DISCUSSION:

The Nuclear Free Ordinance waiver is requested because the State of California will not modify its Cooperative Agreements to accommodate local ordinances. The Agricultural Commissioner's Office receives annual subventions from CDFA to offset the local costs associated with enforcing certain Statemandated programs. One of these programs, the Asian Defoliating Moth Trapping Program is conducted around Humboldt Bay because of the risk foreign vessel traffic poses for introducing pests harmful to native trees and forests. Asian Gypsy Moth caterpillars are voracious eaters and capable of causing major damage and dieback to trees and shrubs over a wide area. Increased vessel traffic to Humboldt Bay from Asia has increased the potential risk for introducing defoliating moths from Asia. Trans-oceanic vessels pose a risk for introduction because Asian Gypsy Moth, Nun Moth and Siberian Silk Moths are attracted to the lights, and lay eggs on the superstructure of ships berthed in Far East Asian ports. When these cross the Pacific to the west coast of the United States, the egg masses remain viable and can potentially introduce these destructive insect pests.

Beginning in June of 2015, Agriculture Department staff will place and inspect 189 traps around Humboldt Bay and surrounding areas. Traps are serviced on a bi-monthly basis and removed before the end of the contract period. In the event a suspect moth is detected, the suspect is submitted to the CDFA Plant Pest Diagnostics Laboratory for positive identification. This agreement is retroactive to FY 2014/15 due to the established trapping season for the pests and delays in processing this agreement by CDFA.

Approval of this agreement is consistent with your Board's Strategic Priority Framework and stated core role of enforcing laws and regulations to protect residents.

FINANCIAL IMPACT:

There is no net cost to Humboldt County for the Asian Defoliating Moth Trapping Program. All costs for personnel, mileage, equipment and supplies will be reimbursed by the contract. Cooperative Agreement No. 14-0599-SF provides a total of \$7,558.00 from May 1, 2015 to October 31, 2015 for Agriculture Department activities related to the Asian Defoliating Moth Trapping Program. All costs are billed to CDFA on a monthly basis and payment is made in arrears to Humboldt County. No supplemental budget is necessary with approval of this agreement as revenue and expenditure accounts were previously funded in anticipation of this agreement.

SCOPE OF WORK

AGREEMENT SPECIFICATIONS FOR STATE-COUNTY ASIAN DEFOLIATING MOTH (ADM) TRAPPING

Effective Dates: May 1, 2015 to October 31, 2015

AGENCY RESPONSIBILITY

Section 1

The California Department of Food and Agriculture (CDFA) shall:

- Provide all traps, trap parts and lures.
- B. Provide technical assistance and training to county agricultural commissioner personnel on the use of traps and detection procedures.
- C. Provide county trappers with copies of the CDFA Insect Trapping Guide (ITG) and ADM Seaport guidelines provided by the CDFA District Entomologist. The current version of the ITG is on the CDFA website at: www.cdfa.ca.gov/go/ITG.
- D. Provide training programs for county trapping supervisors and trappers.
- E. Provide quality control (QC) of the county trapping program via inspections and QC plants. For the county QC plant protocol, see www.cdfa.ca.gov/go/QCP.
- F. Provide training on management practices as they relate to CDFA's Statewide Pest Prevention Program Final Programmatic Environmental Impact Report (PEIR) at least one week prior to any covered activity occurring.

Section 2

The County Agricultural Commissioner shall:

- A. Hire and train personnel.
- Provide and maintain trapping vehicles.
- Ensure that supervisors and trapping personnel attend training provided by CDFA District Entomologists.
- Ensure that all trapping activities conform to the current version of the ITG.

