

**DATA ACCESS AGREEMENT
BY AND BETWEEN
OREGON COMMUNITY HEALTH INFORMATION NETWORK, INC.,
OPEN DOOR COMMUNITY HEALTH CENTERS AND
COUNTY OF HUMBOLDT
FOR FISCAL YEARS 2024-2025 THROUGH 2029-2030**

This Data Access Agreement ("Agreement") entered into this __ day of _____, 2024, by and between Oregon Community Health Information Network, Inc., hereinafter referred to as "OCHIN," Open Door Community Health Centers, a member of OCHIN, hereinafter referred to as "MEMBER," and the County of Humboldt a political subdivision of the State of California, hereinafter referred to as "COUNTY," is made upon the following considerations.

WHEREAS, COUNTY, by and through its Department of Health and Human Services-Behavioral Health and Public Health branches provides psychiatric, behavioral health, and other health and laboratory services to qualified patients residing within Humboldt County; and

WHEREAS, MEMBER operates several community health clinics which provide psychiatric and behavioral health services to qualified patients residing in northern California and southern Oregon; and

WHEREAS, OCHIN operates a system that provides secure access to electronic health information; and

WHEREAS, MEMBER has an interest in improving the delivery and coordination of care to its patients by providing COUNTY with limited electronic access to Protected Health Information ("PHI") for those patients with whom MEMBER and COUNTY both have a treatment relationship; and

WHEREAS, COUNTY has an interest in improving the delivery and coordination of care to its patients by receiving PHI for those patients with whom MEMBER and COUNTY have a mutual treatment relationship; and

WHEREAS, each party desires to protect the privacy and provide for the security of PHI accessed hereunder in compliance with any and all applicable state and federal laws and regulations, including, but not limited to: California Welfare and Institutions Code Sections 827, 5328 and 10850; California Health & Safety Code Sections 1280.15 and 130203; the California Confidentiality of Medical Information Act ("CMIA"); the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); the federal Health Information Technology for Economic and Clinical Health Act ("HITECH Act"); and any current and future implementing regulations promulgated thereunder, including, without limitation: the Federal Privacy Regulations contained in Title 45 of the Code of Federal Regulations ("C.P.R.") Parts 160 and 164; including but not limited to Title 42, the Federal Security Standards contained in 45 C.F.R. Parts 160, 162 and 164 and the Federal Standards for Electronic Transactions contained in 45 C.F.R. Parts 160 and 162, all may be amended from time to time. The above-referenced laws and regulations will sometimes be collectively referred to herein as "Confidentiality Laws."

NOW THEREFORE, the parties mutually agree as follows:

1. Purpose of Activities.
 - A. MEMBER is committed to providing high quality patient care. In furtherance of its mission, MEMBER agrees to allow the disclosure of PHI to COUNTY as permitted or required by law.

MEMBER also agrees to allow COUNTY electronic access to PHI that COUNTY deems necessary to perform mental health treatment functions. COUNTY will use PHI only for the scope of activities under this Agreement. Disclosure will occur through electronic access to EPIC Care Elsewhere ("OCHIN Link"). COUNTY understands and acknowledges that electronic access to OCHIN Link is a privilege which may be terminated by MEMBER and/or OCHIN at any time for any reason.

B. Access to OCHIN Link shall be limited to access of PHI for those patients with whom COUNTY has a treatment relationship. COUNTY may access such PHI for treatment, payment and healthcare operations as defined by HIPAA and any regulations enacted pursuant thereto. For purposes of this Agreement, "healthcare operations" shall be limited to conducting quality assessment, competence evaluation of providers or health plans, and/or training program activities.

2. Compliance with Confidentiality Laws.

As applicable to the respective party, each party hereby agrees to comply with the Confidentiality Laws and any other applicable state and federal laws and regulations in electronically accessing, using or disclosing MEMBER's PHI. In addition, the parties acknowledge that federal and state confidentiality laws are evolving and that amendment of this Agreement may be required to ensure compliance with such developments. As a result, each party further agrees to promptly enter into negotiations concerning an amendment to this Agreement to address such changes in the Confidentiality Laws.

3. Use or Disclosure of PHI.

Only the minimum necessary PHI to accomplish the intended purpose of this Agreement can be used or disclosed. COUNTY shall not use or disclose PHI received from MEMBER in any manner that would constitute a violation of applicable state and federal law, including, but not limited to, HIPAA. COUNTY shall ensure that its directors, officers, employees, contractors, and agents use or disclose PHI received from, or created or received on behalf of, MEMBER only in accordance with the provisions of this Agreement and state and federal law. COUNTY shall not disclose PHI in any manner other than that permitted by this Agreement. COUNTY further agrees that all information accessed through OCHIN Link will be maintained in the strictest confidentiality and in the same manner as COUNTY safeguards the confidentiality of other PHI and as required by state and federal law.

