1. The Subrecipient shall be responsible for submission of interim and final **narrative and financial** reports on the progress and activities of the project, to the California State Library, using the sample report documents provided by the California State Library.
2. All the reports must be current, include all required sections and documents, and must be approved by the Grant Monitor before any payment request can be processed. Any problems or delays must be reported immediately to the Grant Monitor. The financial reports shall reflect the expenditures made by the Subrecipient under the Agreement, and may be incorporated into the same reporting structure as the narrative reports.

5. The Subrecipient agrees to maintain records and supporting documentation pertaining to the performance of this grant subject to possible audit for a

minimum of five (5) years after final payment date or grant term end date, whichever is later. Please refer to Exhibit A, Terms and Conditions for more information.

shall have no liability to pay any funds whatsoever to the Subrecipient or to furnish any other considerations under this Agreement and the Subrecipient shall not be obligated to perform any provisions of this Agreement.

- b. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this Program, the California State Library shall have the option to either cancel this Agreement with no liability occurring to itself or offer an Agreement amendment to the Subrecipient to reflect the reduced amount.
- c. This grant award may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties in order to avoid program and fiscal delays which would occur if the grant award were executed after that determination was made.
- d. This grant award is valid and enforceable only if sufficient funds are made available to the State by the United States government for the Fiscal Year 2022-2023 for the purposes of this program. In addition, this grant award is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress which may affect the provisions, terms or funding of this grant award in any manner.

35. Payment:

- a. The approved Budget, if applicable as detailed in the Award Letter, states the maximum amount of allowable costs for each of the tasks identified in the Activity Timeline included in the project application. California State Library shall provide funding to the Subrecipient for only the work and tasks specified in the Subrecipient's Application at only those costs specified in the Budget and incurred in the term of the Agreement.
- b. The Subrecipient shall carry out the work described in the Subrecipient's Application in accordance with the approved Budget, and shall obtain the Grant Monitor's written approval of any changes or modifications to the approved project as described in the Subrecipient's Application or the approved Budget prior to performing the changed work or incurring the changed cost. If the Subrecipient fails to obtain such prior written approval, the State Librarian or designee, at their sole discretion, may refuse to provide funds to pay for such work or costs.
- c. The Subrecipient shall request funds in accordance with the funding schedule included in this agreement.
- d. For awards with total funding exceeding \$20,000, ten percent (10%) will be withheld from each Payment Request and paid at the end of the grant term, when all reports and conditions stipulated in this Agreement have been satisfactorily completed. Failure by the Subrecipient to satisfactorily complete all reports and conditions stipulated in this Agreement may result in forfeiture of any such funds withheld.
- e. Lodgings, Meals and Incidentals: Subrecipient's eligible costs are limited to the amounts authorized in the U.S. General Services Administration (contact the Grant Monitor for more information).
- f. Payment will be made only to the Subrecipient.
- g. Allowable expenses shall not be incurred unless and until the Subrecipient receives official award notification as described in the Procedures and Requirements.

36. Personal Jurisdiction: The Subrecipient consents to personal jurisdiction in the State of California for all proceedings concerning the validity and operation of this Agreement and the performance of the obligations imposed upon the parties. Native American Tribal Subrecipient s expressly waive tribal sovereign immunity as a defense to any and all proceedings concerning the validity and

operation of this Agreement and the performance of the obligations imposed upon the parties.

37. Personnel Costs: If there are eligible costs pursuant to Exhibit D, Eligible and Ineligible Costs, any personnel expenditures to be reimbursed with grant funds must be computed based on actual time spent on grant-related activities and on the actual salary or equivalent hourly wage the employee is paid for their regular job duties, including a proportionate share of any benefits to which the employee is entitled, unless otherwise specified in Exhibit D.
38. Pledge: This Agreement shall not be interpreted to create any pledge or any commitment by the State Library to make any other or further grants or contributions to Subrecipient, or any other person or entity in connection with the Project. It is mutually agreed that Subrecipient is responsible for furnishing funds beyond the award that may be necessary to complete outcomes or deliverables.
39. Privacy Protection: Both parties agree to protect the confidentiality of any non-public, personal information that may be contained in materials received or produced in connection with this Agreement, as required by Civil Code, section 1798, *et seq.*
40. Prohibited Use: The expenditure under this program shall not be used to supplant Subrecipient efforts in other grant programs provided by the California State Library and shall not be used to supplant subrecipient effort.
41. Provisions: This agreement is entered into under provisions of the Library Services and Technology Act, Public Law 104-208 on September 30, 1996; and Congressional Record – House, H11644-H11728 on September 28, 1996, H12266-H12267 on October 3, 1996; and 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, December 26, 2013. Congress enacted the Museum and Library Services Act of 2010 (Pub. L. 111-340, codified at 20 U.S.C. § 9101 *et seq.*), which also incorporates Library Services and Technology Act (LSTA).
- a. Performance of the provisions of this agreement is subject to the conditions and availability of funds as awarded by the State Librarian under said Act.
42. Public Records Act: Material maintained or used by the California State Library is considered “public record” under the Public Records Act (PRA) at Government