- Ensure that a copy of the current version of the ITG is kept in each trapper's vehicle for reference.
- Should there be a discrepancy between the Scope of Work and the ITG, the Scope of Work shall supersede the ITG.
- E. Placement of all traps should occur so that all traps are in place by June 1, 2015. Remove traps at the next servicing after September 30, 2015.
- F. Ensure that all traps are properly identified with a unique trap number and accurately reflect servicing, baiting and rebaiting dates. The unique trap numbering system is based upon the Statewide Trapping Grid, reference http://maps.cdfa.ca.gov/TrapBooks/MapBookHelp.pdf for software needs, links to the Map Books and GIS layers, and contacts for assistance.
 - The naming convention for the grid system is alphanumeric. Columns are Alpha (A UW) and rows are Numeric (001 656). The grid name is the combination of column and row names. Naming starts in the northwest corner of the state and runs through the southeast. The remainder of the trap number consists of the quint or subgrid, trap type, and an intra-quint or intra-subgrid designation if more than one trap of that type is present or it is otherwise needed to track a trap that moves between quints. For example, trap EV241-18-AGM1 is in grid EV241, subgrid 18, trap type is Asian gypsy moth (AGM), and it is designated as number "1" AGM trap within that subgrid (applicable only if more than one trap of the same type is in a subgrid).
 - Ensure that the unique trap number is placed properly on all traps, along with accurate placement, servicing, baiting, and rebaiting dates, as appropriate. Requirements for the various trap types are as follows.
 - Delta trap (green and orange for AGM & nun moth [NM], respectively)
 full trap number and servicing and baiting dates on outside.
 - Pherocon® IIC (rosy moth [RM]) full trap number and servicing and baiting dates on outside.
 - Milk carton trap (Siberian silk moth [SSM]) full trap number and servicing and rebaiting dates on outside.
- G. Ensure that traps are serviced every 14 days from June 1 through September 30, 2015.
- H. Ensure that all sticky traps (i.e., AGM, NM, RM) inspected and removed from the field shall be screened for suspects a second time at the trapping office by a supervisor or other qualified staff before disposal.

- I. Ensure that all activities are performed following CDFA management practices and any necessary mitigation measures as required and consistent with CDFA's PEIR, available at http://www.cdfa.ca.gov/plant/peir/. Complete the Tiering Checklist prior to conducting trapping activities and mark and follow management practices and mitigation measures as required for each specific activity. The Checklist and descriptions of the CDFA management practices and mitigation measures are found in PEIR Appendix C (PEIR, Appendix C, http://www.cdfa.ca.gov/plant/peir/docs/final/Volume-3 Appendices B-G.pdf), Mitigation Reporting Program at http://www.cdfa.ca.gov/plant/peir/docs/final/Volume-4 Appendices H-P.pdf, and Findings of Fact at http://www.cdfa.ca.gov/plant/peir/docs/final/Volume-4 Appendices H-P.pdf, and Findings of Fact at http://www.cdfa.ca.gov/plant/peir/docs/final/Volume-4 Appendices H-P.pdf, and Findings-of-Fact-and-Overriding-Considerations.pdf. A checklist template is attached, and a copy of each completed checklist should be submitted along with the agreement.
- J. Maintain a Daily Trapping Summary (DTS) (Form 60-210)¹ for each trapper. This form must be completed daily, signed by the individual who performed the work and submitted to the trapping supervisor. The current DTS (i.e., the DTS completed the day prior to a QC inspection) must be available for immediate review by the CDFA District Entomologist or designee conducting the QC inspection. All DTS forms must be kept on file, for the CDFA Audits Office, for three years.
- K. Complete a monthly Pest Detection Report Number One (Form 66-035)², documenting all traps deployed, added, removed and serviced during the month. A servicing is an inspection of the trap for the presence of the target pest. Relocations are considered trap servicings. Do not count trap relocations as "removed" and then "added." A copy of this form must accompany the monthly invoice.
- L. Provide one set of trapping records for all traps. This set, in the form of either the "Trap Book" or electronic records, shall indicate the exact trap location using a site map and all information regarding trap placement, servicing, baiting, relocation and removal.
- M. Maintain an inventory of known host sites. The inventory shall be organized by square mile, contain the addresses of host properties traceable to the nearest cross street, and indicate all known hosts on that property. The inventory shall be updated prior to the start of each new agreement. The multiple trap card system will suffice for this inventory. This inventory must be available for the trapper to use in the field daily.
- N. The latitude/longitude coordinates for the traps must be recorded in decimal degree format NAD 83 datum, using hand held GPS devices. The data must be entered onto the provided excel file "2015 Asian Defoliating Moth Survey Trap

¹ Form already provided to County

² Form already provided to County

Report."³ Complete the report weekly and, once in the middle of the season and at the end of the season after the traps are removed, submit the report to Janamjeet Sohal at <u>janamjeet.sohal@cdfa.ca.gov</u>.

