

Willow Creek Fire Safe Council

P.O. Box 224, Willow Creek, CA 95573
(530) 629-6008

The mission of the Willow Creek Fire Safe Council is to reduce wildfire risk and increase survivability by implementing fuels reduction projects and encouraging residents of the greater Willow Creek area to make their homes, neighborhoods and community fire safe.

June 6, 2025

Dear Humboldt County Board of Supervisors,

The Willow Creek Fire Safe Council (WCFSC) has an alteration to our Humboldt County Fire Safe Council representatives, and are removing Patti Pedigo as primary representative, effective immediately. We would like to sincerely thank Patti Pedigo for her dedication to volunteerism with our organization and throughout many other organizations in our small Willow Creek community. Her time spent and dedication is valued and appreciated.

Our alternate representative, Olivia Lopes, is willing to be the primary representative. Jim Cotton will be the new alternate.

If you have any questions, please reach out at any time.

Sincerely,

A handwritten signature in blue ink that reads "Regina L. Moon".

Regina Moon, President

Willow Creek Fire Safe Council
