Dear Planning Commissioners,

I am writing to you today to urge you to approve the Friends of the Dunes amended Coastal Development permit for the Barr parcel. First of all, Friends of the Dunes has a long track record of excellent stewardship and restoration management of coastal dune properties in the Humboldt Bay area. This particular project has been well-researched and both responds to neighborhood concerns and interests as well as provides a plan to protect and restore this rare and fragile dune habitat.. Lastly, Friends of the Dunes is providing a benefit to the local community particularly to local Manila residents by providing a user-friendly trail with beach and dune access while protecting the unique dune ecosystem we can enjoy. into the future.

I hope you will vote to approve the amended Coastal Development permit for the Barr permit submitted by Friends of the Dunes.

Thank you for your time.

Sincerely,

Kathie Kelly
