On May 5, 2015 (item C-8), The Board approved the first amendment to correct a typographical error on the service agreement. The actual date the agreement was entered into was December 16, 2014, but the preamble to the agreement inadvertently stated December 16, 2015. The second amendment is required to amend the term of the service agreement to extend the term through June 30, 2017.

St. Joseph Hospital Eureka is a California nonprofit public benefit corporation that operates a general acute care health facility, accredited by the Hospital's accreditation and licensed by the California Department of Public Health. As part of the hospital operations, it provides emergency, laboratory, pharmacy, radiology, surgery, and dietary services at its facilities.

Working collaboratively with St. Joseph Hospital of Eureka facilitates appropriate care and treatment of DHHS-MH's patients. This routinely requires medical clearance, lab work, and other ancillary services from St. Joseph Hospital of Eureka. This mutual support ensures the health and safety of DHHS-MH patients. DHHS- Mental Health continues to require services from St. Joseph Hospital of Eureka for the period of July 1, 2016 through June 30, 2017.

Therefore, DHHS-MH recommends that the Board approves and authorizes the Chair to execute the second amendment to the service agreement.

FINANCIAL IMPACT:

The service agreement between St Joseph Hospital of Eureka and DHHS-Mental Health provides for an adjusted rate for hospital related services provided to clients that are currently admitted to Sempervirens' psychiatric unit. The maximum value of this amended agreement is not to exceed \$100,000.00 (One Hundred Thousand Dollars) per fiscal year. The projected FY 2015-16 expenditure under this amended agreement is \$26,387. Expenditures related to this contract are included in the proposed budget for FY 2016-17 DHHS- Mental Health-Sempervirens budget unit 1170-495. There is no impact to the county General Fund.

Approving this second amendment to the service agreement supports the Board's Strategic Framework by seeking to protect vulnerable populations and creating opportunities for improved health and safety.

OTHER AGENCY INVOLVEMENT:

None.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to approve this second amendment to the service agreement. DHHS-MH does not recommend this alternative. DHHS-MH and St. Joseph Hospital of Eureka have worked to build a collaborative relationship to provide appropriate care and treatment of DHHS-MH patients. Without this second amendment to agreement, the health and safety of DHHS-MH patients may be negatively impacted.

In many circumstances, oral communication supplemented by gestures and visual aids, an exchange of written notes, use of a computer or typewriter, or use of an assistive listening device may be effective. In other circumstances, qualified sign language or oral interpreters are needed to communicate effectively with persons who are deaf or hard of hearing. The more lengthy, complex, and important the communication, the more likely it is that a qualified interpreter will be required for effective communication with a person whose primary means of communication is sign language or speech reading.
- C. If HOSPITAL operates a hotline to take telephone calls of an emergency nature, the Contractor shall ensure that it provides equivalent service for persons who use TTY's including providing direct-connection service for TTY users with hotline operators, without requiring TTY users to call through a third party operator, such as through the State or local Telecommunication Relay procedures, and provide the training necessary to ensure effective communication by Hotline

- F. Have written procedures and modify, as appropriate, eligibility criteria, to ensure that no person with a disability is turned away from a shelter or otherwise denied the opportunity to benefit from the services of HOSPITAL'S program on the basis of disability.
- G. Have written procedures to ensure that persons with disabilities who use service animals are not denied or discouraged from participating in HOSPITAL'S program, are able to be housed and served in an integrated environment, and are not separated from their service animals while participating in the program even if pets are normally not permitted in the facilities where such programs are conducted. The procedures will not unnecessarily segregate persons who use service animals from others but may take into account the potential presence of persons who, for safety or health reasons, should not be in contact with certain types of animals.
- H. Have written procedures to ensure that reasonable modifications are made to the HOSPITAL'S program when necessary for a client or family member with a

disability to participate in such programs, unless doing so would fundamentally alter the nature of the program.

- I. Have written policies to ensure that despite any "drug-free" policy of the HOSPITAL'S program, persons with disabilities who use medication prescribed for their use are able to continue using such medication while participating in such Programs or being housed in a shelter.

The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5, Division 4 of Title 2, California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as it set forth in full. HOSPITAL shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

- C. HOSPITAL agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or the State Department of Health Care Services, setting forth the provisions of the

Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state HOSPITAL's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

 - a. It is free to enter into and fully perform this Agreement.
 - b. It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
- i. Neither HOSPITAL's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import,

export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by HOSPITAL or the State Department of Health Care Services and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by HOSPITAL.

- c. Neither HOSPITAL's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- d. It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
- e. It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any

of the rights granted to the State Department of Health Care Services in this Agreement.

- f. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 - g. It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way HOSPITAL's performance of this Agreement.
- ii. The State Department of Health Care Services makes no warranty that the Intellectual Property resulting from this Agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.

G. Intellectual Property Indemnity

- i. HOSPITAL shall indemnify, defend and hold harmless the State Department of Health Care Services and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in

investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not HOSPITAL is a party to any pending or threatened litigation, which arise out of or are related to (1) the incorrectness or breach of any of the representations, warranties, covenants or agreements of HOSPITAL pertaining to Intellectual Property; or (2) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of the State Department of Health Care Services' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by HOSPITAL or the State Department of Health Care Services and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. The State Department of Health Care Services reserves the right to participate in and/or control, at HOSPITAL's expense, any such infringement action brought against the State Department of Health Care Services.

