Hi,

I would like to submit the following comment on 25-1180 scheduled to be heard by the Board of Supervisors on Dec 2, 2025:

When considering approval of this permit, I would like the Board to consider any available options that would not entail cutting down the beautiful Cyprus tree that appears to be growing very near to, or on, what I imagine is the property line between the parcel in question and the adjacent parcel to the south.

This tree is arguably the most beautiful tree on Lower Pacific Drive and I believe that it would be a real loss for it to be destroyed.

Respectfully,

Gregory R. Cordes
