FINDINGS FOR GENERAL PLAN AND ZONE RECLASSIFICATION PETITION

1. FINDING

There is factual evidence the petition for general plan amendment and zone reclassification has the potential public benefit; and

EVIDENCE a) The plan amendment and zone reclassification would result in a consistent commercial land use and zoning designation for two adjacent properties under the same ownership which will make more feasible the future development of a mini storage facility extending onto both parcels.

2. FINDING

The revision is not appropriate for the next scheduled update.

EVIDENCE a) The revision is proposed as part of a development project that is currently seeking entitlements.

3. FINDING

The petition is in the public interest and is consistent with the General Plan.

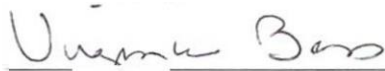

EVIDENCE a) The proposed amendments will maximize the development of the property for storage facilities that will be accessible to the residents of the Myrtle town neighborhood.

BE IT FURTHER RESOLVED that based on the above findings, the findings in the staff report, evidence in the file for the project, and public testimony received on the project, the Board of Supervisors accepts the J & J family LLC General Plan Amendment and Zone Reclassification petition as recommended by the Planning and Building Department, Case No.PLN-2020-16400.
