WHEREAS, Outraged Orangutan LLC submitted an application and evidence in support of exercising certain uses of Conditional Use Permit 04-38MMM to be held from Friday July 17, 2015, through Monday July 20, 2015; and

WHEREAS, the applicant is seeking to exercise the parking and camping allowance portion of CUP-04-38MMM only, which will not involve holding an event on the site; and

WHEREAS, the applicant is also seeking to exercise the one-day event allowance portion of CUP-04-38MMM; and

WHEREAS, the County Planning Division has reviewed the submitted report and evidence and has referred the evidence to involved reviewing agencies for site inspections, comments and recommendations; and;

WHEREAS, on July 6, 2010, the Planning Commission adopted Resolution 10-23, which canceled the 2010 Reggae Rising event because the prior applicant (Dimmick Ranch LLC) failed to comply with required conditions of approval of the CUP; and

WHEREAS, if the applicant seeks to reinstate a full-scale multi-day event on the property they will be subject to demonstrating compliance with the terms in Resolution 10-23; and

WHEREAS, recommendations of approval of future multi-day events will be dependent on submittal of complete annual reports and proof of compliance with required conditions of approval and mitigation measures prior to selling tickets; and

WHEREAS, the approval of this project is subject to environmental review pursuant to the California Environmental Quality Act (CEQA); environmental review for the project was completed (SCH #92-033035) and an Addendum to the EIR has been prepared.

1. The Planning Commission makes all of the findings included in Attachment 3 of the Planning Division staff report for Case Number MON-15-002; the 2015 Substantial Conformance Review of CUP-04-38MMM based on the submitted evidence and subject to the project's existing conditions of approval.
2. The Planning Commission approves the proposed Addendum to the Supplemental EIR in Attachment 5 as required by Section 15074(b) of the CEQA Guidelines and finds that there is no substantial evidence that the proposed project will have a significant effect on the environment.

3. The Planning Commission solely authorizes the use of event auxiliary parking and camping on APN 033-271-007 for the 2015 Northern Nights Music Festival, and holding of the one-day event with a 1,000 person attendance level, as substantially conforming to the range and intensity of uses allowed under approved Conditional Use Permit (CUP-04-38MMM).
