

I am morning the loss of common since here in Humboldt County and mostly by the City of Eureka.

I would like to report a Clear and Present Danger!

Redheaded black belt web site. ^{was killed}
~~the~~ The rider ~~de~~

→ Bicycle caught under wheel of truck trailer

Eureka City School Board October of last year

Three questions:

First question: Why is soil or and dirt being transferred from Albee Stadium to the Soccer Field next to Alice Bernie School?

Second question: Do you have a permit to move the soil?

Third and final Question: Is the Soil Contaminated.

I am not leaving this building without all of these questions answered.

Fix this: call Division of the State Architect

H.

Email from the State Agency: Division of state Architect

Good afternoon,

Here is the contact information for the personnel directly involved in managing of the discussed stadium renovation project at Eureka HS:
