APPEALS OF PLANNING COMMISSION ACTIONS

WHO MAY APPEAL?

County Ordinance and State Law provides the opportunity for the applicant or any other person who disagrees with the Planning Commission's decision to approve, conditionally approve, or deny a project, to appeal that decision to the Board of Supervisors.

WHAT CONSTITUTES A FORMAL APPEAL?

All appeals must be submitted in writing and must be accompanied by the fee established for appeals by the Board of Supervisors. The person filing the appeal shall state specifically why the decision of the Planning Commission is not in accord with the standards and regulations of the zoning ordinances, or why it is believed that there was an error or an abuse of discretion by the Planning Commission. A copy of the receipt can be used as proof of payment when filing with the Clerk of the Board.

WHAT IS THE FEE FOR FILING AN APPEAL?

The County's adopted schedule of fees and charges establishes fees for appeals of Planning Commission actions. Appeal fees include charges by other County departments (e.g., Division of Environmental Health or Public Works Land Use). If the appeal does not involve issues within the jurisdiction of a particular County department, it may be possible to reduce the appeal fee by the amount normally collected. This can be done by providing a written fee waiver authorization from that department with the appeal request. Please contact the Planning Division for updated fee information.

WHERE IS AN APPEAL FILED?

The appeal must be filed with the Planning Division at the Clark Complex, 3015 H Street, Eureka, CA 95501. However, for subdivisions and subdivision map extensions not involving property in the Coastal Zone, a copy of the appeal and proof of payment of the appeal fees must also be filed with the Clerk of the Board of Supervisors, in Room #111 of the Humboldt County Courthouse, 825 Fifth Street, Eureka, CA 95501.

HOW LONG DO I HAVE TO FILE AN APPEAL?

Subdivisions, discretionary permits and variances have different appeal filing periods and procedures under the law. Please refer to the back of this sheet for the specific ordinance requirements. The following information may be used for guidance.

Permit Type	Appeal Filing Period	Where To File
Subdivisions	10 calendar days	Planning Division and Clerk of the Board
Subdivision Map Extensions	15 calendar days (Appealable only if denied)	Planning Division and Clerk of the Board
Subdivisions in the Coastal Zone	10 calendar days	Planning Division only
Lot Line Adjustments	10 calendar days	Planning Division only
Permits and Variances In the Coastal Zone	10 working days	Planning Division only
Permits and Variances outside of the Coastal Zone (Inland Zoning)	10 working days	Planning Division

"Working Day" appeal periods begin the very next business day after the decision is made and end at 5:00 p.m. on the tenth (10th) business day counting sequentially (weekends and County-recognized holiday days are excluded as they are not normal working days).

"Calendar Day" appeal periods begin the very next day after the decision is made and end at 5:00 p.m. on the final appeal day by counting sequentially, unless the last day is a weekend or County-recognized holiday, then the appeal period would end on 5:00 p.m. the next business day following the weekend or County-recognized holiday.

WHAT IF THE "PROJECT" INVOLVES MULTIPLE PERMIT TYPES?

Different permit types have different appeal periods. If you wish to appeal a project as a whole, the most restrictive (i.e., shortest time period) appeal period must be used. If you wish to appeal a specific permit involved in the project, the appeal period for that specific permit must be followed. Failing to file an appeal in the correct timeframe can invalidate the appeal.

QUESTIONS?

For more information or if you have questions regarding the appeal process, contact the Planning Division at (707)445-7541.
