Subject: 10/14 Planning Commissioners - No New/Additions to Cannabis Grows

Hello,

Please do not approve new cannabis grows or additions to existing ones for these reasons:

1. The County is in a drought
2. The County recently added \$1M for cannabis grant's because current growers say that their businesses are in crisis due to falling prices
3. The County is not tallying estimated water usage, acreage, etc. so there is no way to analyze cumulative impact to communities or watersheds.

Thank for your consideration of these concerns.

Regards,
Marisa Darpino