Code, sections 6250, *et. seq.* This includes the Interim and Final reports, and any other written communications between the parties. Subrecipient agrees to ensure that all content contained in its written reports are appropriate for publication. Said material, along with all other reports, documentation and data collected during the term of the Agreement, will be subject to disclosure unless it qualifies for exemption under the PRA in whole or in part. Subrecipient agrees to alert the State Library as to a basis for exemption, if any exists.

43. Publicity Obligations: Subrecipient will notify the State Library of any promotional materials or publications resulting from the award no later than five (5) days in advance of distribution, whether they are print, film, electronic, or in any other format or medium. Copies of all promotional materials will be provided to the State Library. Subrecipient will acknowledge the LSTA support as noted above. Subrecipient agrees that the State Library may include information about this grant and its outcomes in its own annual reports, with specific reference to Subrecipient, and may distribute such information to third parties.
44. Records: Communications, grant related documents, data, original receipts and invoices must be maintained by Subrecipient and shall be made available to the State Library upon request. Subrecipient agrees to maintain adequate grant program records and adequate financial records consistent with generally accepted accounting practices, and to retain all records for at least five (5) years after the end-of-term. The State Library may monitor or conduct an onsite evaluation of Subrecipient's operation to ensure compliance with this Agreement, with reasonable advance notice.
45. Reduction of Waste: In the performance of this Agreement, Subrecipient shall take all reasonable steps to ensure that materials purchased or utilized in the course of the project are not wasted. Steps should include, but not be limited to: the use of used, reusable, or recyclable products; discretion in the amount of materials used; alternatives to disposal of materials consumed; and the practice of other waste reduction measures where feasible and appropriate.
46. Reimbursement Limitations: Under no circumstances shall the Subrecipient seek reimbursement pursuant to this Agreement for a cost or activity that has been or will be paid for through another funding source. The Subrecipient shall not seek reimbursement for any costs used to meet cost sharing or matching requirements of any other California State Library funded program.

47. Reports and Claims: It is the responsibility of the recipient of these instructions to see that the proper individual to supply the required reports and claims receives the instructions and makes the required reports and claims to the California State Library.

- a. The subrecipient shall be responsible for submitting to the State Library Narrative Reports detailing progress and activities. The reports are due on the dates specified in the reporting schedule detailed in the Procedures and Requirements section.
- b. The subrecipient shall be responsible for submitting to the State Library Financial Reports reflecting project expenditure activity. The reports are due on the dates specified in the reporting schedule detailed in the Procedures and Requirements section.
- c. To obtain payment hereunder the subrecipient shall submit authorized claims provided by the State Library for that purpose, on each of the following mentioned dates for payment, and the California State Library agrees to reimburse the Library as soon thereafter as State fiscal procedures will permit.
- d. In-full payments are typically made for awards totaling \$20,000 or less.
- e. Funding for awards totaling more than \$20,000 are issued in three payments following a 45%/45%/10% payment schedule, unless an exception has been made.
- f. The final 10% of the grant award (if applicable) is payable only if the subrecipient fulfills all project reporting requirements and returns all unspent funds by the time specified in the Grant Guide. Failure to provide timely reports is a serious breach of an award recipient's administrative duty under the award, which may result in federal audit exceptions against the State and the loss of LSTA funds.
- g. Payment will be provided to cover the expenditures incurred by the subrecipient for the project in the following manner:
 - o \$17,835 upon execution of the agreement and submission of claim by fiscal agent
 - o If applicable, second payment will be made upon approval of first quarter financial report and receipt of claim form in the amount of N/A
 - o If applicable, final payment will be made upon approval of all final reports and receipt of claim form in the amount of N/A

