

ATTACHMENT 1
CONDITIONS OF APPROVAL

Approval of the Coastal Development Permit and Conditional Use Permit is conditioned upon the following terms and requirements which must be fulfilled before commencing operations.

1. The applicant complete a Hazardous Materials Business Plan with the Certified Unified Program Agency (CUPA)
2. The applicant shall obtain any permits necessary from the Building Division in order to permit the BESS containers and other components on-site, or any fences that are greater than 6' tall (and shall be outside of the 50' front and rear or 25' side setbacks).

On-going Conditions of Approval and Requirements/Development Restrictions which must be Satisfied for the Life of the Project:

3. In the event that the replacement of batteries is necessary, the applicant shall dispose of all hazardous materials associated to the batteries at an appropriate disposal waste facility.
4. If cultural resources are encountered during construction activities, the contractor on site shall cease all work in the immediate area and within a 50-foot buffer of the discovery location. A qualified archaeologist as well as the appropriate Tribal Historic Preservation Officer(s) are to be contacted to evaluate the discovery and, in consultation with the applicant and lead agency, develop a treatment plan in any instance where significant impacts cannot be avoided.

The Native American Heritage Commission (NAHC) can provide information regarding the appropriate Tribal point(s) of contact for a specific area; the NAHC can be reached at 916-653-4082. Prehistoric materials may include obsidian or chert flakes, tools, locally darkened midden soils, groundstone artifacts, shellfish or faunal remains, and human burials. If human remains are found, California Health and Safety Code 7050.5 requires that the County Coroner be contacted immediately at 707-445-7242. If the Coroner determines the remains to be Native American, the NAHC will then be contacted by the Coroner to determine appropriate treatment of the remains pursuant to PRC 5097.98. Violators shall be prosecuted in accordance with PRC Section 5097.99.

The applicant is responsible for ensuring compliance with this condition.

5. The applicant is responsible for receiving all necessary permits and/or approvals from other state and local agencies.
6. The Coastal Development Permit and Conditional Use Permit shall expire and become null and void at the expiration of one (1) year after all appeal periods have lapsed (see "Effective Date"); except where construction under a valid building permit or use in reliance on the permit has commenced prior to such anniversary date. The period within which construction or use must be commenced may be extended as provided by Section 312-11.3 of the Humboldt County Code.

7. New Development Requires a Permit. Any new development as defined by Section 313-139.6 of the Humboldt County Code (H.C.C.) shall require a Coastal Development Permit and Special Permit or permit modification, except for Minor Deviations from the Plot Plan as provided under Section 312-11.1 of the Zoning Regulations.
8. The applicant is required to pay for permit processing on a time and material basis as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. The Department will provide a bill to the applicant after the decision. Any and all outstanding Planning fees to cover the processing of the application to decision by the Hearing Officer shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka.
