CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR subsequently becomes a Nuclear Weapons Contractor.

13. DRUG-FREE WORKPLACE:

By executing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the Drug-Free Workplace Act of 1990 (California Government Code Sections 8350, et seq.) and will provide a drug-free workplace by doing all of the following:

Publish, as required by California Government Code Section 8355(a)(1), a Drug-Free Policy Statement which notifies employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited, and specifies the actions to be taken against employees for violations.
- B. Drug-Free Awareness Program. Establish, as required by California Government Code Section 8355(a)(2), a Drug-Free Awareness Program which informs employees about the following:
1. The dangers of drug abuse in the workplace;
 2. CONTRACTOR's policy of maintaining a drug-free workplace;

3. Any available counseling, rehabilitation and employee assistance programs; and

4. Penalties that may be imposed upon employees for drug abuse violations.

2. Agree to abide by CONTRACTOR's Drug-Free Policy as a condition of employment.

D. Effect of Noncompliance. Failure to comply with the above-referenced requirements may result in suspension of payments under this Agreement and/or termination thereof, and CONTRACTOR may be ineligible for award of future contracts if COUNTY determines that the foregoing certification is false or if CONTRACTOR violates the certification by failing to carry out the above-referenced requirements.

14. INDEMNIFICATION:

A. Hold Harmless, Defense and Indemnification. CONTRACTOR shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, liabilities, expenses and costs of any kind or nature, including, without limitation, attorney fees and other costs of litigation, arising out of, or in connection with, CONTRACTOR's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.

B. Effect of Insurance. Acceptance of the insurance required by this Agreement, shall not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related CONTRACTOR's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

15. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations provided for herein, CONTRACTOR shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the entire period of this Agreement, and any extended term thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. Best's rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR and its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:

1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one (1) incident, including, but not limited to, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
 2. As stated in Exhibit A – Scope of Services, CONTRACTOR will not drive an automobile in the performance of services for COUNTY. If that changes, CONTRACTOR will take out and maintain Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Offices Form Code 1 (any auto).
 3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents, officers, officials, employees and volunteers.
- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY and its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to loss or damage to property caused by explosion or resulting from collapse of buildings or structures or damage to property underground, commonly referred to as "XCU Hazards."
 - c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insured's clause.
 2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice provisions set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though

separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.

4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
5. Any failure to comply with the provisions of this Agreement shall not affect coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager or County Counsel. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to other available remedies under this Agreement, take out the necessary insurance, and CONTRACTOR agrees to pay the cost thereof. COUNTY is also hereby authorized with the discretion to deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.

Humboldt County CalFresh Outreach FY 2019-20 Partnership Request Form

1. Please describe the activities and events that will be completed with CalFresh Outreach funding. Include the total number of people you will serve or reach and if your program will focus on a particular group or geographic area. Be sure to include how you will encourage and assist applications and retention.

2-1-1's mission is to empower communities by helping members to identify, navigate and connect with vital resources that improve their lives and healthy food is essential to physical and mental stability. We will promote CalFresh flyers and other promotional material at our events and presentations. We will make sure new guidelines, stigma, retention through re-certification and perceived barriers are answered. We will continue to ask callers if they are currently receiving CalFresh and direct them to the closest assister to help them if they are not, from March 2018 to March 2019, we assisted over **14,721** community members, of those **10,107** callers were asked if they were receiving CalFresh.

Community outreach is an important focus for 2-1-1, and we do that through our connections and work in the community. We do outreach through 2-1-1 and the VITA Program, Volunteer Income Tax Assistance Program, which includes 4 community partners in Humboldt and Del Norte Counties. We ask each of the callers within the VITA prescreening about CalFresh and promote flyers and information at each of our VITA sites. We have anywhere from 2,800 to 4,000 callers for Vita from January to April each year. We will be hiring a bilingual employee who is able to assist Spanish speaking callers with CalFresh information, immigration help and referrals to other programs. We are also making the CalFresh flyers available to those attending our Mother/Women Groups in Eureka and Arcata. Basic human need for food, shelter and security are some of the connections 2-1-1 is able to navigate and connect our callers to. Families and individuals who face crisis or stress caused by loss of employment or housing, a medical conditions, aging or other factors often have trouble meeting their food needs and making healthy food choices and 2-1-1 is there to share information about CalFresh, how to access fresh food, CalFresh enrollment, stigma reduction, retention through re-certification, guideline changes, and accessibility through assisters closest to them. By making one call to 2-1-1 community members and service providers, can get information on resources that can assist them in times of need. 2-1-1 provides a timely, efficient way to get information which allows people to feel less stress at times of uncertainty.

This year: 2-1-1 started up an emergency food pantry and we were able to assist 26 families; so far this year, with emergency food boxes to help them until they were able to contact a local food pantry. Our emergency food pantry is not something that we will publicize, but this pantry will be for the people who contact 2-1-1 who are new to the area, people who ran out of food before they were able to get another food box or who are waiting for their EBT card. We receive multiple calls from community members who tell us they have no food and are looking for help but sometimes the timing of the calls, either late Fridays, or over the weekend there are no options to send them to. For many years, I have purchased food for these individuals or families out of my own pocket and lately now Alex my employees has been doing the same. We talked about how best to deal with this situation and have decided that an emergency food pantry would fit our needs. This pantry would cover those community members who would otherwise go without, because there are no other options. I will set it up with our after-hours center to call me and I would come down to the office to meet with that individual or family. I will be on call from 5pm on Friday to 8 pm and 8am to 8pm on Saturday and Sunday. This will allow families to get an emergency food box and not have to suffer through the whole weekend without anything. 2-1-1 will be asking callers to determine if they or anyone their home is receiving SSI, if they are we will inform them of the changes in eligibility. We will also inform those households who are currently receiving CalFresh and have someone living with them who is on SSI, about the no harmless clause, so they will understand that it will not harm their benefits, only add to the family's household food. We are currently going back on our call logs to those who have stated they were receiving SSI or someone in their house was to inform them of these

