas, no development shall occur within or north of the boundary of the 50-foot setback.
 - (6) Landscaping shall primarily utilize native plants appropriate to coastal northern California, which provide aesthetic and habitat values while requiring minimal watering and maintenance. Invasive species spread into adjacent natural areas and compete with native plants. Use of invasive plant species in landscaping is prohibited, if listed in the Cal-IPC Inventory of problematic species.
 - (7) If any future development is proposed within areas of the parcel designated with moderate instability, the property owner shall prepare and submit a R2 Soils Report for Planning Department review.
 - (8) “Please note that the information and requirements described and/or depicted on this Development Plan are current at the time of preparation but may be superseded or modified by changes to the laws and regulations governing development activities. Before commencing a development project, please contact the Planning Division to verify if any standards or requirements have changed.”
12. The applicant shall cause to be recorded a "Notice of Development Plan" on forms provided by the Humboldt County Community Development Services—Planning Division. Document review fees as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$460.00) will be required. The Development Plan shall also be noticed on the Final Map.
 13. A map revision fee as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$129.00 per parcel) as required by the County Assessor's Office shall be paid to the County Planning Division, 3015 H Street, Eureka. The check shall be made payable to the "Humboldt

contacted by the Coroner to determine appropriate treatment of the remains pursuant to PRC 5097.98. Violators shall be prosecuted in accordance with PRC Section 5097.99

The applicant and successors are ultimately responsible for ensuring compliance with this condition.

3. Under state planning and zoning law (CGC §66000 *et seq.*), a development project applicant who believes that a fee or other exaction imposed as a condition of project approval is excessive or inappropriately assessed may, within 90 days of the applicable date of the project's approval, file a written statement with the local agency stating the factual basis of their payment dispute. The applicant may then, within 180 days of the effective date of the fee's imposition, file an action against the local agency to set aside or adjust the challenged fee or exaction.
4. Approval of the tentative map shall expire and become null and void at the expiration of two (2) years after all appeal periods have lapsed (see Effective Date). This approval may be extended in accordance with the Humboldt County Code.
