This First Amendment to the Software License and Services Agreement dated July 9, 2019, by and between the County of Humboldt, a political subdivision of the State of California, hereinafter referred to as "Customer," and AssetPulse LLC, a California limited liability company, hereinafter referred to as "AssetPulse," is entered into this 5 day of January, 2021

WHEREAS, Customer, by and through its Department of Health and Human Services, desired to retain a qualified professional organization to provide, support and maintain an electronic asset tracking system; and
