

COUNTY OF HUMBOLDT

AGENDA ITEM NO.

A-1

For the meeting of: July 22, 2014

Date: July 14, 2014
To: Board of Supervisors
From: Supervisor Rex Bohn
Subject: AB 1513 Squatters Legislation

RECOMMENDATION(S): That the Board of Supervisors opt-in to AB 1513's pilot program and direct staff to send a formal letter to Assemblyman Steve Fox making an official request to be included as a participant.

SOURCE OF FUNDING: N/A

DISCUSSION: AB 1513 's pilot program permits the owner, or their agent, of a vacant property to register it with local law enforcement and file a "Declaration of Ownership" with the District Attorney. Upon notification of unauthorized occupants, local law enforcement will respond and require the "squatters" to provide written evidence that they are legally entitled to be there within 48 hours. If the property occupants are unable to provide such verification they will be removed from the property by law enforcement, and upon conviction can be subject to 1 year of jail and fines of up to \$1,000.

AB 1513's current pilot program is limited to the cities of Lancaster and Palmdale, L.A. County, which will be in place through December of 2017. However, additional cities or counties can "opt in" to the program if they make an official request, in the form of a letter or resolution to the bill's author, Assemblyman Steve Fox.

Because there are no California statues designated to assist homeowners and law enforcement official with preventing occupancy of or removing unauthorized residents (squatters) from vacant properties, Humboldt County is being asked to "opt in" to AB 1513's pilot program.

CALIFORNIA LEGISLATURE— 2013–2014 REGULAR SESSION

ASSEMBLY BILL

No. 1513

Introduced by Assembly Member Fox

January 15, 2014

An act to add and repeal Sections 602.55 and 602.56 of the Penal Code, relating to residential property.

LEGISLATIVE COUNSEL'S DIGEST

AB 1513, as amended, Fox. Residential property: possession by declaration.

Existing law allows a plaintiff, upon motion, to have immediate possession of the premises of a manufactured home, mobilehome, or real property by a writ of possession issued by a court and directed to the sheriff of the county or marshal, for execution, where it appears to the satisfaction of the court, after a hearing on the motion, from the verified complaint and from any affidavits filed or oral testimony given by or on behalf of the parties, that the defendant resides out of state, has departed from the state, cannot, after due diligence, be found within the state, or has concealed himself or herself to avoid the service of summons.

Existing law provides that every person who willfully commits a trespass is guilty of a misdemeanor.

This bill would, ~~only~~ until January 1, 2018, allow a property owner, or an agent of the property owner, of residential property in the Cities of Palmdale and Lancaster in the County of Los Angeles, to register vacant real property with the local law enforcement agency and to execute, under penalty of perjury, a Declaration of Ownership of Residential Real Property. By expanding the scope of the crime of perjury, this bill would impose a state-mandated local program.

This bill would allow a property owner, or an agent of the property owner, of residential property in the Cities of Palmdale or Lancaster in the County of Los Angeles, to file the Declaration of Ownership of Residential Real Property with the district attorney of the jurisdiction in which the property is located. The bill would require the property owner to post the filed declaration on the property listed in the declaration. The bill would require the local law enforcement agency with which the property is registered to respond as soon as practicable after being notified that an unauthorized person has been found on the property and take specified action, including

requiring a person who is found on the property to produce written authorization to be on the property, and advising any person who does not produce that authorization that he or she has 48 hours to obtain it, and is subject to arrest for trespass if he or she is subsequently found on the property without it. The bill would provide that a person who is found on the property not less than 48 hours after being so notified *is guilty of trespass* and, ~~if convicted of trespass~~, is subject to imprisonment in a county jail not exceeding one year, or a fine not exceeding \$1,000, or both that imprisonment and fine. ~~The bill would also set forth procedures governing the disposition of personal property remaining on the real property following the arrest of a person for trespass.~~ By imposing new duties on local law enforcement agencies and by expanding the scope of the crime of trespass this bill would create a state-mandated local program.

The bill would provide that its provisions apply only to one-unit to four-unit residences *in the Cities of Palmdale and Lancaster in the County of Los Angeles.*

This bill would make legislative findings and declarations as to the necessity of a special statute for the Cities of Palmdale and Lancaster in the County of Los Angeles.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. The Legislature finds and declares that the practice of squatting on vacant property is a public nuisance and is detrimental to the health, safety, and economy of local communities and to the rights of real property owners. The intent of this section is to provide a means to deter squatting at an early stage and to provide a second chance for squatters to vacate the premises in lieu of arrest. The Legislature also declares this section not to be an abridgment of other statutes relating to trespass or civil eviction proceedings.