4. Process for Requesting OCHIN Link Access.

COUNTY shall designate a liaison to coordinate user access to OCHIN Link and manage the modification and termination of user accounts provided to COUNTY. COUNTY will have each provider or mental health professional, including, without limitation, registered nurses, licensed vocational nurses, licensed psychiatric technicians and medical office assistants ("Professional") sign, complete and submit the User Access Agreement attached hereto as Exhibit A. The liaison will provide the completed forms to MEMBER's IT Services User Access Administrator. COUNTY shall monitor the activities of each Professional approved for OCHIN Link access hereunder to ensure adherence to the requirements of this Agreement and the User Access Agreement. For purposes of this Agreement, access to OCHIN Link shall be permitted only for Professionals who have executed the User Access Agreement.

////

5. Safeguarding Information.

A. COUNTY shall only use, store, disclose, or access PHI:

1. In accordance with, and only to the extent permissible under this Agreement; and
2. In full compliance with any and all applicable laws, regulations, rules or standards.

B. COUNTY shall have in place policies and procedures to implement and maintain all safeguards necessary to ensure the confidentiality, availability, and integrity of all MEMBER data. Such safeguards shall include as appropriate, and without limitation, use of: policies and procedures to prevent any unauthorized use or disclosure of, or access to, PHI; restrictions on administrative access to PHI; system firewalls, secure network and transfer protocols such as Secure Socket Shell, Secure Copy Protocol, Hyper-Text Transfer Protocol over Secure Sockets Layer, or Internet Protocol Security; industry compliant network authentication protocols such as Kerberos or Lightweight Directory Access Protocol; encryption; regular and timely system upgrades, including implementation of security patches; disk quotas to ensure system availability; logging in accordance with MEMBER specifications, maintenance of logs on centralized servers; and COUNTY backup systems for disaster recovery, security, and forensics purposes.

C. COUNTY shall not download PHI to any personal device, including, but not limited to, a flash drive, cell phone, iPad, or tablet without the prior written approval of MEMBER.

6. Data Ownership.

COUNTY acknowledges and agrees that MEMBER owns all rights, interests and title in and to its data and that such rights, interests and title shall remain vested in MEMBER at all times. Except as required by applicable state or federal law, COUNTY shall not compile and/or distribute analyses to third parties utilizing any data received from, or created or received on behalf of, MEMBER without express written permission from MEMBER.

7. Reporting of Unauthorized Use or Disclosure of PHI.

COUNTY shall notify MEMBER by telephone call and email upon the discovery of, and no later than five (5) business days after the discovery of, a breach of unsecured County PHI in electronic media or in any other media if County PHI was, or is reasonably believed to have been, accessed or acquired by an unauthorized person, or upon the discovery of a suspected security incident that involves data provided to County by OCHIN. All such notices shall be made by phone or email using the contact information contained in Section 21 below.

8. Potential Breach of PHI.

A. If COUNTY has reason to believe that personal information or PHI transmitted pursuant to this Agreement may have been accessed, disclosed, or acquired without proper authorization, COUNTY will, within five (5) business days of discovery, give MEMBER and OCHIN notice and take actions as may be necessary to preserve forensic evidence and to identify, mitigate and remediate the cause of the breach. A breach shall be treated as discovered by COUNTY as of the first day on which such breach is known to the COUNTY (including any person, other than the individual committing the breach, that is an employee, officer, or other agent of the COUNTY) or should reasonably have been known to the COUNTY to have occurred.

COUNTY shall give highest priority to immediately mitigate and remediate any unauthorized access and shall devote such resources as may be required to accomplish that goal. COUNTY shall cooperate with all MEMBER and OCHIN efforts, including providing any and all information necessary to enable MEMBER to fully understand the nature and scope of the unauthorized access, including, but not limited to, identification of each individual whose unsecured PHI has been, or is reasonably believed to have been, accessed, acquired, or disclosed during the breach.

