 3. CONTRACTOR agrees to cooperate with DHCS in establishing or maintaining DHCS’ exclusive rights in the Intellectual Property, and in assuring DHCS’ sole rights against third parties with respect to the Intellectual Property. If CONTRACTOR enters into any agreements or subcontracts with other parties in order to perform its duties and obligations hereunder, CONTRACTOR shall require the terms of such agreements or subcontracts to include all of the Intellectual Property provisions set forth herein. Such terms must include, without limitation, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from or reduced to practice by the subcontractor, CONTRACTOR or DHCS as a direct or indirect result of this Agreement or any subcontract related hereto.
 4. CONTRACTOR further agrees to assist and cooperate with DHCS in all reasonable respects, execute all documents, give testimony, subject to reasonable availability, and take all further acts reasonably necessary to acquire, transfer, maintain and enforce DHCS’ Intellectual Property rights and interests.
- B. Retained Rights and License Rights. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:
1. Except for Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, CONTRACTOR shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. CONTRACTOR hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display or perform, distribute and dispose CONTRACTOR’s Intellectual Property resulting from this Agreement, unless CONTRACTOR assigns all rights, title and interest in the Intellectual Property as set forth herein.
 2. Nothing in this provision shall restrict, limit or otherwise prevent CONTRACTOR from using any ideas, concepts, know-how, methodology or techniques related to the performance of its duties and obligations hereunder, provided that CONTRACTOR’s use does not infringe the patent, copyright, trademark, license or other Intellectual Property rights of DHCS or any third-party, or result in a breach of this Agreement or violation of any local, state or federal laws, regulations or standards relating to confidentiality.

- C. Copyright. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:
1. CONTRACTOR agrees that for purposes of copyright law, all works, as defined herein, of authorship made by or on behalf of CONTRACTOR in connection with the performance of its obligations hereunder shall be deemed “works made for hire.” CONTRACTOR further agrees that the work of each person utilized by CONTRACTOR in connection with the performance of this Agreement will be a “work made for hire,” whether that person is an employee of CONTRACTOR or has entered into an agreement with CONTRACTOR to perform the work. CONTRACTOR shall enter into a written agreement with any such person which provides that: all work performed for CONTRACTOR shall be deemed a “work made for hire” under the Copyright Act; and such person shall assign all right, title and interest to DHCS to any work product made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement.
 2. Any and all materials, including, without limitation, visual works or text, reproduced or distributed pursuant to the terms and conditions of this Agreement that include Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, shall include DHCS’ notice of copyright, which shall read in three (3) millimeter or larger typeface: “© [*Enter Current Year e.g., 2010, etc.*], California Department of Health Care Services. With respect to inventions made by CONTRACTOR in the performance of its obligations hereunder, which did not result from research and development specifically included in Exhibit A – Scope of Services, CONTRACTOR hereby grants to DHCS a license for any and all devices or materials incorporating, or made through the use of, such inventions. If such inventions result from research and development work specifically included within Exhibit A – Scope of Services, CONTRACTOR agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.
- E. Third-Party Intellectual Property. Except as provided herein, CONTRACTOR agrees that the performance of its obligations and duties hereunder shall not be dependent upon or include any Intellectual Property of CONTRACTOR or third-party without first: obtaining DHCS’ prior written approval; and granting to or obtaining for DHCS, without additional compensation, a license, as described herein, for any of CONTRACTOR’s or third-party’s Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and DHCS determines that Intellectual Property should be included in, or is required for CONTRACTOR’s performance of, this Agreement, CONTRACTOR shall obtain a license under terms acceptable to DHCS.
- F. Warranties. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, represents, warrants and agrees as follows:
1. It is free to enter into and fully perform this Agreement.
 2. It has secured, and will secure, any and all rights and licenses necessary for the performance of its duties and obligations hereunder.