48. Self-Dealing and Arm's Length Transactions: All expenditures for which reimbursement pursuant to this Agreement is sought shall be the result of arm's-length transactions and not the result of, or motivated by, self-dealing on the

part of the Subrecipient or any employee or agent of the Subrecipient. For purposes of this provision, "arm's-length transactions" are those in which both parties are on equal footing and fair market forces are at play, such as when multiple vendors are invited to compete for an entity's business and the entity chooses the lowest of the resulting bids. "Self-dealing" is involved where an individual or entity is obligated to act as a trustee or fiduciary, as when handling public funds, and chooses to act in a manner that will benefit the individual or entity, directly or indirectly, to the detriment of, and in conflict with, the public purpose for which all award monies are to be expended.

49. Severability: If any part of this Agreement is found to be unlawful or unenforceable, such provisions will be voided and severed from this Agreement, but the remainder of the provisions in the Agreement will remain in full force and effect.
50. Site Visits: The Subrecipient shall allow the California State Library to access and conduct site visits, with reasonable notice, at which grant funds are expended and related work being performed at any time during the performance of the work and for up to ninety (90) days after completion of the work, or until all issues related to the grant project have been resolved. A site visit may include, but not be limited to, monitoring the use of grant funds, provide technical assistance when needed, and to visit the State funded project.
51. Subrecipient: The Subrecipient is the government or other legal entity to which a subaward is awarded and which is accountable to the grantee for the use of the funds provided.
- a. The subrecipient will make reports to the State Librarian in such form and containing such information as may be required to enable the California State Library to perform its duties. The subrecipient will keep such records and afford such access as the California State Librarian or Library may find necessary to assure the correctness and verification of such reports.
 - b. The control of funds and title to property derived there from shall be in a subrecipient agency for the uses and purposes provided; a subrecipient agency will administer such property and funds and shall apply funds only for the purposes for which they were granted.
52. Subrecipient Accountability: The Subrecipient is ultimately responsible and accountable for the manner in which the grant funds are utilized and accounted for and the way the grant is administered, even if the Subrecipient has contracted with another organization, public or private, to administer or operate its grant program. In the event an audit should determine that grant

funds are owed to the California State Library, the Subrecipient is responsible for repayment of the funds to the California State Library.

53. Subrecipient Funds: It is mutually agreed that the Subrecipient is responsible for furnishing funds beyond the grant award that may be necessary to complete the project.

54. Termination: The Agreement shall be subject to termination by the State Librarian or designee upon notice to the Subrecipient at least thirty (30) days prior to the effective date of termination. In the event this agreement is terminated, the Subrecipient shall deliver to the State Librarian copies of all reports, accounting, data, and materials prepared up to the date of termination. The State Librarian shall determine, and pay the Subrecipient for necessary and appropriate expenditures and obligations up to the date of termination which have not been covered by prior installments previously paid to the Subrecipient. Upon such termination, the unused portion of the grant award must be returned to the California State Library within 45 days. If funding has been advanced to the Subrecipient, any unobligated balances, as determined by the State Librarian, shall be returned to the State Library within 45 days of the notice of termination.

The State Librarian is empowered to review, audit, and inspect the project for compliance with this agreement.

55. Timeline: Time is of the essence to this Agreement. It is mutually agreed between the parties that the grant application and the timeline included therein are part of the Agreement.

56. Unused Funds: At the end-of-term Subrecipient agrees to return any unexpended or unaccounted for funds to the State Library, or to submit a written request for an extension of the award period. Funds will be considered unexpended or unaccounted if they were: (1) not used for their intended purpose, or (2) used inconsistently with the terms of this Agreement.

Funds will also be considered unaccounted for, and must be returned, if the proposal outcomes or deliverables are materially incomplete by the end-of-term or earlier termination, as determined by the State Library in its sole discretion.

57. Waiver of Rights: California State Library shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by California State Library. No delay or omission on the part of California State

Library in exercising any rights shall operate as a waiver of such right or any other right. A waiver by California State Library of a provision of this Agreement shall not prejudice or constitute a waiver of California State Library's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by California State Library, nor any course of dealing between California State Library and Subrecipient, shall constitute a waiver of any of California State Library's rights or of any of Subrecipient's obligations as to any future transactions. Whenever the consent of California State Library is required under this Agreement, the granting of such consent by California State Library in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of California State Library.

58. Work Products: Subrecipient shall provide California State Library with copies of all final products identified in the Work Plan and Application. Subrecipient shall also provide the State Library with copies of all public education and advertising material produced pursuant to this Agreement.

