Area of Focus: Core Services/Other

Strategic Plan Category: 9999 - Core Services/Other

DISCUSSION:

The Humboldt County Department of Health and Human Services - Behavioral Health ("DHHS - Behavioral Health"), in coordination with the Humboldt County Public Guardian's Office, utilizes a variety of placement options to provide long-term mental health treatment services to mentally ill clients who require assistance in locked and unlocked facilities. It is important for the placement team to have a variety of treatment options because vacancies and client needs fluctuate. DHHS - Behavioral Health is statutorily obligated to provide housing for individuals on Lanterman-Petris-Short (LPS) Conservatorship in a manner that is both protective of the conserved individual but also in the least restrictive setting. This mandate implies the need for multiple Long Term Care housing options to ensure individuals are appropriately placed and to have capacity to manage the number of conserved individuals.

A&A Health Services, LLC operates a two hundred twenty-five (225) bed adult residential treatment facility located in San Pablo, California. A&A Health Services, LLC's adult residential treatment facility serves as a sub-acute psychiatric residential facility,

offering rehabilitative mental health treatment services for severely and persistently mentally ill individuals. All mental health treatment services provided at A&A Health Services, LLC's adult residential treatment facility focus on transitioning clients to independent living within their communities as soon as may be appropriate.

Accordingly, DHHS - Behavioral Health recommends that the Board approve, and authorize the Chair of the Board to execute, the attached professional services agreement with A&A Health Services, LLC regarding the provision of long-term residential mental health treatment services to adults with severe mental illnesses for the period of July 1, 2025, through June 30, 2028. It is also recommended that the Board authorize the DHHS - Behavioral Health Director, or a designee thereof, to execute any and all subsequent amendments to the attached professional services agreement with A&A Health Services, LLC after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid delays in the provision of needed residential mental health treatment services.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the attached professional services agreement with A&A Health Services, LLC regarding the provision of long-term residential mental health treatment services to adults with severe mental illnesses. However, this alternative is not recommended since it would require DHHS - Behavioral Health to place clients at inpatient facilities which will be more costly and may not provide the appropriate level of treatment for such clients.