- B. To the extent MEMBER or OCHIN deem warranted, MEMBER or OCHIN may provide notice or may require COUNTY to provide notice to any and all individuals affected by any unauthorized access, whose personal information and/or PHI may have been improperly accessed or disclosed that was not protected according to the Secretary of Health and Human Services' annual guidance on the most effective and appropriate technical safeguards for use in carrying out security standards. In such case, COUNTY shall provide the notice and consult with MEMBER and OCHIN regarding appropriate steps required to notify third parties. In the event that COUNTY's assistance is required to reinstall software, such assistance shall be provided at no cost to MEMBER or OCHIN and in accordance with MEMBER's and OCHIN's policies and standards. COUNTY must coordinate with MEMBER and OCHIN any public notification to any individual, media outlet or governmental agency.
- C. If MEMBER or OCHIN determine that notification is required, COUNTY shall pay the full costs of notice to impacted individuals, which may include, but are not limited to, the costs to retain an outside consulting firm to undertake the notification effort. COUNTY shall supply MEMBER and OCHIN with the following information to make such notification:
 - 1. A brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known.
 - 2. A description of the types of unsecured protected health information that were involved in the breach, such as full name, Social Security number, date of birth, home address, account number, or disability code.
 - 3. A brief description of what COUNTY is doing to investigate the breach, to mitigate losses and to protect against any further breaches.

9. Monitoring.

MEMBER has the right, at any time, to monitor, audit and review activities and methods in implementing this Agreement in order to assure compliance therewith, within the limits of COUNTY's technical capabilities.

10. Accounting for Disclosures.

MEMBER and COUNTY agree to comply with the accounting requirements of 45 C.F.R. 164.528 and any associated regulations or informal guidance issued by the U.S. Department of Health and Human Services, Office of Civil Rights, all as may be amended from time to time. If at any time regulatory guidance changes, the parties agree to re-negotiate the accounting for disclosures process to bring the process into conformance with regulatory guidance and 45 C.F.R. 164.528.

///

11. Maintenance and Preservation of Records.

Each party agrees to prepare records relating to the disclosure of PHI transmitted pursuant to this Agreement, and to maintain and preserve said records for at least five (5) years from the date of expiration or termination of this Agreement, except that if any litigation, claim, negotiation, audit or other action is pending, the records shall be retained until completion and resolution of all issues arising there from.

12. Availability of Books and Records.

Each party agrees to make its internal practices, books and records relating to the use and disclosure of PHI accessed by COUNTY pursuant to the terms and conditions of this Agreement available to any duly authorized public agency to the extent required for determining MEMBER's and COUNTY's compliance with any and all applicable state and federal laws and regulations. Each party shall, within five (5) business days, provide to the other parties copies of any documentation that is provided to the public agency.

13. Termination.

A. Termination for Cause. Any party hereto may terminate this Agreement immediately, upon notice, if it determines that another party, or such party's directors, officers, employees, contractors or agents have failed to comply with a material provision of this Agreement or have violated any ordinance, regulation or law applicable to the performance of the duties and obligations herein.

B. Termination without Cause. This Agreement may be terminated by any party without cause upon thirty (30) days advance written notice. Such notice shall state the effective date of the termination.

14. Amendment.

This Agreement may be amended at any time during the term of the Agreement upon the mutual consent of each party hereto. No addition to, or alteration of, the terms of this Agreement shall be valid unless made in writing and signed by each of the parties hereto.

15. Jurisdiction and Venue.

This Agreement shall be construed in accordance with the laws of the State of California. Any dispute arising hereunder, or relating hereto, shall be litigated in the State of California and venue shall lie in the County of Humboldt unless transferred by court order pursuant to California Code of Civil Procedure Sections 394 or 395.

16. Waiver of Default.

Neither the waiver by any of the parties hereto of a breach of, or a default under, any of the provisions of this Agreement, nor the failure of any party, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder, will thereafter be construed as a waiver of any subsequent breach or default of a similar nature, or as a waiver of any such provisions, rights or privileges hereunder.

///

17. Third Party Beneficiaries.

The only parties entitled to the rights and benefits in this Agreement are OCHIN, MEMBER and COUNTY. Nothing contained in this Agreement shall be construed to transfer any rights to third parties, and the parties do not intend to create any third-party beneficiaries.

18. Term.

This Agreement shall begin on November 4, 2024 and shall remain in full force and effect until November 3, 2030 unless sooner terminated as provided herein.

19. Severability.

If any provision of this Agreement, or any portion thereof, is found by any court of competent jurisdiction to be unenforceable or invalid for any reason, such provision shall be severable and shall not in any way impair the enforceability of any other provision of this Agreement.

20. Survival of Provisions.

The duties and obligations of the parties set forth in Sections 2 - Compliance with Confidentiality Laws, 6 – Data Ownership, 11 - Maintenance and Preservation of Records, 12 - Availability of Books and Records and 27 - Indemnification shall survive the expiration or termination of this Agreement.
