Good morning,

My name is Kendall Finch and I am a resident of Eureka. I'm writing to express my strong support for the establishment of a Humboldt County universal representation fund, which would be in-line with our status as a Sanctuary County and would provide essential support for our immigrant neighbors, who are facing unprecedented levels of fear and stress related to unlawful immigration action and lack of due process. Now is the time for Humboldt County to do the right thing and ensure access to due process for all our residents, so that our children and grandchildren can look back and see that we worked to protect our democracy and the rights of our community members.

Thank you for your time and consideration,
Kendall Finch

Members of the Board,

I'm writing in support of Agenda Item 26-226 and the establishment of a Universal Representation Fund.

This isn't a question of numbers, but of people. Neighbors, coworkers. The fabric that makes this community what it is. If we are serious about due process, it can't depend on whether someone can afford a lawyer. In the face of oppression, the Founding Fathers said, we either hang together, or we hang separately. It's never been more true than today.

Pushing back against racism and oppression means being willing to stand up for each other, especially when it's inconvenient. Establishing this fund is a modest but real step toward in that direction, and I thank you for your support.

Sincerely,
Humboldt Resident & Healthcare Worker
Kiley Finch
