Reasons why project is exempt:

The proposed ordinance (project) affects traffic regulations on existing County maintained roads. The installation of signs, striping, pavement markings, and/or other traffic control devices and appurtenances is done in accordance with the latest addition of the California Manual of Uniform traffic control devices; the federal Americans with Disabilities Act (ADA) set forth in 28 CFR 35.151 and 36 CFR part 1191 appendices B and D; State of California ADA set forth in the latest edition of the California Building Code Chapter 11B et seq.; and the Protection of Underground Infrastructure as set forth in Government Code Section 4215 et seq.

Such work is considered exempt pursuant to the California Code of Regulations, Title 14, Chapter 3, Division 6, Section 15301. Paragraph (c) of said Section specifically cites an exemption for existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities (this includes road grading for the purpose of public safety, and other alterations such as the addition of bicycle facilities, including but not limited to bicycle parking, bicycle-share facilities and bicycle lanes, transit improvements such as bus lanes, pedestrian crossings, street trees, and other similar alterations that do not create additional automobile lanes).

In addition, minor excavations associated with such work are considered exempt pursuant to the California Code of Regulations, Title 14, Chapter 3, Division 6, Section 15304. Paragraph (f) of said Section specifically cites an exemption for minor trenching and backfilling where the surface is restored.