changes and the timelines for filing. We will be able to give them information on how to apply and answer any questions that they might have about the process. We will let them know about the closest assist who can assist them in starting this process. 2-1-1 will continue to conduct follow-up calls to CalFresh clients who have given us permission to call them back. The Follow-up calls give more information on what happens with that client after given a specific resource or assister so we can determine whether the client followed through on the referral we provided them and if not, see if we can help.. During this time period we had over **942** callers request C4Yourself information. We have mentioned this trend in previous reports. Since more people tend to be more computer savvy and tend to want to start the process on their timeline, the C4Yourself options is very popular. This year will focus in on sending those who want to start the process online to GetCalFresh.org, which is an online application that is easier to us then C4Yourself. We will continue to promote CalFresh to seniors, who tend to be a little resistant to getting on the program, do to miss understanding about who is eligible; such as, needing to have children in the or have to be unemployed or the stigma concepts of CalFresh being a handout.

2. What are your expected outcomes? What difference will CalFresh funding make in your community or neighborhood and for the population you are serving? How will the proposed activities fit into or relate to other programs in your organization and community?

The proposed activities to do outreach and education for CalFresh fits into the purpose of 2-1-1 Humboldt. Educating 2-1-1 callers about resources in our community is what a 2-1-1 Call Center are designed to do. 2-1-1 Humboldt is tightly integrated in a variety of networks that work closely with low income families throughout Humboldt County, we are a member of The Network of Family Resource Centers, the Humboldt Homeless and Housing Coalition (HHHC), Lead agency for Continuum of Care with Coordinated Entry for all Homeless in Humboldt, Chair of the VITA program, Chair of the Women and Children's Fund, member of the Humboldt Pregnancy and Postpartum Support Network (HP&PSN) and Chair of Community Organization Active in Disaster (COAD), Lead/Fiscal agent for the Women/Parenting Groups in Eureka and a member of CA4SSI to name a few. This means we are in constant contact with those service providers and they refer their clients to 2-1-1 for resources specific to their needs and when appropriate we make sure and ask each caller if they are receiving CalFresh. We had over **14,700** callers from March 2018 to March 2019 whom we were able to assist and connect to local resources. Because we are available 24/7 we can assist those callers who are not able to reach out for information from 8 to 5, but whenever they can fit it into their limited schedule or whenever the need arises.

3. Please describe your organization's capacity to succeed with the proposed project and your plans, if any, for continuing the work after the proposed project is complete.

Being a 24/7, 365 days a year connection for our community members is a unique benefit and an advantage in working with community partners. 2-1-1 understands the importance of the CalFresh program, which promotes healthy eating for healthier lifestyle, helps to fight food insecurities in every community and helps to put food on the tables of so many, who struggle to make ends meet. Letting people know about eligibility changes, the importance of re-certification, assisters that are close to them and reducing stigma to those qualified, is importance information that 2-1-1 can share with our community. 2-1-1 has a good relationship with the County DHHS staff and works directly with clients who potentially qualify for Cal Fresh benefits. We have strong, diversified connections in the community, and there is a good history of working and collaborating with community partners.

Remember to talk about both processes and outcomes whenever possible.

Some questions to consider when completing the narrative sections of the report:

- How did the programs/services support CalFresh Outreach?
- How did you calculate the number of individuals your organization reached with CalFresh Outreach Activities?
- Did the programs/services reach the populations it was intended to reach and were the participants satisfied?
- What were the program results and did the program produce the intended changes? Unintended changes?
- Was the value of the outcomes achieved worth the resources invested in the program?

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Person or Organization:

(Information required to complete this Schedule, if not shown above, will be shown in the Declarations.)

A. Section II – Who Is An Insured is amended to include any public entity as an additional insured for whom you are performing operations, who may be named in the schedule above, when you have agreed in a written contract or written agreement that such public entity be added as an additional insured(s) on your policy, but only with respect to liability for “bodily injury”, “property damage” or “personal and advertising injury” caused, in whole or in part, by:

1. Your negligent acts or omissions; or
2. The negligent acts or omissions of those acting on your behalf; in the performance of your ongoing operations:

No such public entity is an additional insured for liability arising out of the "products-completed operations hazard" or for liability arising out of the sole negligence of that public entity.

B. With respect to the insurance afforded to these additional insured(s), the following additional exclusions apply.

This insurance does not apply to “bodily injury” or “property damage” occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of “your work” out of which injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. The following is added to **SECTION III — LIMITS OF INSURANCE:**

The limits of insurance applicable to the additional insured(s) are those specified in the written contract between you and the additional insured(s), or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

D. A. With respect to the insurance provided to the additional insured(s), **Condition 4. Other Insurance of SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

4. Other Insurance

a. Primary Insurance

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in c. below; or
- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph b. below.

b. Excess Insurance

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of **SECTION I — COVERAGE A — BODILY INJURY AND PROPERTY DAMAGE**.
 - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages A or B to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this **Excess Insurance** provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Methods of Sharing

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
