California Governor's Office of Emergency Services for FY 2014-15, for the District Attorney Victim Witness Assistance Program. The funding is available through the Violence Against Women Act (VAWA) and the Victims of Crime Act (VOCA), a combination of Federal and State funds which are managed and dispersed annually to eligible counties by Cal OES.

The District Attorney (DA) Victim Witness Program Staff is available to provide support and help victims' of crime cope with the trauma they have already experienced as well as providing assistance and guidance throughout the sometimes difficult and frustrating criminal justice system. Victim Witness staff is available for court orientation, court support, case status regarding court dates, times and outcomes, and referrals to vital community resources provided by other government agencies and non-profit victim support agencies such as North Coast Rape Crisis Team and the Sexual Assault Response Team. In addition, the staff provides assistance in filing Victim of Crime Applications which are submitted to the State, so that victims can be reimbursed for their losses after being subject to various types of crimes.

In FY 2013-14, 999 new victims and 34 new witnesses received assistance through this program resulting in 3,286 follow-up victim contacts and 361 Victim of Violent Crime Applications filed, which reimburse crime victims for their out of pocket expenses. Over \$425,000 was reimbursed to local crime victims for expenses that include: medical and hospital expenses, loss of wages or support, funeral and burial expenses, professional counseling, job retention and rehabilitation. Since the needs of each client are unique to their particular situation, reimbursement assistance and services are not limited to those specifically listed. Approval of the requested application will allow the DA Victim Witness Program to continue to provide these essential services and assistance to crime victims in our community.

FINANCIAL IMPACT:

Approval of the one year application will allow the County to be reimbursed up to a maximum of \$180,878 for services performed in accordance with the scope of work described in the grant for the period of July 1, 2014 through June 30, 2015. Of the grant award, \$151,980 will be allocated to fund 1.0 Full Time Equivalent (FTE) Victim Witness Program Specialist position and 0.75 FTE Program Coordinator position. The remaining .20 salary and benefits is funded through Cal OES Unserved/Underserved Victim Advocacy and Outreach Program, and .05 through the Victim Compensation and Government Claims Board. This allocation will also fund an extra help Legal Office Assistant for approximately 400 hours. The remaining \$28,898 will fund program specific operating expenses to limit the use of the DA's General Fund Allocation to run the program. Grant funding for FY 2014-15 was included in the District Attorney's requested budget in the amount awarded last year, \$174,470. A supplemental budget request has been included to allocate the additional \$6,408 in revenue.

Approval of the requested grant application for \$180,878 supports the Boards Strategic Framework by seeking outside funding sources to benefit Humboldt County needs.

OTHER AGENCY INVOLVEMENT:

Cal OES

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the grant application. This is not recommended as it would cause a loss of anticipated revenue for the District Attorney. Furthermore it would leave the community, as well as, the region without the local service to victims and witnesses of crime.
