Re: Cisco Farms, Inc. PLN-2026-19479 B

We are owners and operators of a cattle ranch adjoining the proposed Cisco Farms Inc. property. We have known the owner for many years as a good neighbor who cares for the land and respects others' property with a long history of good relations with others in the Petrolia community. It's a large property so 5 acres of development could be far from other neighbors.

Sincerely,  
John and Josie Brown