- ii. Should any Intellectual Property licensed by HOSPITAL to the State Department of Health Care Services under this Agreement become the subject of an Intellectual Property infringement claim, HOSPITAL will

exercise its authority reasonably and in good faith to preserve the State Department of Health Care Services' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to the State Department of Health Care Services. The State Department of Health Care Services shall have the right to monitor and appear through its own counsel (at HOSPITAL's expense) in any such claim or action. In the defense or settlement of the claim, HOSPITAL may obtain the right for the State Department of Health Care Services to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, the State Department of Health Care Services shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

iii. HOSPITAL agrees that damages alone would be inadequate to compensate the State Department of Health Care Services for breach of any term of these Intellectual Property provisions by HOSPITAL. HOSPITAL acknowledges the State Department of Health Care Services would suffer irreparable harm in the event of such breach and agrees the State Department of Health Care Services shall be entitled to obtain equitable relief, including without limitation an injunction, from a

court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

H. Federal Funding

In any agreement funded in whole or in part by the federal government, the State Department of Health Care Services may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

I. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement.

50. HIPAA COMPLIANCE-COVERED ENTITY TO COVERED ENTITY

COUNTY and HOSPITAL each consider and represent themselves as covered entities as defined by the U.S. Health Insurance Portability and Accountability Act and agree to use and disclose protected health information as required by law. COUNTY and HOSPITAL acknowledge that the exchange of protected health information between them is only for treatment, payment, and health care operations.

51. ADVANCE DIRECTIVES and PHYSICIAN INCENTIVE PLANS

HOSPITAL will comply with COUNTY's policies and procedures on advance directives. HOSPITAL will comply with COUNTY's obligations for Physician Incentive

Plans, if applicable based on the services provided under this Agreement, as long as they do not conflict with the HOSPITAL'S Catholic Directives as set forth in Clause 52.

52. CATHOLIC DIRECTIVES

COUNTY recognizes and acknowledges that in the course of carrying out the terms of this Agreement, HOSPITAL will comply with the Ethical and Religious Directives for Catholic Health Care Facilities, the teachings of the Roman Catholic Church, and the values of the Sisters of St. Joseph of Orange. These services would include but not be limited to abortions, sterilizations and euthanasia.

53. TAX-EXEMPT STATUS

If at any time HOSPITAL in good faith has reason to believe that this Agreement may jeopardize the tax-exempt status of HOSPITAL or any of its affiliates under Section 501 c 3 of the Internal Revenue Code or the ability of HOSPITAL or any of its affiliates to obtain or maintain tax-exempt financing, the parties agree to negotiate any amendments to this Agreement to the extent necessary to address such issues. Any such amendment shall attempt to preserve the parties' economic benefits of this Agreement to the greatest extent possible. In the event HOSPITAL is advised by independent counsel in a written opinion that amendment of this Agreement will not be sufficient to address such issues, HOSPITAL may terminate this Contract upon thirty days advance written notice.

Kathy Hayes, Clerk of the Board

The First Amendment is required to correct a typographical error within the preamble of the Service Agreement. The actual date the Agreement was entered into was December 16, 2014; however, the Agreement inadvertently stated the year of execution as 2015. The parties now desire to correct this typographical error to prevent confusion. There are no other changes to the Agreement.

St. Joseph Hospital Eureka is a California nonprofit public benefit corporation that operates a general acute care health facility, accredited by the Hospital's accreditation and licensed by the California Department of Public Health. As part of the hospital operations, it provides emergency, laboratory, pharmacy, radiology, surgery, and dietary services at its facilities.

Working collaboratively with St. Joseph Hospital of Eureka facilitates appropriate care and treatment of DHHS-MH's patients. This routinely requires medical clearance, lab work, and other ancillary services from St. Joseph Hospital of Eureka. This mutual support ensures the health and safety of DHHS-MH patients.

DHHS- Mental Health desires to continue contracting with St. Joseph Hospital of Eureka for the period of January 1, 2015 through June 30, 2016.

Therefore, DHHS-MH recommends that the Board approves and authorizes the Chair to execute the First Amendment to the Service Agreement.

FINANCIAL IMPACT:

The Agreement between St Joseph Hospital of Eureka and DHHS-Mental Health provides for an adjusted rate for Hospital related services provided to clients that are currently admitted to Sempervirens Psychiatric unit. The maximum value of this agreement is not to exceed \$100,000.00 (One Hundred Thousand Dollars) per fiscal year. Expenditures related to this contract are included in the adopted budget for FY 2014-15 and the proposed FY 2015-16 DHHS- Mental Health-Sempervirens budget unit 1170-495. There is no impact to the County General Fund.

Approving this Agreement supports the Board's Strategic Framework by seeking to protect vulnerable populations and creating opportunities for improved health and safety.

OTHER AGENCY INVOLVEMENT:

None.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to approve this First Amendment to the Service Agreement. DHHS-MH does not recommend this alternative because the typographical error may cause confusion.