- O. Submit samples to the Plant Pest Diagnostics Laboratory in Sacramento via approved methods. See Collection and Submission of Samples in the "Asian Defoliating Moth Survey CAPS Guidelines - 2015." A copy can be obtained by contacting Janamjeet Sohal.
- P. Allow state detection personnel and/or federal officers to perform quality control inspections on all ADM trap lines.
- Q. Allow state detection personnel and/or federal officers to accompany trappers and/or supervisors in the field. This will be credited as field training for county personnel.
- R. Submit invoices along with the Report Number One monthly by postal mail or email to:

Joanne Shimada CDFA- PD/EP 1220 N Street, Room 315 Sacramento, CA 95814

joanne.shimada@cdfa.ca.gov

- If the invoice carries a signature block, the block must be signed. Invoices with blank signature blocks cannot be processed.
- 2. Only authorized charges matching the Financial Plan will be reimbursed; for example salaries, benefits, overhead, supplies, vehicle mileage and vehicle leasing costs. These expenditures must be itemized on the invoice with documentation to support the charges in the event of an audit (federal or state). Any expenditure that is not listed in the Financial Plan is considered unauthorized and cannot be reimbursed.
- A sample invoice is included with the agreement. The county may use this form or submit their own invoice, but the invoice must contain the following:
 - County name
 - County address
 - Remit to address
 - Date of submittal
 - Agreement name
 - Agreement number

³ Form already provided to County

Billing period

Allowable itemized charges as listed on the Financial Plan.

 Employee name (or other unique identifying number), classification, hours worked on the pest detection program, hourly rate, benefit rate. NOTE: The number of hours worked claimed on the invoice must match those documented on the Report Number One. Invoices received without an accurate Report Number One will not be paid.

 Vehicles license plate number (or unique identifying number), driver name, ownership of the vehicle (county, state, or leased), allowable mileage rate for the vehicle, and if leased, the monthly lease rate

for the vehicle.

 Payment of the invoice is contingent upon submission of the Report Number One, and compliance with the required information as listed in #3.

- To insure payment of work performed, all invoices must be received no later than 30 days after the agreement expires.
- 6. Payment will be made monthly, in arrears, upon receipt and approval of invoice.

EXHIBIT B

PAYMENT PROVISIONS AND BUDGET

1. Invoicing and Payment

- A. For activities performed according to the attached Scope of Work, Budget and the terms of this Agreement, and upon receipt of the invoices, the CDFA agrees to compensate the Recipient for actual allowable expenditures incurred in accordance with this Agreement and stated herein, which is attached hereto and made a part of this Agreement.
- B. Invoices must include the Agreement Number, performance period, type of activities performed in accordance with this Agreement, and when applicable, a breakdown of the costs of parts and materials, labor charges, and any other relevant information required to ensure proper invoices are submitted for payment.
- C. Unless stated in Exhibit A, Scope of Work, monthly invoices must be submitted to the CDFA Agreement Manager, within thirty (30) calendar days after the end of each month in which activities under this Agreement were performed
- D. A final invoice will be submitted for payment no more than thirty (30) calendar days following the expiration date of this Agreement, or after project is complete, whichever comes first. The final invoice must be clearly marked "Final Invoice" thus indicating that all payment obligations of the CDFA under this Agreement have ceased and that no further payments are due or outstanding.

2. Budget Contingency Clause

If funding for any fiscal year is reduced or deleted for purposes of this program, the CDFA will have the option to either terminate this Agreement with no liability occurring to the CDFA, or offer to amend the Agreement to reflect the reduced amount.

3. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in, California Government Code Title 1, Division 3.6, Part 3, Chapter 4.5, commencing with Section 927 - The California Prompt Payment Act.

4. Allowable Line Item Shifts

The Recipient must obtain written approval from the CDFA Agreement Manager for any line-item shifts.

5. Allowable Expenses and Fiscal Documentation

- A. The Recipient must maintain adequate documentation for expenditures subject to this Agreement to permit the determination of the allowability of expenditures reimbursed by the CDFA under this Agreement. If CDFA cannot determine expenditures are allowable under the terms of this Agreement because records are nonexistent or inadequate according to Generally Accepted Accounting Principles, the CDFA may disallow the expenditure.
- B. If domestic travel is a reimbursable expense, receipts must be maintained to support the claimed expenditures. The maximum rates allowable for travel within California are those established by the California Department of Human resources (CalHR). The maximum rates allowable for domestic travel outside of California are those established by the United States General Services Administration (GSA).
- C. If international travel is a reimbursable expense, receipts must be maintained to support the claimed expenditures. The maximum rates allowable are those established in a per diem supplement to Section 925, Department of State Standardized Regulations. All international travel must comply with the "Fly America Act" USC Title 49 § 40118.
- D. The Recipient must maintain and have available, upon request by the CDFA, all financial records and documentation pertaining to this Agreement. These records and documentation must be kept for three (3) years after completion of the Agreement period or until final resolution of any performance/compliance review concerns or litigation claims.