3. Neither CONTRACTOR's performance of this Agreement, nor the exercise by either party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display or performance, distribution and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, will infringe upon or violate any Intellectual Property right, non-disclosure obligation or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States or any foreign country. There is currently no actual or threatened claim by any such third-party based on an alleged violation of any such right by CONTRACTOR.
 4. Neither CONTRACTOR's performance of its duties and obligations hereunder, nor any part thereof, will violate the privacy rights of, or constitute a libel or slander against, any person or entity.
 5. It has secured, and will secure, any and all rights and licenses necessary for the use of Intellectual Property, including, without limitation, consents, waivers or releases from all authors of music or performances, talent, including radio, television and motion picture talent, and owners of any interest in sites, property or props that may be used or shown.
 6. It has not granted, and shall not grant to, any person or entity any right that might derogate, encumber or interfere with any of the rights granted to DHCS hereunder.
 7. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 8. It has no knowledge of any outstanding claims, licenses or other charges, liens or encumbrances of any kind or nature that could affect in any way CONTRACTOR's performance of its duties and obligations hereunder.
 9. DHCS makes no warranty that the Intellectual Property resulting from this Agreement will not infringe upon any existing or subsequent patent, trademark, copyright or the like.
- G. Intellectual Property Indemnity. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:
1. CONTRACTOR shall indemnify, defend and hold harmless DHCS, and its licensees, assignees, officers, directors, employees, agents, representatives, successors and users of its products ("Indemnitees"), from and against all claims, actions, damages, losses or liabilities, whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto, including, without limitation, all legal expenses, court costs and attorney's fees incurred in investigating, preparing, serving as a witness in or defending against, any such claim, action or proceeding, whether commenced or threatened, to which any of the Indemnitees may be subject, regardless of whether or not CONTRACTOR is a party to any pending or threatened litigation, which arise out of or are related to: the incorrectness or breach of any of the representations, warranties, covenants or agreements of CONTRACTOR pertaining to Intellectual Property; or any Intellectual Property infringement, or other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance or display, license and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by

CONTRACTOR or DHCS as a direct or indirect result of this Agreement. CONTRACTOR's indemnity obligations hereunder shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in, at CONTRACTOR's expense, any such infringement action brought against DHCS.

2. Should any Intellectual Property licensed by CONTRACTOR to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, CONTRACTOR shall exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with the terms and conditions of this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel, at CONTRACTOR's expense, in any such claim or action. In the defense or settlement of the claim, CONTRACTOR may obtain the right for DHCS to continue using the licensed Intellectual Property; or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other available rights and remedies.
 3. CONTRACTOR agrees that damages alone would be inadequate to compensate DHCS for CONTRACTOR's breach of the Intellectual Property provisions set forth herein. CONTRACTOR acknowledges DHCS would suffer irreparable harm in the event of such breach, and agrees DHCS shall be entitled to obtain equitable relief, including, without limitation, an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.
- H. Federal Funding. In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title and ownership, which results directly or indirectly from this Agreement; except as provided in 37 C.F.R. Section 401.14; however, the federal government shall have a worldwide, non-exclusive, nontransferable, irrevocable, paid-up license to use, duplicate or dispose of such Intellectual Property in any manner for governmental purposes and to have and permit others to do so.

 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the terms and conditions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.

EXHIBIT D
LOCAL SYSTEM OF CARE
Christian Agricola
For Fiscal Year 2020-2021

Child services are part of the local System of Care (“SOC”), therefore CONTRACTOR will operate within all applicable principles of the local SOC:

1. Providing effective, community-based services and supports for children and their families which coordinate with other systems to address their emotional, social, educational and physical needs, including, without limitation, traditional and nontraditional services as well as natural and informal supports.
2. Provide individualized services in accordance with the unique potentials and needs of each child and family, guided by a strengths-based planning process and an individualized service plan developed in true partnership with the child and family.
3. Ensure that services and supports include evidence-informed practices and/or interventions supported by practice-based evidence, as agreed upon with COUNTY, to ensure the effectiveness of services and to improve outcomes for children and their families. This includes selecting, training and implementing practices with fidelity and tracking of outcomes associated with intervention using standardized outcome measurement tools.
4. Deliver services and supports within the least restrictive and most normative environments that are clinically appropriate.
5. Ensure that families, other caregivers and youth are full partners in all aspects of the planning and delivery of their own services. CONTRACTOR is also encouraged to include family and youth voice in development and implementation of policies and procedures that govern care for children and youth in their organization.
6. Ensure that services are well coordinated with other child-serving agencies with which the child and/or family may be involved to assure integrated care management.
7. Practice care management at the service level to ensure that multiple services are delivered in a coordinated and therapeutic manner and that children and their families can move through the system of services in accordance with their changing needs.
8. Provide developmentally appropriate mental health services and supports that promote optimal social and emotional outcomes for young children and their families in their homes and community when the CONTRACTOR serves children zero (0) to five (5) years of age.
9. Provide developmentally appropriate services and supports to facilitate the transition of youth eighteen (18) to twenty-one (21) years of age to adulthood and to the transition age youth and adult service systems as needed.
10. Encourage participation in local mental health promotion, prevention and early identification and intervention opportunities.
11. Incorporate continuous accountability and quality improvement mechanisms to track, monitor and manage the quality, effectiveness and outcomes at the program level, practice level and child and family level.

12. Protect the rights of children and families and promote effective advocacy efforts.
13. Provide services and supports without regard to race, religion, national origin, gender, gender expression, sexual orientation, physical disability, socio-economic status, geography, language, immigration status or other characteristics, and ensure that services are sensitive and responsive to these differences.