59. Workers' Compensation: The State of California will not provide Workers' Compensation insurance for Subrecipient or Subrecipient's employees or contract personnel. If Subrecipient hires employees to perform services required by this Agreement, Subrecipient shall provide Workers' Compensation insurance for them. The Subrecipient is aware of Labor Code Section 3700, which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Labor Code, and the Subrecipient agrees to comply with such provisions before commencing the performance of the work of this Agreement.

EXHIBIT C: LSTA AWARD REQUIREMENTS

A. CIPA Compliance

The Institute of Museum and Library Services establishes guidelines to ensure that the California State Library's implementation of the Children's Internet Protection Act (CIPA) complies with the 2003 decision of the US Supreme Court. The California State Library is required by 20 U.S.C. Section 9134(b)(7) to provide assurance that we will comply with 20 U.S.C. Section 9134(f), which sets out standards relating to Internet Safety for public libraries and public elementary school and secondary school libraries.

Under CIPA, California State Library must assure the Federal Government that no funds will be made available for public libraries and public elementary and secondary school libraries to purchase computers to access the Internet or pay for the direct costs of accessing the Internet unless the libraries have certified that they have Internet safety policies and technology protection measures, e.g., software filtering technology, in place. California State Library must collect certifications from libraries subject to CIPA that apply to the States for Library Services and Technology Act (LSTA) funding. Public libraries and public elementary and secondary school libraries must be in compliance with CIPA to obtain IMLS State Program funding which will be used to purchase computers used to access the Internet or to pay for direct costs associated with accessing the Internet.

The director or the authorized representative of the Subrecipient organization receiving LSTA funding must certify that the library is one of the following:

An individual applicant that is CIPA compliant.

The applicant library, as a public library, a public elementary school library or a public secondary school library, has complied with the requirements of Section 9134(f)(1) of the Library Services and Technology Act.

Representing a group of applicants. Those applicants that are subject to CIPA requirements have certified they are CIPA compliant.

All public libraries, public elementary school libraries, and public secondary school libraries, participating in the application have complied with the requirements of Section 9134(f)(1) of the Library Services and Technology Act. The library submitting this

application has collected Internet Safety Certifications from all other applicants who are subject to CIPA requirements. The library will keep these certifications on file with other application materials, and if awarded funds, with other project records.

Not Subject to CIPA Requirements.

CIPA requirements do not apply because no LSTA funds made available under this grant program will be used to purchase computers that can access the Internet or to pay for direct costs associated with accessing the Internet.

For more information on CIPA, please visit the [Children's Internet Protection Act \(CIPA\) webpage](#) on the Federal Communications Commission's (FCC) website.

B. Contracting Guidance

OMB's [Code of Federal Regulations](#) outlines important regulations surrounding contracts that, as a recipient of LSTA funds, the State Library and its subrecipients must follow.

C. Language Access Services

To remain compliant with [Title VI of the Civil Rights Act of 1964](#), all LSTA funding recipients must take reasonable steps to make LSTA-funded awards accessible to people with limited English proficiency.

These procedures apply to all of California State Library's federally funded programs and activities and extends to all programs and activities conducted by the State Library's federally funded sub-recipients.

 - i. receive a copy of the company's drug-free workplace policy statement; and,
 - ii. agree to abide by the terms of the company's statement as a condition of employment on the Agreement.

Failure to comply with these requirements may result in suspension of payments under the Agreement or termination of the Agreement or both and Subrecipient may be ineligible for award of any future State agreements if the department determines that any of the following has occurred: the Subrecipient has made

false certification or violated the certification by failing to carry out the requirements as noted above. (Gov. Code § 8350 *et. seq.*)

4. **CONFLICT OF INTEREST:** Subrecipient needs to be aware of the following provisions regarding current or former state employees. If Subrecipient has any questions on the status of any person rendering services or involved with the Agreement, the California State Library must be contacted immediately for clarification

Current State Employees (Pub. Contract Code § 10410):

If Subrecipient violates any provisions of above paragraphs, such action by Subrecipient shall render this Agreement void. (Pub. Contract Code § 10420).

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code § 10430 (e)).

5. **LABOR CODE/WORKERS' COMPENSATION:** Subrecipient needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions,

and Subrecipient affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code § 3700).

6. **AMERICANS WITH DISABILITIES ACT:** Subrecipient assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 *et seq.*)
