RESOLUTION NO. 23-__

RESOLUTION PROCLAIMING THE TERMINATION OF A LOCAL HEALTH EMERGENCY (COVID-19)

WHEREAS, on March 11, 2020, the Humboldt County Health Officer proclaimed a Local Health Emergency pursuant to Humboldt County; and

WHEREAS, a novel coronavirus, COVID-19, causes infectious disease and was first detected in Wuhan City, Hubei Province, China in December 2019, and symptoms of COVID-19 include fever, cough and shortness of breath and outcomes have ranged from mild to severe illness, and in some cases death; and

WHEREAS, on January 31, 2020, U.S. Department of Health and Human Services Secretary Alex M. Azar II declared a public health emergency for the United States to aid the nation's health care community in responding to COVID-19; and

WHEREAS, the Centers for Disease Control and Prevention determined that the virus presents a serious public health threat; and

WHEREAS, Humboldt County had its first confirmed case of COVID-19 on February 20, 2020, and the potential of more COVID-19 cases in Humboldt County was an imminent threat; and

WHEREAS, on March 4, 2020, Governor Gavin Newsom proclaimed a state of emergency to exist in California; and

WHEREAS, on March 17, 2020, the Humboldt County Board of Supervisors found that the aforesaid conditions warranted and necessitated the proclamation of a Local Health Emergency and that a Local Health Emergency did exist throughout Humboldt County, thereby ratifying the County Health Officer's March 11, 2020 Local Health Emergency Declaration; and

WHEREAS, Governor Newsom ordered that the time periods in Health and Safety Code section 101080 within which a local governing authority must renew a local health emergency were waived for the duration of this statewide emergency; and

WHEREAS, Governor Newsom ordered that any such local health emergency would remain in effect until each local governing authority terminated its respective local health emergency; and

WHEREAS, when Humboldt County began seeing increasing numbers of cases it increased demands on local public health as well as our community partners who are part of the response such as hospitals, clinics, emergency medical services (EMS), law enforcement and other agencies; and

WHEREAS, it was important to proclaim a Local Health Emergency because it opened up resources local governments could access to assist with in-the-moment needs, like staffing and equipment resources, as well as recouping associated costs once the emergency was resolved; and

WHEREAS, the Governor of the State of California has announced a plan to declare an end to the California COVID-19 State of Emergency on Tuesday, February 28, 2023, and resume public health guidance and response efforts that align with current and future federal Health & Human Services and Centers for Disease control & Prevention (CDC) guidance and requirements; and

WHEREAS, the President of the United States, has announced the intent to end the national emergency and public health emergency declarations related to the COVID-19 pandemic on Thursday, May 11, 2023; and

WHEREAS, the situation resulting from the local COVID-19 response is now deemed to be within the control of the normal protective services, personnel, equipment, and facilities of and within said County of Humboldt;

NOW, THEREFORE, the Board of Supervisors of the County of Humboldt, State of California, does hereby proclaim the termination of said local emergency.
