Why are you interested in serving on the Audit Committee?	In my position at the Humboldt County Office of Education, I oversee the fiscal wellbeing of all 31 local school districts. Within my scope of duties, I also oversee the transactions between the school districts' financial system and the County of Humboldt Treasury. Due to my responsibilities and the fact that all the local school districts must maintain their funds within the County Treasury I feel it is important that I am in a position to review the submitted audit reports to ensure that internal controls are in place.	
Describe how your experience and/or employment qualifies you to serve on the Audit Committee.	I have over 26 years in public school finance here in Humboldt County.	
Describe any previous committee (or comparable) experience and how it would assist in your ability to serve on this committee.	I have served on the Humboldt County Audit Committee since its inception.
