The Board of Supervisors would like to proclaim Nov. 18-22, 2024 as California Clerk of the Board of Supervisors Week. In California, the Clerk of the Board's Office satisfies numerous statutory and locally mandated requirements and serves as the official record keeper of actions taken by each county's Board of Supervisors. In Humboldt County, the Clerk of the Board's Office serves not only the public but also the Board of Supervisors. The Clerk of the Board's Office also provides a broad scope of services for other county departments and prides itself on excellent customer service.