SEC. 2. Section 602.55 is added to the Penal Code, immediately following Section 602.5, to read:

602.55. (a) The owner or owner's agent of vacant real property may register the property with the local law enforcement agency utilizing the form contained in subdivision (a) of Section 602.56.

(2) The *registration shall be accompanied with a statement providing the name, address, and telephone number at which the owner can be contacted within a 24-hour period.*

(b) The owner or the owner's agent shall register the vacant property no later than three days after the owner or owner's agent learns that the property is vacant.

(d) The licensed private security services company or law enforcement agency selected by the owner or owner's

agent pursuant to this section shall do both of the following:

- (1) Inspect the vacant property not less than once every three days.
- (2) Immediately notify the law enforcement agency with which the property is registered if any unauthorized person is found on the property.

- (3) Require a person who is found on the property to produce written authorization to be on the property.

- (4) Advise any person who does not produce written authorization pursuant to paragraph (3) that he or she has 48 hours to obtain written authorization from the owner of the property, or the owner's agent, to be on the property, and that the person will be subject to arrest for trespass if the person is subsequently found on the property without that authorization.

- (5) Verify with the owner or the owner's agent that the property is vacant.

(f) Any person who is found on a vacant property not less than 48 hours after being notified as provided in paragraph (4) of subdivision (e) is guilty of trespass and, upon conviction, is subject to imprisonment in a county jail not exceeding one year, or by a fine not exceeding one thousand dollars (\$1,000), or both.

~~(g) The procedures set forth in Chapter 5 (commencing with Section 1980) of Title 5 of Part 4 of Division 3 of the Civil Code govern the disposition of any personal property remaining on the vacant property following the arrest for trespass pursuant to this section of a person who owns the personal property. For purposes of applying those procedures, a person who is arrested for trespass shall be deemed to be a former tenant of the property.~~

~~(h)~~

~~(g)~~ This section shall not be construed to limit the owner's right *an owner from seeking other legal remedies* to have a person removed from the vacant property pursuant to any other law.

~~(i)~~

~~(h)~~ The arrest of a person and removal of personal property pursuant to the provisions of this section is not a forcible entry under the provisions of Section 1159 of the Code of Civil Procedure and shall not be a basis for civil liability under that section. *Procedure.*

602.56. (a) A property owner, or an agent of the property owner, may execute a "Declaration of Ownership" that includes language substantially similar to the language below and file it with the district attorney of the jurisdiction in which the property is located. Re: AB 1513 Squatters – Pending Legislation

Dear Chairperson Bohn,

Under California law, it can take 30-60 days, or even longer, to evict a squatter. Unlawful detainer procedures are geared toward situations in which a tenant is evicted for failure to pay rent or having committed a violation of the rental agreement. There are currently no statutes designed to assist homeowners and law enforcement officials with preventing occupancy of or removing unauthorized residents (squatters) from vacant properties.

As introduced, **AB 1513 (Fox)** proposed to define the unlawful entering or possession of any real property as a felony and provided local agencies express authority to evict such unlawful occupants of residential property. The Legislature, however, was not inclined to create a new felony. Consequently, AB 1513 has been amended to establish a pilot program, currently limited to the cities of Lancaster and Palmdale in L.A. County, which will be in place through December of 2017. **Additional cities or counties can "opt in" if they make an official request, in the form of a letter or a Resolution, to the bill's author, Assemblyman Steve Fox.**

This program will permit the owner, or their agent, of a vacant property to register it with local law enforcement and file a "Declaration of Ownership" with the District Attorney. Upon notification of unauthorized occupants, local law enforcement will respond and require the "squatters" to provide written evidence that they are legally entitled to be there within 48 hours. If the property occupants are unable to provide such verification within 48 hours they will be removed from the property by law enforcement, and, upon conviction, can be subject to 1 year of jail time and a fine of up to \$1,000.

The Humboldt Association of Realtors® highly encourages the County to review this pending legislation, a copy of the marked up bill is attached. We ask that you request the County be included as a participant in this pilot program. Inclusion must be requested before a final amendment deadline of August 22, 2014.

The eviction of squatters continues to be a lengthy and difficult process. Your consideration of this request is greatly appreciated.

Sincerely,
