My name is Brianna Denlis, I have lived in Orick for 4 years. I have been looking for a way to get more involved in the community I live in and think being a part of this board would be an amazing way to do that. I have also been interested in meeting more members of my community and imagine this would be a great way. I would love to learn more about what is going on and being done in orick. It would be humbling being a part of this because it would be a great learning experience and opportunity. Living in this town I would like to apart of something that involves orick and its people.
