NOTICE of VIOLATION

February 19, 2016

Gerald McGuire
PO Box 322
Fields Landing, CA 95537-0322

YOU ARE HEREBY NOTIFIED that there is in existence on your premises at

240 Central Ave., Fields Landing, CA 95537 Assessor's Parcel Number 306-033-003
Complaint Number CO0019039

A condition injurious to the public health, observed on January 22, 2016, consisting of the following:

Improperly stored and disposed solid waste consisting of wood waste, scrap metal, waste tires, and miscellaneous solid waste as well as several inoperable vehicles.

This condition is in violation of the following sections of the Humboldt County Code (HCC):

HCC 352-1 Declaration of Policy

The presence of a junk vehicle on private or public property . . . is hereby declared to constitute a public nuisance . . .

HCC 521-4(b)(1) Storage.

It shall be the duty of every person in possession of or having charge of any . . . flat or dwelling house, or any other establishment of human habitation . . . to provide and keep at all times one (1) or more suitable watertight receptacles with tight fitting covers, in which all solid waste from such premises shall be placed and kept until removed. Any person may occasionally store excess non-putrescible solid waste in appropriate receptacles adjacent to the regular solid waste container while waiting for a regularly scheduled collection.

HCC 521-4(c)(1) Removal of Solid Waste.

All putrescible solid waste . . . shall be removed from . . . dwellings and apartments at least once each week. All nonputrescible solid waste shall be removed at least once each week . . . In any case, removal frequency shall be such as to prevent the propagation of vectors or creation of a nuisance.

HCC 521-10. Disposal and Handling of Solid Waste for Disposal.

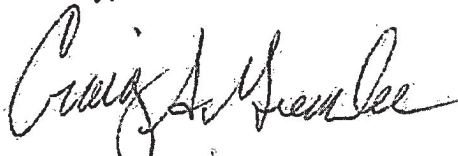

It shall be unlawful for any person to deposit, bury, burn, or otherwise dispose of any solid waste, other than the composting on-site of small quantities of non-hazardous organic materials produced on the premises, or the burning of authorized materials under a valid burn permit, at any place other than a permitted solid waste facility . . .

ABATE by March 21, 2016

1. Remove all accumulated solid waste to an approved disposal site.
2. Remove inoperable and/or junk vehicles from the parcel.
3. Obtain receipts for the disposal fees for all wastes. Be prepared to submit copies of your receipts.
4. Notify me at (707) 268-2202 when the above actions have been completed, or by March 21, 2016, whichever occurs first.

Unless you comply with this Notice, the Department of Health and Human Services will take all legal and necessary steps to abate the observed violations.

Sincerely,

Craig Greenlee, REHS
Solid Waste LEA Program

SECOND NOTICE of VIOLATION

April 11, 2016

Gerald McGuire
PO Box 322
Fields Landing, CA 95537-0322

YOU ARE HEREBY NOTIFIED that there is in existence on your premises at

240 Central Ave., Fields Landing, CA 95537 Assessor's Parcel Number 306-033-003
Complaint Number CO0019039

A condition injurious to the public health, observed on March 23, 2016, consisting of the following:

Improperly stored and disposed solid waste consisting of wood waste, waste tires, and miscellaneous solid waste as well as several inoperable vehicles.

This condition is in violation of the following sections of the Humboldt County Code (HCC):

1. HCC § 352-1 Declaration of Policy

The presence of a junk vehicle on private or public property . . . is hereby declared to constitute a public nuisance . . .

2. HCC § 521-4(b)(1) Storage.

It shall be the duty of every person in possession of or having charge of any . . . flat or dwelling house, or any other establishment of human habitation . . . to provide and keep at all times one (1) or more suitable watertight receptacles with tight fitting covers, in which all solid waste from such premises shall be placed and kept until removed. Any person may occasionally store excess non-putrescible solid waste in appropriate receptacles adjacent to the regular solid waste container while waiting for a regularly scheduled collection.

3. HCC § 521-4(c)(1) Removal of Solid Waste.

All putrescible solid waste . . . shall be removed from . . . dwellings and apartments at least once each week. All nonputrescible solid waste shall be removed at least once each week . . . In any case, removal frequency shall be such as to prevent the propagation of vectors or creation of a nuisance.

4. HCC § 521-10. Disposal and Handling of Solid Waste for Disposal.

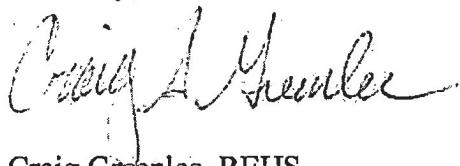

It shall be unlawful for any person to deposit, bury, burn, or otherwise dispose of any solid waste, other than the composting on-site of small quantities of non-hazardous organic materials produced on the premises, or the burning of authorized materials under a valid burn permit, at any place other than a permitted solid waste facility . . .

ABATE by May 11, 2016

1. Remove all accumulated solid waste to an approved disposal site.
2. Remove inoperable and/or junk vehicles from the parcel.
3. Obtain receipts for the disposal fees for all wastes. Be prepared to submit copies of your receipts.
4. Notify me at (707) 268-2202 when the above actions have been completed, or by May 11, 2016, whichever occurs first.

Unless you comply with this Notice, the Department of Health and Human Services will take all legal and necessary steps to abate the observed violations.

Sincerely,

Craig Greenlee, REHS
