Dear Portia Saucedo:

The District offers the following requirements for the above referenced project:

General:

1. Water and sewer service is available upon payment of applicable charges.
2. Water and/or sewer services shall not be located in a driveway or parking area.
3. HCSD wants to comment further on the final project.

The District has no objections to granting the Special Permit requested by this referral. The District reserves the right to review building permits when future development is proposed.

Please feel free to call me at 707-443-4559 ext. 224, should you have any questions.

Sincerely,

Brian McNeill
Utility Services Planner
