**NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:**

The Board of Supervisors hereby:

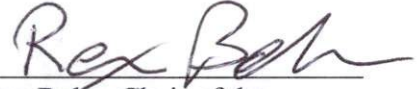

1. Finds that each of the foregoing recitals is true and correct.
2. Approves the forms of the First Amendment to Site Lease, the First Amendment to Lease and the First Amendment to Assignment Agreement presented at this meeting. Each of the Chair, Vice Chair and Clerk of the Board of Supervisors and the Chief Administrative Officer of the County or their designees (collectively, the "Authorized Officers"), acting alone, is hereby authorized for and in the name of the County to execute the First Amendment to Site Lease and the First Amendment to Lease and to consent to the First Amendment to Assignment Agreement in substantially the forms hereby approved, with such additions thereto and changes therein as the Authorized Officer or Authorized Officers executing the same deem to be necessary, including, but not limited to, additions and changes thereto as are required by the Assignee as condition to its agreement to amend the Assignment Agreement as described in the First Amendment to Assignment Agreement; provided, however, that the terms of the Site Lease and the Lease, as amended as described herein, shall comply with the limitations set forth in Section 3 below. Approval of such changes shall be conclusively evidenced by the execution and delivery thereof by any one of the Authorized Officers. Each of the Authorized Officers is further authorized to execute, acknowledge and deliver any and all documents required to consummate the transactions contemplated by the First Amendment to Site Lease, the First Amendment to Lease and the First Amendment to Assignment Agreement. In the event that the Assignee requires that real property in addition to or in substitution of the real property described in the First Amendment to Site Lease and the First Amendment to Lease be leased thereunder, any one of the Authorized Officers is authorized to select such property of the County to include as the Leased Premises.
3. Declares that the Lease Payments to be made by the County under the Lease shall not exceed \$4,417,040.00 in any year and hereby determines that the maximum annual Lease Payments due under the Lease in each year do not exceed the annual fair rental value of the Leased Premises. The foregoing

determination is based on costs of the acquisition, construction and renovation of and improvements to the Leased Premises, the replacement cost of the Leased Premises, the essential nature of the Leased Premises to the County's operations, other obligations of the parties under the Lease (including but not limited to costs of maintenance, taxes and insurance) and the uses and purposes that are being served by the Leased Premises and the benefits therefrom that are and will continue to accrue to the County and the general public throughout the Term (as defined in the Lease). The principal components of Base Rental Payments shall not exceed \$60,000,000. The DAC has determined and the Board of Supervisors now determines that the useful life of the Leased Premises extends beyond August 1, 2055, which is the maximum term of the Lease. The foregoing determination is based on the age and current condition of the Leased Premises, the essential nature of the Leased Premises to the County's operations, and the improvements made to the Leased Premises since initial construction, including seismic, safety and mechanical system improvements.

4. Hereby consents to the First Amendment to Assignment Agreement and hereby approves the form of the First Amendment to Assignment Agreement by and between the Corporation and the Assignee. The Board hereby determines that the consideration to be paid by the Assignee pursuant to the Assignment Agreement as so amended is fair consideration for the lease of the Leased Premises by the County to the Corporation.
5. Hereby authorizes each of the Authorized Officers and the other officers of the County, acting alone, to do any and all things and to execute and deliver any and all documents and agreements which they may deem necessary and advisable in order to consummate the financing of the Project and otherwise effectuate the purposes of this Resolution, including adding property to the Leased Premises, determining the capital improvements to be made as part of the Project and submitting draws to fund the Project in accordance with the Lease and substituting other County property for all or a portion of the Leased Premises from time to time in accordance with the provisions of the Lease. In the event the Chair and Vice Chair of the Board of Supervisors are unavailable or unable to execute and deliver any of the above referenced documents, any other member of the Board of Supervisors may validly execute and deliver such document. In the event that the Clerk of the Board of Supervisors is unavailable or unable to execute and deliver any of the above-referenced documents, any deputy clerk may validly execute and deliver such document.
6. Hereby approves of the contract with Stradling Yocca Carlson & Rauth LLP to serve as special counsel with respect to the transactions approved by this Resolution and in connection with any permanent financing utilized to retire the interim financing under the leases described herein. Each of the Authorized Officers is authorized to execute the agreement for legal services with Stradling Yocca Carlson & Rauth LLP in the form presented to the Board of Supervisors at this meeting.

7. All actions heretofore taken by any officer of the County with respect to the execution and delivery of the First Amendment to Site Lease, the First Amendment to Lease and the First Amendment to Assignment Agreement, and the financing of the Project, are hereby approved, confirmed and ratified.
8. This Resolution shall take effect from and after its date of adoption.
