Strategic Plan Category: 9999 - Core Services/Other

DISCUSSION:

On Jan. 23, 2017, the Governor of the State of California declared a disaster for Humboldt County due to severe winter storms, flooding and mudslides. Alderpoint Road (F6B165) Post Miles 7.90 and 8.15, located east of the community of Garberville, experienced roadway damage.

On Jan. 22, 2019, the Humboldt County Department of Public Works ("Public Works") received Federal Highway Administration ("FHWA") funding approval to proceed with the Storm Damage Repairs Project. Public Works subsequently prepared the attached plans and specifications for the project based on topographic surveys of the damaged areas prepared by Points West Surveying Company and geotechnical studies prepared by Crawford and Associates.

On Sept. 24, 2019, Public Works received FHWA approval to proceed with construction. The work proposed in the attached plans and specifications at post mile 7.90 consists of constructing a temporary detour, excavating and installing a welded wire wall, placement of an underdrain, installing guardrail, reconstruction of the roadway, and implementation of erosion control measures. At post mile 8.15 the work consists of constructing a temporary detour, excavation and backfill for geosynthetic reinforced embankment, installing sub-surface permeable drainage blanket, constructing surface drainage system and implementation of erosion control measures.

The Alderpoint Road (F6B165) Post Miles 7.90 and 8.15 Storm Damage Repair Project involves the replacement and reconstruction of existing road infrastructure in the same location as it existed prior to suffering damage and is within the scope of the disaster declaration made by the Governor of California on Jan. 23, 2017. Such work is considered exempt from environmental review under the California Environmental Quality Act pursuant to Sections 15269(a) and 15302 of Title 14 of the California Code of Regulations.

Accordingly, Public Works recommends that the Board of Supervisors approve the attached plans and specifications for the Alderpoint Road (F6B165) Post Miles 7.90 and 8.15 Storm Damage Repair Project; find the Alderpoint Road (F6B165) Post Miles 7.90 and 8.15 Storm Damage Repair Project is exempt from environmental review under the California Environmental Quality Act pursuant to Sections 15269(a) and 15302 of Title 14 of the California Code of Regulations; and direct the Clerk of the Board to advertise the Alderpoint Road (F6B165) Post Miles 7.90 and 8.15 Storm Damage Repair Project as required by Section 22037 of the California Public Contract Code, with bids to be opened on Tuesday, June 16, 2026, at 2:00 p.m.
