

**County of Humboldt Job Specification**  
**CORRECTIONAL DEPUTY I-II**  
**Classification 0424 (Class Number)**  
**FLSA: Non-Exempt**

**DEFINITION**

Under immediate or general supervision, maintains facility security and inmate welfare in a County Jail; oversees and directs the work of inmates in structured situations and the community during an assigned shift; prepares clear, accurate, and comprehensive reports and other written materials; maintains accurate records, logs, and files; and performs related duties as assigned.

**SUPERVISION RECEIVED AND EXERCISED**

Receives immediate (Correctional Deputy I) to general (Correctional Deputy II) supervision from a Correctional Sergeant. Exercises no direct supervision over staff.

**CLASS CHARACTERISTICS**

Correctional Deputy I: This is the entry and training level classification in the Correctional Deputy series. Incumbents work in a learning capacity performing Correctional Deputy duties related to the care, custody, and confinement of inmates at the County Correctional Facility. As experience is gained, assignments become more varied, complex, and difficult; close supervision and frequent review of work lessen as an incumbent demonstrates skill to perform the work independently. Work is usually supervised while in progress and fits an established structure or pattern. Exceptions or changes in procedures are explained in detail as they arise.

Correctional Deputy II: This is the fully qualified journey-level classification in the Correctional Deputy series. Positions at this level are distinguished from the Correctional Deputy I-level by the performance of the full range of duties as assigned, working independently, and exercising judgment and initiative. Positions at this level receive only occasional instruction or assistance as new or unusual situations arise and are fully aware of the operating procedures and policies of the work unit.

Positions in the Correctional Deputy class series are flexibly staffed and positions at the II-level are typically filled by advancement from the I-level after gaining the knowledge, skill, and experience which meet the qualifications for, and after demonstrating the ability to perform the work of, the higher-level classification.
